Im Essential World History 2001-08-01

theologian ethicist and political analyst reinhold niebuhr was a towering figure of twentieth century religious thought now newly repackaged this important book gathers the best of niebuhr's essays together in a single volume selected edited and introduced by robert mcafee brown a student and friend of niebuhr's and himself a distinguished theologian the works included here testify to the brilliant polemics incisive analysis and deep faith that characterized the whole of niebuhr's life this fine anthology makes available to a new generation the thought of

one of the most penetrating and rewarding of twentieth century minds reinhold niebuhr remains the great illuminator of the dark conundrums of human nature history and public policy arthur schlesinger jr sparkling gems brought from the shadows of history into contemporary light beautifully selected and edited they show that niebuhr's fiery polemics and gracious assurances still speak with power to us today roger l shinn an extremely useful volume david brion davis new york review of books this collection which brings together niebuhr's most penetrating and enduring essays on theology and politics should demonstrate for a new generation that his best thought transcends the immediate historical setting in which he wrote brown's introduction succinctly presents the central features of niebuhr's life and thought library journal

Outlines and Highlights for Essential World History, Enhanced Edition, Volume II by William J Duiker, Isbn 2009-09

one of the chief difficulties in studying the history of christianity is the lack of prior exposure to the subject that students often bring with them struggling to keep up with the large numbers of names dates and places presented to them it is easy for students to lose sight of the big picture the broad sweep of movement and change that instructors most wish to communicate justo gonzalez has written this book to help students gain just such a quick and basic grasp of the main periods and issues in the history of christianity drawing upon his own extensive experience and that of others he contends that having been introduced to the essentials of church history in a brief and accessible form students are far better able to understand and appreciate what they encounter in more detailed lectures and reading gonzalez provides a comprehensive opening chapter that summarizes major issues and concerns of each of the principal eras of church history subsequent chapters focus on the ancient church the christian empire the middle ages the reformation the seventeenth through nineteenth centuries and the twentieth century and the end of modernity

I. E. -the Essential World History 2007-01-01

the book as object as content as idea as interface what is the book in a digital age is it a physical object containing pages encased in covers is it a portable device that gives us access to entire libraries the codex the book as bound paper sheets emerged around 150 ce it was preceded by clay tablets and papyrus scrolls are those books in this volume in the mit press essential knowledge series amaranth borsuk considers the history of the book the future of the book and the idea of the book tracing the interrelationship of form and content in the book's development she bridges book history book arts and electronic literature to expand our definition of an object we thought we knew intimately contrary to the many reports of its death which has been blamed at various times on newspapers television and e readers the book is alive despite nostalgic paeans to the codex and its printed pages borsuk reminds us the term book commonly refers to both medium and content and the medium has proved to be malleable rather than pinning our notion of the book to a single form borsuk argues we should remember its long history of transformation considering the book as object content idea and interface she shows that the physical form of the book has always been the site of experimentation and play rather than creating a false dichotomy between print and digital media we should appreciate their continuities
