star wars the acolyte everything we know so far Mar 27 2023

the plot the acolyte takes place 100 years before episode 1 an era when the dark powers start to gather in the shadows when a star wars story focuses on a force user leaving the jedi order in preference of the sith or even in preference of nothing at all it never paints the jedi in a complimentary light and often rightfully so

grinds my gears top 5 gw miniatures bell of lost souls Feb 23 2023

1 multiple part heads sample kits gorechosen of dromm if i thought the 2 part heads would give me more options i would be excited but all of them are basically either a funky add on for the hair or just another way to slap on a different boring face
