Americans at the Gate

2008-09-15

unlike the 1930s when the united states tragically failed to open its doors to europeans fleeing nazism the country admitted over three million refugees during the cold war this dramatic reversal gave rise to intense political and cultural battles pitting refugee advocates against determined opponents who at times successfully slowed admissions the first comprehensive historical exploration of american refugee affairs from the midcentury to the present americans at the gate explores the reasons behind the remarkable changes to american refugee policy laws and programs carl bon tempo looks at the hungarian cuban and indochinese refugee crises and he examines major pieces of legislation including the refugee relief act and the 1980 refugee act he argues that the american commitment to refugees in the post 1945 era occurred not just because of foreign policy imperatives during the cold war but also because of particular domestic developments within the united states such as the red scare the civil rights movement the rise of the right and partisan electoral politics using a wide variety of sources and documents americans at the gate considers policy and law developments in connection with the organization and administration of refugee programs some images inside the book are unavailable due to digital copyright restrictions

Dressed For War

2020-02-06

magnificent dressed for war works on many levels as an evocation of an uncommon time as a celebration of an uncommon woman as pure unalloyed fun lucy davies daily telegraph dressed for war the story of audrey withers vogue editor extraordinaire from the blitz to the swinging sixties is the untold story of our most iconic fashion magazine in its most formative years in the second world war it was an era when wartime exigencies gave its editor audrey withers the chance to forge an identity for it that went far beyond stylish clothes in doing so she set herself against the style and preoccupations of vogue s mothership in new york and her often sticky relationship with its formidable editor edna woolman chase became a strong dynamic in the vogue story but vogue had a good war with great writers and top flight photographers including lee miller and cecil beaton who loathed each other sending images and reports from europe and much further afield detailing the plight of the countries and people living amid war torn europe audrey withers deft handling of her star contributors and the importance she placed on reflecting people s lives at home give this slice of literary history a real edge with official and personal correspondence researched from the magazine s archives in london and in new york dressed for war tells the marvellous story of the titanic struggle between the personalities that shaped the magazine for the latter half of the twentieth century and beyond

how do we understand glamour has it empowered women or turned them into objects once associated with modernity and the cutting edge is it entirely bound up with nostalgia and tradition this unique and fascinating book tells the story of glamour it explores the changing meanings of the word its relationship to femininity and fashion and its place in twentieth century social history using a rich variety of sources from women s magazines and film to social surveys and life histories carol dyhouse examines with wit and insight the history and meaning of costume cosmetics perfume and fur dyhouse disentangles some of the arguments surrounding femininity appearance and power directly addressing feminist concerns the book explores historical contexts in which glamour served as an expression of desire in women and an assertion of entitlement to the pleasures of affluence finally arguing that glamour can t simply be dismissed as oppressive or as male fantasy but can carry celebratory meanings for women

aggressive product placement and retail tie ins are as much a part of moviemaking today as high concept scripts and computer generated special effects but this phenomenon is hardly recent since the silent era hollywood studios have proved remarkably adept at advertising both their own products and a bewildering variety of consumer commodities successfully promoting the idea of consumption itself hollywood goes shopping brings together leading film studies scholars to explore the complex and sometimes contradictory relationship between american cinema and consumer culture providing an innovative reading of both film history and the evolution of consumerism in the twentieth century

Glamour

2013-04-04

peter sculthorpe who died in 2014 remains australia s best known composer and is widely held to be the most important creative musical spirit the country has produced beautifully written and fastidiously researched this authorised biography provides an insight into sculthorpe s formation years his quest for personal voice and his arrival through many creative friendships and collaborations at a place in the collective heart of the nation it charts the realisation of a youthful vocation to become not merely a composer but an australian composer graeme skinner s biography is also a social history examining sculthorpe s unique role in the creation of australian musical modernism in the 1960s an important era in australia s cultural evolution

Margaret Mead

2015-06-03

presenting the history of corsetry and body sculpture this edition shows how the relationship between fashion and sex is closely bound up with sexual self expression it demonstrates how the use of the corset rejected the role of the passive maternal woman so that in victorian times it was seen as a scandalous threat to the social order

Hollywood Goes Shopping

2000

a rare exploration into the unknown life of alan suzuki the son of daisetsu and the writer of tokyo boogie woogie

Peter Sculthorpe

the hamptons are hot gordon who grew up there traces the invention of the idea of the hamptons as a resort for the elite of new york city and shows how various forces including artists real estate developers and media professionals transformed what had been a quiet rural place into a modern and worldwide phenomenon 175 illustrations

Fashion and Fetishism

2006-08-24

stella adler 1901 92 trained many well known american actors yet throughout much of her career her influence was overshadowed by lee strasberg director of the actors studio in beyond method stella adler and the male actor scott balcerzak focuses on adler s teachings and how she challenged strasberg s psychological focus on the actor s self by promoting an empathetic and socially engaged approach to performance employing archived

studio transcripts and recordings balcerzak examines adler s lessons in technique characterization and script analysis as they reflect the background of the teacher illustrating her time studying with constantin stanislavski her yiddish theatre upbringing and her encyclopedic knowledge of drama through this lens beyond method resituates the performances of some of her famous male students through an expansive understanding of the discourses of acting the book begins by providing an overview of the gender and racial classifications associated with the male method actor and discussing white maleness in the mid twentieth century the first chapter explores the popular press s promotion of method stars during the 1950s as an extension of strasberg s rise in celebrity at the same time adler s methodology was defining actor performance as a form of social engagement rather than just personal expression welcoming an analysis of onscreen masculinity as culturally fluid the chapters that follow serve as case studies of some of adler s most famous students in notable roles marlon brando in a streetcar named desire 1951 and the missouri breaks 1976 robert de niro in taxi driver 1976 henry winkler in happy days 1974 84 and mark ruffalo in the avengers age of ultron 2015 balcerzak concludes that the presence of adler altered the trajectory of onscreen maleness through a promotion of a relatively complex view of gender identity not found in other classrooms beyond method considers stella adler as not only an effective teacher of acting but also an engaging and original thinker providing us a new way to consider performances of maleness on the screen film and theater scholars as well as those interested in gender studies are sure to benefit from this thorough study

A critical assessment

1957

the most ambitious and personal account ever written about hollywood s most gracious star audrey hepburn by barry paris is a moving portrayal the new york times book review that truly captures the woman who captured our hearts with the insights of family and friends who never before spoke to a hepburn biographer and never before published photographs paris has created an in depth portrait of the actress from her childhood in nazi occupied europe through her legendary career and into her un ambassadorship
