joblessness and hopelessness robert schenkkan s 1992
pulitzer prize winning play the kentucky cycle once again
adopted these stereotypes recasting the american myth as a
story of repeated failure and poverty the failure of the
american spirit and the poverty of the american soul
dismayed by national critics lack of attention to the negative
depictions of mountain people in the play a group of
appalachian scholars rallied against the stereotypical
representations of the region s people in back talk from
appalachia these writers talk back to the american
mainstream confronting head on those who view their home
region one dimensionally the essays written by historians
literary scholars sociologists creative writers and activists
provide a variety of responses some examine the sources of
appalachian mythology in nineteenth and early twentieth
century literature others reveal personal experiences and
examples of grassroots activism that confound and
contradict accepted images of hillbillies the volume ends
with a series of critiques aimed directly at the kentucky
cycle and similar contemporary works that highlight the
sociological political and cultural assumptions about
appalachia fueling today s false stereotypes
