## **Repairing Broken Trust : How to Deal with a Cheating Partner 2019-07-16**

it is uncanny how we all know how it feels like to be cheated but when we are pushed to enumerate what acts constitute cheating in a marriage or in a committed relationship no two women would have the same answers for instance some women feel cheated when their husband or partner habitually checks out or ogles women at the mall they feel that their husband or spouse should have eyes only for them and so when their husband s or partner s eyes stray and get visual stimulation from some other woman s vital statistics they feel threatened and insecure to these women cheating is subjective that is whatever their husband or partner does if it makes them feel like they are on the losing end of a comparison with another woman their position in the relationship is threatened and they feel that they are being cheated on other women are more liberal in the sense that they don t mind if their husbands or partners look as long as they do not call text or flirt with the woman or in any way act upon the visual stimulation then that is not yet cheating they reason that the man cannot help it if he has eyes

some women are still more liberal they don't mind that their husband cultivates friendships with other women as long as no emotional or sexual relationships are created other women don't care if the man in their life beds other women as long as the rent or mortgage is paid the kids don't go hungry the bills are paid and she doesn't get a sexually transmissible disease then it isn't really cheating it is very plain to see that we can only answer the question of how to deal with cheating if we first consider what cheating is after all how can we deal with cheating if we aren't even sure if what the husband or partner is doing can actually be called cheating how can we deal with cheating if no cheating has gone on if we only suspect that he may be cheating or we are afraid that he may be cheating but we have no way of knowing if he is already cheating thus it is important to define what we mean exactly when we say cheating
