training overview ssi

Oct 14 2022

the training programmes offered by ssi can be segregated into ten course categories although each course category is segregated into specific sub sectors or fields within the social service sector learners should adopt a horizontal learning approach and undertake relevant courses across different course categories to have a well balanced set

cross sector training courses

Sep 12 2022

cross sector courses offered by ssi these courses provide a deeper understanding about each sub sector their unique social needs and help learners to critically discern and analyse their own assumptions cross sector courses also cover a range of skills such

as counselling motivational interviewing and behaviour therapy which social service
