Authors and Publishers

1897

since publication over ten years ago the translator s invisibility has provoked debate and controversy within the field of translation and become a classic text providing a fascinating account of the history of translation from the seventeenth century to the present day venuti shows how fluency prevailed over other translation strategies to shape the canon of foreign literatures in english and investigates the cultural consequences of the receptor values which were simultaneously inscribed and masked in foreign texts during this period the author locates alternative translation theories and practices in british american and european cultures which aim to communicate linguistic and cultural differences instead of removing them in this second edition of his work venuti clarifies and further develops key terms and arguments responds to critical commentary on his argument incorporates new case studies that include an eighteenth century translation of a french novel by a working class woman richard burton s controversial translation of the arabian nights modernist poetry translation translations of dostoevsky by the bestselling translators richard pevear and larissa volokhonsky and translated crime fiction updates data on the current state of translation including publishing statistics and translators rates the translator s invisibility will be essential reading for students of translation studies at all levels lawrence venuti is professor of english at temple university philadelphia he is a translation theorist and historian as well as a translator and his recent publications include the scandals of translation towards an ethics of difference and the translation studies reader both published by routledge

The Poem I Turn To

2008

charles olson is often described as one of the most influential american poets of the last quarter century some would rather describe him as a cult figure prophet of the black mountain poets and their descendants both judgments refer to an influence exerted as much through theories as through poems here is an examination of olson s understanding of poetry that is cogent and a pleasure to read it provides the framework needed for understanding olson s work mr von hallberg shows us the olson of the 1950s who tried to bring change through teaching who wanted poetry to communicate knowledge as well as the more private poet of the 1960s turning from history to myth olson s ambitions for poetry were based on his sense of cultural politics and the author studies the relation between olson s politics and his poetics he traces too olson s relation to older poets especially ezra pound and william carlos williams his book will interest anyone reading contemporary american poetry

Reports from Select Committees of H.L., and from Joint Select Committee of H.L., and from Joint Select Committee of H.L. and H.C., and Evidence

1898

this engaging study examines sports as both a symbol of american culture and a formative force that shapes american values leverett t smith jr uses high culture in the form of literature and criticism to analyze the popular culture of baseball and professional football he explores the history of baseball through three important events the fixing of the 1919 world series the appointment of judge landis as commissioner of baseball with dictatorial powers and the emergence of babe ruth as the new kind of ball player he also looks at literary works dealing with leisure and sports including those of thoreau twain frost lardner and hemingway finally he documents the emergence of professional football as the national game through the history and writings of former green bay packers coach vince lombardi who emerges as both a critic of the business oriented society and a canny businessman and manager of men himself first paperback edition
