~~The Conference at Quebec, 1944-1972~~ robert poste's child is back at cold comfort farm but all is not well flora finds the farm transformed into a twee haven filled with toby jugs and peasant pottery and rooms labelled quiete retreat and greate laundrie it is flora winces exactly like being locked in the victoria and albert museum after closing time worse the farm is hosting a conference of the pretentious international thinkers group a group made up of the sadistic owl mr peccavi loathsome mr mybug and the overpowering mrs ernestine thump and worst of all there are no starkadders at cold comfort farm all the he cousins have gone abroad to make their fortunes and the female cousins are having a pretty thin time of it once again the sensible flora decides to take the situation in hand

Report of the Electrical Conference at Philadelphia, in September, 1884

1886 the year 1919 marks a high point in the world power and prestige of western democracy world war i was ended and the victory belonged to the democratic states theirs was the sober task and the unique opportunity of formulating a settlement that would guarantee impartial justice and preserve the peace dr tillman examines here the documentary account of anglo american diplomatic relations during this critical period he shows the interaction of personalities in both governments the patterns of cooperation and conflict as they negotiated major issues of war and of peace and the political repercussions in both england and america that led either to compromise or to defeat of some of the best purposes of the versailles treaty originally published in 1961 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of princeton university press these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the princeton legacy library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by princeton university press since its founding in 1905
A true relation of that which passed in a conference, at the end of Paternoster-Rowe, called Amen 1624 more than 200 airmen and historians met in washington d c on april 13 and 14 1984 to discuss the men who have led american air forces the first century of air power is drawing to a close and though some retired air leaders joined in the discussion many have passed from the scene what kind of men were they what kind of leaders were they what can we learn from their experience the conference approached broad questions of leadership by taking a close look at two air leaders rear adm william a moffett 1869-1933 and gen carl a spaatz 1891-1974 while chief of the navy's bureau of aeronautics during the 1920s moffett did as much as anyone to nurture air power within the navy spaatz on the other hand helped to lead the increasingly autonomous army air forces during world war ii and became the first chief of staff of the independent air force when it separated from the army in 1947 despite the major roles played by moffett and spaatz in the development of american air power there has been little biographical work on them until recently a decade ago alfred goldberg chief historian in the office of the secretary of defense contributed an essay on spaatz to field marshal sir michael carver's the war lords richard g davis an air force historian has just completed a dissertation on spaatz's service in world war ii meanwhile the air force historical foundation has sponsored a biography of spaatz by lt col david r mets usaf retired and the first fruit of his effort is one of two essays on spaatz published here the other is by maj gen i b holley jr usaf retired who has drawn upon his many years as a professor of military history and biography the wonderful

Anglo-American Relations at the Paris Peace Conference of 1919

2015-12-08 the 1955 asian african conference the bandung conference was a meeting of 29 asian and african nations that sought to draw on asian and african nationalism and religious traditions to forge a new international order that was neither communist nor capitalist it led six years later to the non aligned movement few would dispute the notion that the inaugural meeting in 1955 was a watershed in international history but there is much disagreement about its long term legacy and its significance for present day international affairs determining the what why and how of this monumental event remains a challenge for students of the conference and of third world international politics was it a post colonial ideological reaction to the passing of the age of empire or an innovative effort to promote a new regionalism based on mutual goodwill and strong regional ties were its principles of peaceful coexistence a rhetorical flourish or a substantive policy initiative did the conference help define north south relations and in what way did the conference contribute to the regional order of contemporary asia back cover
