The Amazon (Classic Reprint)

2015-07-14

excerpt from the amazon between the two there lies an immense space no doubt the narrator more especially the epic poet and his half brother the novelist must above all things be true to nature but he too like every man who aspires to a place in the temple of art must strive after a higher truth than the grossly sensual and never forget that art if transplanted into the domain of ugliness can no more put forth blossoms than the palm can amidst snow and ice the beautiful is the native soil the vital air the sunshine and the rain of art without beauty no work of art can exist thus though naked realism may produce clever art manufactories it can never produce a genuine work of art about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Swallows and Amazons 2012-08-02

swallows and amazons for ever rediscover this classic tale of adventure the walker children also known as captain john mate susan able seaman titty and ship s boy roger set sail on the swallow and head for wild cat island there they camp under open skies swim in clear water and go fishing for their dinner but their days are disturbed by the blackett sisters the fierce amazon pirates the swallows and amazons decide to battle it out and so begins a summer of unforgettable discoveries and incredible adventures extra activities included crack the swallow s code and learn all about the adventurous author in the brilliant extra educational resources included in this edition

The Naturalist on the River Amazons (Classic Reprint) 2015-07-17

excerpt from the naturalist on the river amazons having been urged to prepare a new edition of this work for a wider circle than that contemplated in the former one i have thought it advisable to condense those portions which treating of abstruse scientific questions presuppose a larger amount of natural history knowledge than an author has a right to expect of the general reader the personal narrative has been left entire together with those descriptive details likely to interest all classes young and old relating to the great river itself

big second act and they're being played in both old and new ways whether you've just been attacked by space invaders for the first time or you've been a pong junkie since puberty Chris Kohler's *Retro Gaming Hacks* is the indispensable new guide to playing and hacking classic games. Kohler has compiled tons of how-to information on retro gaming that used to take days or weeks of web surfing to track down and sort through and he presents it in the popular and highly readable *Hacks* style. *Retro Gaming Hacks* serves up 85 hard-nosed hacks for reviving the classic games you want to game on an original system. Kohler shows you how to hack ancient hardware and includes a primer for home brewing classic software rather than adapt today's equipment to run retro games. Kohler provides emulation techniques complete with instructions for hacking a classic joystick that's compatible with a contemporary computer. This book also teaches readers to revive old machines for the original gaming experience: hook up an Apple II or a Commodore 64 for example and play it like you played before. A video game journalist and author of *Power Up: How Japanese Video Games Gave the World an Extra Life*, Kohler has taught the history of video games at Tufts University. In *Retro Gaming Hacks*, he locates the convergence of classic games and contemporary software, revealing not only how to retrofit classic games for today's systems but how to find the golden oldies hidden in contemporary programs as well. Whether you're looking to recreate the magic of a *Robotron* marathon or simply crave a little handheld *Donkey Kong*, *Retro Gaming Hacks* shows you how to set the

from the new york times bestselling author of the first man comes a sweeping saga involving two extraordinary and extraordinarily different adventurers who have only one thing in common the ambition to cross the atlantic in a rowboat alone in this bracing adventure tale the stories of john fairfax and tom mclean are woven together for the first time fairfax would set off from the canary islands off the coast of africa with his sights on florida mcclean charted a course from newfoundland to ireland the two men couldn t have been more

different john fairfax was a golden haired playboy gambler whiskey gun smuggler and ex pirate who blamed his boat often and who brazenly took time off from his goal of reaching america to hop aboard large ships for a drink a shower and good food he courted the press like a modern day richard branson or elon musk the egoless tom mclean was an orphan with a tough dickensian childhood who ran off to become a british paratrooper and later joined the sas his training rivaled the u s navy seals tom was a purist who loved his boat silver and never once took time off from rowing to sun himself on a remote beach or jump aboard a cruise ship after 70 days he landed on the rocky coast of ireland to no fanfare and headed straight to the nearest pub though the two men s remarkable transoceanic journeys seem pulled from a different era both embarked within days of the first landing on the moon july 20th 1969 filled with gale force winds backbreaking effort menacing sharks playful dolphins awing natural beauty great mishaps failed equipment hyperthermia near drowning the fighting of mental and physical lethargy creative problem solving phantom illusions on the water and glorious moments of bliss completely mad stands alongside other classics of ocean adventure with gripping and insightful prose james r hansen brings to life fairfax and mclean s expeditions from their battle with the elements to their own inner demons completely mad is a nail biting epic tale of endurance and readers will be gripped until the end to find out who won

Moon Machu Picchu 1989

a stunning debut a departures original publication the ultimate survival story a wild ride the wildest down a south american river in the thick of the amazon basin a true and thrilling adventure of a young married couple who survive a plane crash only to later raft hundreds of miles across peru and bolivia ending up in a channel to nowhere a dead end so flooded there is literally no land to stand on their raft a mere four logs separates them from the piranha and caiman infested water until they finally realize that there is no way out but to swim vintage original holly fitzgerald and her husband fitz married less than two years set out on a yearlong honeymoon adventure of a lifetime backpacking around the world five months into the trip their plane crash lands in peru at a penal colony walled in by jungle and their blissfully romantic journey turns into a

terrifying nonstop labyrinth of escape and survival on a small soon ravaged raft that quickly becomes their entire universe through dangerous waters alive with deadly animals and fish their only choice to continue on despite the rush of insects swarming them by day the sounds of encroaching predators at night without food or means of communication with no one to hear their cries for help or on a search and rescue expedition to find them the author and her husband make their way fighting to conquer starvation and navigate the brute force of the river their only hope for survival in spite of hunger and weakening resolve to somehow miraculously hang on and find their way east to a large riverside town before it is too late
