I Cover the Waterfront 2014-09-02 distinctive original fresh in in tone and manner with a quaint whimsicality of feeling and expression the new york times life on the western waterfront has always fascinated max miller a special reporter for the san diego sun embraced by all the waterfront folk he has joined them on their cruises has learned the mystery of their crafts and knows them like brothers max himself has become a part of the waterfront not a fishing boat ties up to the wharf without max miller getting the story not a submarine comes in nor an airplane soars out over the water without max miller s being invited to go he is one of the first men to climb up the ladder of the pacific lines especially when celebrities are aboard a combination of newspaper reporter philosopher and poet the author writes his charming sketches in his studio upstairs in the tugboat office where he can look out over his domain but reporting is not simply a job with max miller it is the greatest pleasure of his life he delights in setting down his impressions of the western shore where life is a constant flux and reflux seasonal immutable and yet ever exciting the departure of the sardine fleet the hunt for elephant seals for the zoo the sailing of the california fruit liners i cover the waterfront was first published in the early 1930s and has since gone on to become a classic it is as memorable for its unique stories as it is for its individual style so keenly sensitive to the personalities of men and to the romantic environment of the harbor and deep sea life

On the Waterfront 2013-01-22 in today s film world parts of waterfront do not work as well as they once did occasionally the film seems contrived or overly familiar at times the theme was too obvious going overboard with its preachy tone but the passion comes through passion never changes the films basic theme heroism standing up for what one believes in the face of seemingly overwhelming opposition and for trying to change things for the better is ageless even with its few flaws waterfront with its dynamic cinematic conflict and rich textured characters is on the afi list of one of the top best films of twentieth century holding position eight waterfront has withstood the test of time primarily because it is a good story brilliantly filmed its overall grittiness and the remarkable performances of marlon brando rod steiger and lee j cobb s brando s performance is still widely considered one of the greatest performances ever in film

The Waterfront 1982 divschulberg s academy award winning screenplay about ex boxer and dock worker terry malloy whose talent made him a contender and whose courage will make him a hero dividiv the film on the waterfront garnered eight oscars the leading role of terry malloy was perhaps marlon brando s tour de force but none of these achievements would have been possible without the explosive inspired script written by budd schulberg the story of stevedores sweating and dying for a corrupt mob run union and one former boxer s quixotic fight for dignity stands among the most iconic narratives of american cinema deeply influenced by schulberg s own reporting on new york and new jersey crime families unions and the boxing world as well as on earlier reporting by malcolm johnson this screenplay represents a singular confluence of american artistry and political history dividiv dividivthis ebook features an illustrated biography of budd schulberg including rare images and never before seen documents from the author s estate div

On the Waterfront: The Final Shooting Script 2012-07-31 building on his academy award winning screenplay of the classic film budd schulberg s on the waterfront is the story of ex prizefighter terry malloy s valiant stand against corruption on the new jersey docks it generates all the power grittiness and truth of that great production but goes beyond it in set and setting it is a novel of strength and fallibility of hope and defeat of love and betrayal in his introduction mr schulberg writes the film s concentration on a single dominating character brought close to the camera eye made it esthetically inconvenient if not impossible to set terry s story in its social and historical perspective suggesting the knotted complexities of the world of the waterfront that loops around new york

On the Waterfront 2009 until the mid 20th century organised crime ruled new york s waterfront then malcolm johnson s groundbreaking series crime on the waterfront appeared in the new york sun revealing a violent underworld that influenced all levels of new york s politics society and industry johnson s extensive investigation finally forced the government to take action and led to changes in law that affected the whole country collected for the first time these pulitzer prize winning articles tell the riveting story of mobsters murder faith and the ultimate victory of fair play

