The School of Greatness 2021 mastering the laws of manifestation is the key to attaining any desire and reading see it feel it have it the master key to manifesting your desires is the quickest way to do it by peeking behind the scenes of how the laws of manifestation operate you ll be able witness your desires sprout into existence the laws of manifestation taught and used within the book are far from fantasy in fact you re already using them to manifest everyday both consciously and unconsciously and if you already know a thing or two about manifestation but haven t been able to use it successfully the author can guarantee you that there are only a few small tweaks needed for you to be able to flip the switch and see your desires start to manifest these small tweaks which have the biggest impact are often the difference between success and failure with manifestation and they are hidden within the book for those who are ready to see them once you spot the hidden keys within the book you ll be a master of manifesting through your imagination and sense of feeling furthermore what the author has included within are laws that means they operate under any circumstances but that means that no matter if your desire is good or bad just or unjust these laws can be used to manifest it so the author asks that if you read this book please use these laws to only manifest desires that are pure positive and good or do not read it when the author first stumbled upon these laws he was 21 years old had no clue he was using them and was in charge of 14 4 million dollars in investments joseph graduated college in about half the time of everyone else and shortly after found himself working for the largest privately held investment firm in the world with his own branch his own assistant and in charge of 14 4 million dollars for his investors although because he wasn t consciously aware of the laws he was using to his advantage he ended up peaking and started to lose clients left and right that is until he lost his biggest client chris and decided it was time to quit but once he started to study ancient scriptures and texts he stumbled upon these laws of manifestation and started bending the universe to work in his favor and now that he knows what was really going on when he manifested both his rise and fall he has included that knowledge in see it feel it have it for the people that are ready to see it he has done this as a way for people to have a lot of the same success he s had in manifesting desires without most of the failure if you desire to find the answers you ve been looking for by reading the book right now you ll find them inside but like stated previously what joseph teaches within are laws and the nature of a law is that they operate whether your desires are good or bad so only read this book if you re going to use it to manifest the good and positive in your life or please don t read it at all
