the new english bible translation of the book of daniel with an introduction and commentaries reproduction of the original the book of daniel by f w farrar international experts offer fresh insights into 1 review of scholarship and context 2 near eastern milieu 3 interpretation of specific passages 4 social setting 5 literary context including qumran 6 reception in judaism and christianity 7 textual history and 8 theology of daniel a twelve week study of the book of daniel the book of daniel occupies a unique position in the scriptural canon because of its complex form and the symbolism of its subject matter the contemporary resurgence of interest in apocalyptic literature has created the need for a new commentary which takes into account the most recent developments in the study of daniel professor lacocque's book which combines knowledge of current critical writing about daniel with original exegesis of the text is essential reading for students of the book and of apocalyptic in general the actual commentary on the hebrew and aramaic text is introduced by a discussion of the major problems confronting the reader the name of daniel the apocalyptic genre the chronology of the book and its literary composition the milieu in which apocalyptic was formed the place of daniel in the scriptural canon the use of both hebrew and aramaic the complex plan of the book and a chronological table of the events against which the drama of daniel was supposedly played out the commentary on the book of daniel is printed with andre lacocque's english translation of the biblical text and a verse by verse exegesis of the hebrew and aramaic originals there is a final section reflecting on the significance of the book of daniel for the modern age the teach the text commentary series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively the carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of scripture each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text a verse by verse analysis and commentary on daniel by recognized biblical translation experts explains accepted interpretations noting how various translations have handled these passages and often explaining the nuances of the hebrew original through the story of the brief brave life of a promising poet the president and ceo of new york's metropolitan museum of art evokes the turmoil and tragedy of the vietnam war era in that time tells the story of the american experience in vietnam through the life of michael o donnell a bright young musician and poet who served as a soldier and helicopter pilot o donnell wrote with great sensitivity and poetic force and his best known poem is among the most beloved of the war in 1970 during an attempt to rescue fellow soldiers stranded under heavy fire o donnell's helicopter was shot down in the jungles of cambodia he remained missing in action for almost three decades although he never fired a shot in vietnam o donnell served in one of the most dangerous roles of the war all the while using poetry to express his inner feelings and to reflect on the tragedy that was unfolding around him o donnell's life is both a powerful personal story and a compelling universal one about how america lost its way in the 1960s but also how hope can flower in the margins of even the darkest chapters of the american story unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy the anchor bible series offers new book by book translations of the old and new testament and the apocrypha with commentary this volume on the book of daniel has been prepared by two distinguished biblical scholars from the faculty of the catholic university of america alexander a di lella professor of old testament and the late louis f hartman professor of semitic languages the book of daniel was written as resistance literature to strengthen and console loyal jews of the second century b c who had to endure religious economic and social oppression at the hands of antiochus i the inspiring stories in which daniel and his companions shadrach meshach and abednego survive the ordeals of the lions den and the fiery furnace dramatize for believers of all time the ultimate test of faith the willingness to risk one's life for one's beliefs the book of daniel also includes the famous incident of the handwriting on the wall and recounts the four vivid dream visions or apocalypses which through symbols and signs offered interpretations of history and predictions of future deliverance louis f hartman and alexander a di lella have revealed the profound religious and human dimensions of the daniel stories they present daniel as a colorful and dramatic hero unique in biblical literature an enduring symbol of hope and salvation for all men and women of faith who must suffer for their beliefs from the hardcover edition jessica brennan and her ceo husband kade reunite to fix up their house but may end up rekindling their relationship too this is a reproduction of a book published before 1923 this book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process we believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide we appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book the niv application commentary helps you communicate and apply biblical text effectively in today's context exodus is an exciting story god sends ten plagues upon the egyptians and frees the nation of israel from slavery the first passover occurs moose parts the red sea the ten commandments are proclaimed and the lord dwells among his chosen people how can we apply all of this to our lives now peter enns says that the story of exodus does not truly end until the second coming and hopes that by gaining a deeper understanding of the story we will understand our part in it as a children of god to bring the ancient messages of the bible into today's context each passage is treated in three sections original meaning concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context bridging contexts a bridge between the world of the bible and the world of today built by discerning what is timeless in the timely pages of the bible contemporary significance this section identifies comparable situations to those faced in the bible and explores relevant application of the biblical messages the author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved this unique award winning commentary is the ideal

resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's word with the same powerful impact it had when it was first written. A companion series to the acclaimed Word Biblical Commentary, finding the great themes of the books of the Bible is essential to the study of God's word and to the preaching and teaching of its truths. These themes and ideas are often like precious gems; they lie beneath the surface and can only be discovered with some difficulty. While commentaries are useful for helping readers understand the content of a verse or chapter, they are not usually designed to help the reader trace important subjects systematically within a given book. A Scripture Themes Series helps readers discover the important themes of a book of the Bible. This series distills the theological essence of a given book of Scripture and serves it up in ways that enrich the preaching, teaching, worship, and discipleship of God's people. Volumes in this series, written by top biblical scholars, feature authors who wrote on the same book of the Bible for the Word Biblical Commentary series. Distill deep and focused study on a biblical book into the most important themes and practical applications of them. Give readers an ability to see the big picture of a book of the Bible by understanding what topics and concerns were most important to the biblical writers. Help address pressing issues in the church today by showing readers how the biblical writers approached similar issues in their day. Ideal for sermon preparation and for other teaching in the church. Word Biblical Themes are an ideal resource for any reader who has used and benefited from the Word Biblical Commentary series and will help pastors, Bible teachers, and students as they seek to understand and apply God's word to their ministry and learning.

Excerpt from a critical commentary on the book of Daniel designed especially for students of the English Bible. Since the final closing of the Old Testament canon, which probably took place about 100 B.C., perhaps no work included therein has excited more interest than the much-disputed book of Daniel. Indeed, a mere list of all that has been written both in defence of and against the authenticity of this production would fill a fair-sized volume. It is obviously impossible therefore for a critical treatment of Daniel to be exhaustive in the sense of embodying all the opinions ever advanced regarding the interpretation, authorship, and origin of the work. Nor in view of the immense mass of valueless literature dating from almost every Christian century which exists on the subject would it be desirable to attempt such a task. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at forgottenbooks.com. This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully. Any imperfections that remain are intentionally left to preserve the state of such historical works. This is a collection of several texts that were removed from the Bible centuries ago. This collection covers the material which has been removed from the book of Daniel over time. There is a lengthy and historical introduction discussing the various pieces and explaining their content, and finally the text of the passages themselves. This includes the prayer of Azariah, the song of the three holy children, the story of Susanna, and the elders, the story of the priests of Bel, the story of Daniel slaying the dragon, the story of Daniel returning to the lion's den, and the rarely seen seventh vision of Daniel and fourteenth vision. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant. Prince's insightful commentary on the book of Daniel offers a detailed history of its reception along with a thorough interpretation of its theological themes and literary elements through careful analysis of the text and its historical context. Prince provides an illuminating guide for both novice and seasoned students of the Bible. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Excerpt from *Studies on the Book of Daniel: A Course of Lectures*. The book then embraces two principal subjects: first, the character and conduct of the four monarchs which occupy the period called the times of the Gentiles (Luke 21), namely from the time that God had retired from Jerusalem, His throne being no longer there, and had transferred imperial power over the world to the Gentiles until the time of the re-establishment of His throne; and secondly, the relationship of these nations with Israel, His people, during the period in which the supremacy that had been confided to them was in exercise.