On the Waterfront 2005 i could have been a contender i could have been somebody so speaks the haunted former boxer terry malloy marlon brando to his brother charley rod steiger in a scene from on the waterfront elia kazan 1954 that is one of the most famous in all cinema set among unionised new york longshoremen kazan s film from a screenplay by budd schulberg recounts terry s struggle against corruption and his ultimate hard won victory the marvellous

performances of brando steiger and eva marie saint as well as karl malden and lee j cobb boris kaufman s photography and leonard bernstein s score all justify the film s fame but on the waterfront is also notorious regarded by many as an attempt at justifying the decision on the part of kazan and schulberg to name names before the house unamerican activities committee that controversial decision is still incendiary today as was evidenced in the furore that surrounded kazan s academy award for lifetime achievement in 1999 with kazan s death in 2003 and brando s in 2004 a reappraisal of on the waterfront is timely and necessary in this definitive study leo braudy tells the complicated story of the film s production he revisits the facts behind the controversy of kazan s testimony but above all he analyses the elements which contribute to the enduring appeal of on the waterfront the method inspired acting the music and cinematography the use of authentic locations and its powerfully symbolic depiction of post war american values

On the Waterfront 2019-07-25 divbudd schulberg s academy award winning screenplay updated as a stage drama for modern audiences first performed in 1988 and again on broadway in 1995 budd schulberg and stan silverman s stage version of on the waterfront may represent the purest incarnation of his classic story produced forty years after the movie swept the academy awards the subtly modernized stage play was a call to arms for a new generation with this rendition schulberg and silverman hoped to reach young people who seemed detached from the dehumanizing effects of poverty and the exploitation of society s most vulnerable set in the 1950s and featuring original protagonists terry malloy and father pete barry on the waterfront continues to stand as a masterful and uniquely american tragedy this ebook features an illustrated biography of budd schulberg including rare images and never before seen documents from the author s estate div

On the Waterfront: The Play 2012-07-31 empires on the waterfront offers a new spatial framework for understanding japan s extended transition into the modern world of nation states this study examines a largely unacknowledged system of special trading ports that operated under full japanese jurisdiction in the shadow of the better known treaty ports by allowing japan to circumvent conditions imposed on treaty ports the special trading ports were key to achieving autonomy and regional power catherine l phipps uses an overtly geographic approach to demonstrate that the establishment of japan s maritime networks depended on initiatives made and carried out on multiple geographical scales global national and local the story of the special trading ports unfolds in these three dimensions through an in depth assessment of the port of moji in northern kyushu empires on the waterfront recasts the rise of japan s own empire as a process deeply embedded in the complicated system of maritime relations in east asia during the pivotal second half of the nineteenth century Empires on the Waterfront 2020-05-11 former boxer terry malloy and his brother charley the crooked lawyer known to all as the gent are members of the tough mobster connected new york longshoremen union run by johnny friendly johnny and his goons rule the waterfront with an iron fist meaning that if you want to stay alive you do things johnny s way plead d d deaf and dumb on the waterfront is one of the most gripping tales of political corruption and individual heroism of our time the 1954 film starring marlon brando achieved massive critical acclaim and went on to win eight oscars including best actor for brando as well as best film and best screenplay for schulberg on the waterfront is rightly considered a modern classic and is as powerful a read today as it was fifty years ago

On The Waterfront 2013-04-29 fusing history lore politics culture and on site adventures esteemed essayist and author phillip lopate takes us on an exuberant affectionate and eye opening excursion around manhattan s shoreline waterfront captures the ever changing character of new york in the best way possible on a series of exploratory walks conducted by one of the city s most engaging and knowledgeable guides starting at the battery and moving at a leisurely pace along the banks of the hudson and east rivers lopate describes the infrastructures public spaces and landmarks he encounters along with fascinating insights into how they came to be unpeeling layers of myth and history he reveals the economic ecological and political concerns that influenced the city s development reporting on everything from the building of the brooklyn bridge to the latest projects dotting the shorelines new york s waterfront has undergone a three stage revaluation from the world s largest port to an abandoned seedy no man s land to a highly desirable zone of parks and upscale retail and residential properties each metamorphosis only incompletely shedding earlier associations physically no area of new york city has changed as dramatically as the shoreline thanks to natural processes and the use of landfill dredging and other interventions everywhere phillip lopate walked on the waterfront he saw the present as a layered accumulation of older narratives he set about his task by trying to read the city like a text one textual layer is the past going back to the lenape indians captain kidd and

