what makes work meaningful or meaningless May 25 2023

this article explains how a meaningful work can become meaningless if the company
and the higher authorities don t have the value system and are just forcing people
to work without giving them proper credits and purpose of work

a review of the empirical literature on meaningful work

Apr 23 2023

meaningful work is a topic of importance in core domains of human resource
development hrd such as employee engagement motivation and personal development
however there is little consensus over what comprises meaningful work or concerning
the antecedent and outcome factors associated with meaningfulness
