why do so many single men and women struggle in their search for a spouse it is because human beings are not qualified to find the right mate unassisted how could anyone find the best match without fully knowing in advance the outcome of every possible relationship more than a great partner how to find and keep the right mate demonstrates that finding the right mate is the only assurance of being successful in marriage and that despite the prevailing wisdom there is no shortage of good mates it challenges the notion that being wealthy educated or beautiful makes someone an ideal partner and instead focuses on the inner qualities that both partners must bring in the relationship to make it work thus showing the importance of becoming someone s right mate as a prerequisite to finding the right spouse more than a great partner is not just another book about meeting a great partner through smart dating but one that guides the reader step by step through the tricky adventure of finding his or her god given mate

the author will try to explain and encourage those that are seeking to marry that marriage is a holy estate instituted by god marriage was ordained for the life long companionship help and comfort which husbands and wives ought to have for each other the authors deepest focus points are life long marriage and finding the right mate many married couples do not keep the marriage vows they made because of that i recommend marital counseling before marriage the author does not focus too much on divorce because of his disbelief in divorce it was moises that executed the bill of divorce he did it to protect the women because husbands would divorce their wives for anything just to marry another woman women have a moral personality and are not a thing that men may hand over to another and then take her back again at his pleasure the author believes there is not law instituting or commanding divorce most people use matthew 19 9 where jesus was only explaining what moises meant the marriage that god wants is a marriage of a life long commitment a forever happy home