melville's sailors another is the present whatever or whoever was popping up in his view at the moment a third layer contains the constructed environment the architecture or piers or parks currently along the shore another layer still is his personal history the memories recalled by visiting certain spots yet another consists of the city's incredibly rich cultural record the literature films and artwork that threw a reflecting light on the matter at hand and finally there is the invisible or imagined layer what he thinks should be on the waterfront but is not waterfront is studded with short diversions where lopate expounds on some of the greater issues characters and sites of manhattan's shoreline be it a revisionist examination of robert moses the effect of shipworms on the city's piers and foundations the battle over westway the dream of public housing the legacy of joseph mitchell a wonderful passage about the longshoremen and elia kazan's on the waterfront or the meaning of the world trade center lopate punctuates this marvelous journey with the sights and sounds and words of a world like no other a rich and impressive work by an undisputed master stylist waterfront takes its rightful place next to other literary classics of new york such as e b white's here is new york and joseph mitchell's up in the old hotel it is an unparalleled look at new york's landscape and history and an irresistible invitation to meander along its outermost edges

Stories of the Waterfront 1984 during the 1910s and 1920s the philadelphia waterfront was home to the most durable interracial multiethnic union seen in the united states prior to the congress of industrial organizations cio era for much of its time local 8's majority was african american and included immigrants from eastern europe as well as many irish americans in this important study peter cole examines how local 8 affiliated with the industrial workers of the world iww accomplished what no other did at the time he also shows how race was central not only to the rise but also to the decline of local 8 as increasing racial tensions were manipulated by employers and federal agents bent on the union's destruction

Waterfront 2008-12-18 with working lives characterized by exploitation and rootlessness merchant seamen were isolated from mainstream life yet their contacts with workers in port cities around the world imbued them with a sense of internationalism these factors contributed to a subculture that encouraged militancy spontaneous radicalism and a syndicalist mood bruce nelson's award winning book examines the insurgent activity and consciousness of maritime workers during the 1930s as he shows merchant seamen and longshoremen on the pacific coast made major institutional gains sustained a lengthy period of activity and expanded their working class consciousness nelson examines the two major strikes that convulsed the region and caused observers to state that day to day labor relations resembled guerilla warfare he also looks at related activity from increasing political activism to stoppages to defend laborers from penalties refusals to load cargos for mussolini's war in ethiopia and forced boardings of german vessels to tear down the swastika

Wobblies on the Waterfront 2010-10-01 this novel was published after the movie on the waterfront and more closely approximates schulberg's screenplay than does the film the novel centers on mob activity at the docks in new york and new jersey

I Cover the Waterfront 1938 making telling use of hundreds of photographs ann breen and dick rigby analyze key waterfront developments from around the world in seven major themes commercial public enjoyment of the waterfront via cafes and restaurants hotels shopping and socializing cultural and educational in which museums and concert halls ecological parks and modern aquariums are made attractive and accessible historic with a focus on the structures of past generations modernized to take into account today's needs and tastes recreational parks and walkways marinas and play areas residential urban projects rather than resorts and working waterfronts featuring today's continued industrial uses of center city waterfronts an often forgotten aspect of the new waterfront the authors also select some of the most dramatic waterfront makeovers for inclusion in a separate chapter on major transformations these include vast projects but also smaller efforts with significant community impact dozens of schemes are discussed in detail and nearly a hundred are put into context in the illustrated gazetteer at the end of the book revealing waterfront regeneration as a truly universal phenomenon of our time authoritatively written meticulously researched and spectacularly illustrated the new waterfront is an indispensable resource for architects urban planners developers landscape designers and students a book that will also have a much wider appeal for anyone lured by the attraction of the water's edge

Waterfront 1966 growing up during the great depression kaye williams began his lifelong fascination with ships and the waterfront the ships were passing tugboats freighters and lumber schooners and the waterfront was in bridgeport connecticut a gritty industrial city on the shores of long island sound and

once the home of p t barnum after marrying his teenage sweetheart vivian kaye pursued careers as an ironworker boat dealer and lobsterboat captain but it was his fourth career that attracted international attention the creation of captain s cove seaport and the restoration of the rose the replica of an eighteenth century british frigate captain s cove seaport began an urban revival in a crime ridden backwater corner of bridgeport by restoring the rose kaye created an internationally renowned sailing training vessel that became connecticut s official state ship and he didn t stop there building a replica of an early aircraft led to a friendship with retired chief justice warren burger a wedding that was moved from the north pole to a baltimore courthouse and the involvement of russian sailors on a bill of rights bicentennial tour aboard the rose man of the waterfront is both a compelling human drama and a look at the social impact of efforts to revive a mid sized industrial city honorable mention for general non fiction at the 2012 new england book festival and honorable mention for biographies at the 2013 great northwest book festival

