## **taurx pharmaceuticals alzheimer s disease research** ***Mar 27 2024***

a leader in alzheimer s disease research taurx s mission is to discover develop and commercialise innovative products for the diagnosis treatment and cure of neurodegenerative diseases caused through protein aggregation we are currently conducting clinical trials

## **ad pd 2024 taurx s hmtm promising despite lacking** **primary *Feb 26 2024***

during the symposium taurx announced that it has initiated regulatory engagement discussions in both the uk and the us meaning that hmtm has the potential to become the first disease modifying therapy approved that targets tau as well as the first orally available disease modifying therapy

## **taurx announces results from phase 3 alzheimer s** **disease *Jan 25 2024***

oct 06 2022 06 00 et share this article for people with early alzheimer s mci hmtm treatment resulted in sustained improvement in cognition over pre treatment baseline and normalisation

## ***recent news taurx a leader in alzheimer s disease*** ***research Dec 24 2023***

taurx pharmaceuticals ltd a global leader in tau based research in alzheimer s disease ad presented the 24 month data from its phase 3 lucidity trial of hydromethylthionine mesylate hmtm at the ad pd 2024 alzheimer s parkinson s diseases conference in lisbon portugal

## ***taurx s hydromethylthionine mesylate hmtm demonstrates Nov 23 2023***

taurx pharmaceuticals ltd a global leader in tau based research in alzheimer s disease ad presented the 24 month data from its phase 3 lucidity trial of hydromethylthionine mesylate hmtm at the ad pd 2024 alzheimer s parkinson s diseases conference in lisbon portugal

## ***taurx sees path to fda filing for tau targeting alzheimer s Oct 22 2023***

taurx pharma s effort to bring a tau targeting drug for alzheimer s disease ad to market has been a marathon with a number of setbacks over the years but the company reckons it may

## **tau targeting alzheimer s treatment hmtm moving toward Sep 21 2023**

singapore june 1 2022 prnewswire taurx pharmaceuticals ltd the global leader in tau based research in alzheimer s today announced unblinding of initial data from completion of the

## ***taurx announces results from its lucidity phase iii trial for ad Aug 20 2023***

news taurx announces results from its lucidity phase iii trial for ad 06 10 2022 on 6 october the company taurx therapeutics ltd announced results from its lucidity phase iii trial for the treatment of alzheimer s disease ad

## **taurx s hydromethylthionine mesylate hmtm *demonstrates Jul 19 2023***

aberdeen scotland july 16 2023 taurx pharmaceuticals ltd a global leader in tau based research in alzheimer s disease ad today announced results from a prespecified analysis of

## **taurx announces results from phase 3 alzheimer s disease *Jun 18 2023***

taurx announces results from phase 3 alzheimer s disease study lucidity assuring path for regulatory submissions published oct 06 2022 for people with early alzheimer s mci hmtm treatment resulted in sustained improvement in cognition over pre treatment baseline and normalisation of brain atrophy to a rate similar to healthy individuals

## **taurx s deliver alzheimer s disease therapy results *May 17 2023***

taurx pharmaceuticals a company focused on alzheimer s disease ad research has announced results from its pivotal phase 3 lucidity trial the study measured the effect of hydromethylthionine mesylate hmtm on neurofilament light change nfl a vital brain neurodegeneration biomarker

## **lucidity trial demonstrates significant reduction in *Apr 16 2023***

apr 20 2024 lucidity trial demonstrates significant reduction in alzheimer disease related neurodegeneration taurx pharmaceuticals ltd announced results from a prespecified analysis of the phase 3 lucidity trial that measured

the impact of hmtm on neurofilament light chain nfl an established biomarker for brain neurodegeneration

## **taurx announces completion of phase 3 study enrolment for the *Mar 15 2023***

mon jan 11 2021 4 19 am 1 min read aberdeen scotland and singapore  
singapore newsfile corp january 11 2021 taurx pharmaceuticals ltd today  
announced it has completed patient

## alzheimer s tau targeting therapy slows cognition functional ***Feb 14 2023***

hydromethylthionine mesylate or hmtm is an oral medicine designed to  
reduce levels of tau tangles irregular clumps of protein that are a hallmark of  
alzheimer s and are thought to help drive the disease s progression the  
investigational therapy also has been referred to as trx0237 lmtm and lmtx  
recommended reading

## tau syndrome about the disease genetic and rare diseases ***Jan 13 2023***

about tau syndrome many rare diseases have limited information currently  
gard aims to provide the following information for this disease

## ***2 hunters may have died of prion disease from eating Dec 12 2022***

chronic wasting disease has been reported in free ranging deer elk and moose  
in 32 states across the continental u s and four canadian provinces as well as in

some farmed deer and elk

## **polycatechols inhibit ferroptosis and modulate tau liquid *Nov 11 2022***

alzheimer s disease ad is a complex neurodegenerative disorder that affects learning memory and cognition current treatments targeting amyloid  $\beta$   $\beta$  and tau have shown limited effectiveness necessitating further research on the aggregation and toxicity mechanisms one of these mechanisms involves the liquid

## **basic science research featured at 2024 vanderbilt alzheimer *Oct 10 2022***

the vanderbilt memory and alzheimer s center hosted its fifth annual vanderbilt alzheimer s disease research day on april 10 with the theme of big data aside from presentations from faculty from across campus and the school of medicine basic sciences the day featured data blitzes a keynote presentation and a poster reception with more than 45 posters

## **cheap longevity drug researchers aim to test if metformin *Sep 09 2022***

researchers aim to test if metformin can slow down aging shots health news studies suggest people who take metformin for diabetes may be at lower risk for cancer heart disease and dementia
