The Secret of You and Me

2020-08-04

a thrilling domestic drama set against the power of the wilderness rea frey s secrets of our house is a deeply felt novel of long held secrets and the strength of family desi is the mastermind behind her dream getaway house nestled high into the mountains of north carolina it is a sleek place a luxurious place a dark place a place full of secrets secrets about the man she longs for a man who is not her husband secrets about the roots of her family that must never ever see the light of day when desi and her family arrive from chicago to spend the summer in the mountains the seeds for the tumultuous months to follow are planted her marriage on the rocks not knowing which way they ll go her seventeen year old daughter

jules falling in love for the first time with a local boy and forging a new path that will take her to uncharted places and carter a man desi knew long ago before she expunged him from her life for good all hurtling toward events none of them can undo engaging propulsive and with a dramatic heart pounding final act secrets of our house is a dazzling novel richly drawn that shows no matter how hard outside forces may shake you the bonds of family are stronger than the harshest winds

The Secret of the Stones

2005

this captivating breakout novel told in alternating viewpoints brings readers from the skies of world war ii to the present day where a woman is prepared to tell her secrets at last estranged from her family since just after world war ii mary browning has spent her entire adult life hiding from her past now eighty seven years old and a widow she is still haunted by secrets and fading memories of the family she left behind her one outlet is the writing group she s presided over for a decade though she s never written a word herself when a new member walks in a fifteen year old girl who reminds her so much of her beloved sister sarah mary is certain fate delivered elyse strickler to her for a reason mary hires the serious eyed teenager to type her story about a daring female pilot who during world war ii left home for the sky and gambled everything for her dreams including her own identity as they begin to unravel the web of mary s past mary and elyse form an unlikely friendship together they discover it s never too late for second chances and that sometimes forgiveness is all it takes for life to take flight in the most unexpected ways

The Secrets of Solomon

2019-01-05

after helping my steady dragon zav with his family problems i thought life would get back to normal as normal as it can be when you re a hit woman responsible for hunting down bad guys that was before a strange artifact showed up in a bog and turned my ancient dwarven sword into a magical beacon now my enemies can sense it from hundreds of miles away more than that every club toting over muscled orc ogre and troll who would like a magic sword can sense it usually fighting off opportunists wouldn t be a problem they don t call me ruin bringer without reason but even i can only handle so many attacks at a time and zav isn t as much help as you d think since he s busy on a quest for a ring no it s not a lord of the rings kind of quest my boss put it in zav s head that since we re mated in the dragon way we should also be married in the human way now he s off to find the perfect engagement ring given his taste in human footwear i may be in trouble for more reasons than my marked sword not only is there no chance of my life getting back to normal any time soon but if i can t figure out how to fix my sword i ll be dead long before i can get married

The Secrets of Scotland

2005

two distinguished linguists on language the history of science misplaced euphoria surprising facts and potentially permanent mysteries in the secrets of words influential linguist noam chomsky and his longtime colleague andrea moro have a

wide ranging conversation touching on such topics as language and linguistics the history of science and the relation between language and the brain moro draws chomsky out on today s misplaced euphoria about artificial intelligence chomsky sees lots of hype and propaganda coming from silicon valley the study of the brain chomsky points out that findings from brain studies in the 1950s never made it into that era s psychology and language acquisition by children chomsky in turn invites moro to describe his own experiments which proved that there exist impossible languages for the brain languages that show surprising properties and reveal unexpected secrets of the human mind chomsky once said it is important to learn to be surprised by simple facts an expression of yours that has represented a fundamental turning point in my own personal life says moro and this is something of a theme in their conversation another theme is that not everything can be known there may be permanent mysteries about language and other matters not all words will give up their secrets