Workers on the Waterfront 1990 the inside story of the making of the film classic on the waterfront

Waterfront 1955 site of the world s busiest and most lucrative harbor throughout the first half of the twentieth century the port of new york was also the historic preserve of irish american gangsters politicians longshoremen s union leaders and powerful roman catholic pastors this is the demimonde depicted to stunning effect in elia kazan s on the waterfront 1954 and into which james t fisher takes readers in this remarkable and engaging historical account of the classic film s backstory fisher introduces readers to the real father pete barry featured in on the waterfront john m pete corridan a crusading priest committed to winning union democracy and social justice for the port s dockworkers and their families a jesuit labor school instructor not a parish priest corridan was on but not of manhattan s west side irish waterfront his ferocious advocacy was resisted by the very men he sought to rescue from the violence and criminality that rendered the port a jungle an outlaw frontier in the words of investigative reporter malcolm johnson driven off the waterfront corridan forged creative and spiritual alliances with men like johnson and budd schulberg the screenwriter who worked with corridan for five years to turn johnson s pulitzer prize winning 1948 newspaper exposé into a movie fisher s detailed account of the waterfront priest s central role in the film s creation challenges standard views of the film as a post facto justification for kazan and schulberg s testimony as ex communists before the house committee on un american activities on the irish waterfront is also a detailed social history of the new york new jersey waterfront from the rise of irish american entrepreneurs and political bosses during the world war i era to the mid 1950s when the emergence of a revolutionary new mode of cargo shipping signaled a radical reorganization of the port this book explores the conflicts experienced and accommodations made by an insular irish catholic community forced to adapt its economic political and religious lives to powerful forces of change both local and global in scope

The New Waterfront 1996 through careful research and colorful accounts historian paul a gilje discovers what liberty meant to an important group of common men in american society those who lived and worked on the waterfront and aboard ships in the process he reveals that the idealized vision of liberty associated with the founding fathers had a much more immediate and complex meaning than previously thought in liberty on the waterfront american maritime culture in the age of revolution life aboard warships merchantmen and whalers as well as the interactions of mariners and others on shore is recreated in absorbing detail describing the important contributions of sailors to the resistance movement against great britain and their experiences during the revolutionary war gilje demonstrates that while sailors recognized the ideals of the revolution their idea of liberty was far more individual in nature often expressed through hard drinking and womanizing or joining a ship of their choice gilje continues the story into the post revolutionary world highlighted by the quasi war with france the confrontation with the barbary pirates and the war of 1812

Man of the Waterfront 2012-07-01 before his death from aids in 1992 david wojnarowicz became known in the 1980s as an outspoken aids activist anticensorship advocate artist and writer written as short monologues each of these powerful early works of autobiographical fiction is spoken in the voice of a character he stumbles upon during travels throughout america

On the Waterfront: the Making of a Great American Film 2010-12-08 on the waterfront came perilously close to never being produced because as darryl zanuck put it when he rejected the script who s going to care about a lot of sweaty longshoremen zanuck could not see that on the waterfront was a natural sequel to the grapes of wrath and how green was my valley his rejection of the script sent elia kazan and budd schulberg on a seemingly hopeless quest for a producer to make their film both kazan and schulberg had been bitten by the

waterfront bug kazan having aborted a project he had begun with arthur miller and schulberg having a possible dramatization of malcolm johnson s pulitzer prize winning series of articles crime on the waterfront fail to materialize with their decision schulberg went down on the docks to research the more than 750 miles of shoreline containing 1 800 piers over a year of research had gone into the script schulberg and kazan carried from studio to studio to studio their despair was made whole when the hollywood reporter reported their grim odyssey in a gossip column they retreated to their hotel room and schulberg booked an early flight east at this point sam spiegel dropped in to invite them to a party in his room across the hall and learned of their plight a story session in spiegel s room at seven in the morning with spiegel in bed sheet and blanket drawn up under his chin wrested a murmured i ll do it we ll make the picture

