not the discoveries and this was the reaction of the md of minewell pvt ltd to desai's
sincere efforts to move the firm out of the crisis by experimenting with six sigma
methodology apart from embracing a tough mission of developing critical products of
mining machinery as his first professional assignment full of challenges and
complexities coupled with life threatening experiences at highly uncomfortable and
dangerous mining fields desai our young engineer also encounters with minewell's
chronic problem of late deliveries they are miserably failing to maintain the
delivery commitments made to their customers he experiments with six sigma
breakthrough business improvement strategy to save the jeopardizing business of
minewell first by understanding the theory and then convincing the company
management to go for it let's see how far desai can go with his tool kit backed up
by his nothing but excellence attitude and ask theory as taught by his father