On the Irish Waterfront 2011-01-15 terry malloy dreams about being a prize fighter while running errands at the docks for johnny friendly the corrupt boss of the docker s union terry witnesses a murder by two of johnny s thugs he later meets father barry who tries to force terry to provide information for the courts that will smash the dock racketeers

On the Waterfront 1964 some cities have long treasured waterfront promenades many cities have recently built ones and others have plans to create them as opportunities arise beyond connecting people with urban water bodies waterfront promenades offer many social and ecological benefits they are places for social gathering for physical activity for relief from the stresses of urban life and where the unique transition from water to land eco systems can be nurtured and celebrated the best are inclusive places welcoming and accessible to diverse users this book explores urban waterfront promenades worldwide it presents 38 promenade case studies as varied as vancouver s extensive network that has been built over the last century the classic promenades in rio de janeiro the promenades in stockholm s recently built hammarby sjöstad eco district and the ma on shan promenade in the hong kong new territories analyzing their physical form social use the circumstances under which they were built the public policies that brought them into being and the threats from sea level rise and the responses that have been made based on wide research urban waterfront promenades examines the possibilities for these public spaces and offers design and planning approaches useful for professionals community decision makers and scholars extensive plans cross sections and photographs permit visual comparison

Waterfront [chart]. 2004 the sea and a mighty river dominate greater vancouver dramatic stories abound along its waterfront of this place its people ships and events that shaped a city a region and a nation waterfront is a magnificently illustrated authoritative and lively tour of the dynamic ebb and flow between the water the surrounding land and above all the people who strove and dreamed along the waterfront pub desc

Waterfront 1957 these three inter related stories describe the lives of three generations of the mcgowan family and their personal battles to make a living by working on the boston waterfront the common thread that runs through them is the challenges presented by the shape up or pick up system a procedure that was archaic and rife with favoritism and was the sole determining factor whether you received a salary that day the longshoremen details the working conditions and challenges of working on the boston waterfront and is based on the real life experiences of longshoremen page 4 cover

Liberty on the Waterfront 2012-04-17 fusing history lore politics culture and on site adventures esteemed essayist and author phillip lopate takes us on an exuberant affectionate and eye opening excursion around manhattan s shoreline waterfront captures the ever changing character of new york in the best way possible on a series of exploratory walks conducted by one of the city s most engaging and knowledgeable guides starting at the battery and moving at a leisurely pace along the banks of the hudson and east rivers lopate describes the infrastructures public spaces and landmarks he encounters along with fascinating insights into how they came to be unpeeling layers of myth and history he reveals the economic ecological and political concerns that influenced the city s development reporting on everything from the building of the brooklyn bridge to the latest projects dotting the shorelines new york s waterfront has undergone a three stage revaluation from the world s largest port to an abandoned seedy no man s land to a highly desirable zone of parks and upscale retail and residential properties each metamorphosis only incompletely shedding earlier associations physically no area of new york city has changed as dramatically as the shoreline thanks to natural processes and the use of landfill dredging and other interventions everywhere phillip lopate walked on the waterfront he saw the present as a layered accumulation of older narratives he set about his task by trying to read the city like a text one textual layer is the past going back to the lenape indians captain kidd and melville s sailors another is the present whatever or whoever was popping up in

his view at the moment a third layer contains the constructed environment the architecture or piers or parks currently along the shore another layer still is his personal history the memories recalled by visiting certain spots yet another consists of the city's incredibly rich cultural record the literature films and artwork that throw a reflecting light on the matter at hand and finally there is the invisible or imagined layer what he thinks should be on the waterfront but is not waterfront is studded with short diversions where Lopate expounds on some of the greater issues characters and sites of Manhattan's shoreline be it a revisionist examination of Robert Moses the effect of shipworms on the city's piers and foundations the battle over Westway the dream of public housing the legacy of Joseph Mitchell a wonderful passage about the longshoremen and Elia Kazan's on the waterfront or the meaning of the world trade center Lopate punctuates this marvelous journey with the sights and sounds and words of a world like no other a rich and impressive work by an undisputed master stylist waterfront takes its rightful place next to other literary classics of New York such as E. B. White's *Here is New York* and Joseph Mitchell's *Up in the Old Hotel* it is an unparalleled look at New York's landscape and history and an irresistible invitation to meander along its outermost edges
