**74 Days** 1984 the inspiring post civil war history of the gullah people on hilton head island as told by their descendants

**74 Days an Islander's Diary of Falklands Occupation** 1984 spending the summer with his grandmother on south carolina s dewees island eleven year old jake finds two friends who are also struggling with family issues and together they try to save a sea turtle nest from predators

**The People of the Chathams** 1994 the inhabitants of halcyon island are ruled by the laws of the deliverer and follow the same customs and traditions that have prevailed for hundreds of years the laws state no incomers but when thomas and molly find a shipwrecked canoe with a boy and girl barely alive inside they are determined not to reject them outright new blood on the island is bound to cause a disturbance but the effects the incomers have on the close knit community are beyond anyone s predictions

**Gullah Days** 2019-10-29 this book is a collection of interwoven historical narratives that present an intriguing and little known account of the ogasawara bonin archipelago and its inhabitants the narratives begin in the seventeenth century and weave their way through various events connected to the ambitions hopes and machinations of individuals communities and nations at the center of these narratives are the bonin islanders originally an eclectic mix of pacific islanders americans british french german portuguese italian and african settlers that first landed on the islands in 1830 the islands were british sovereign territory from 1827 to 1876 when the japanese asserted possession of the islands based on a seventeenth century expedition and a myth of a samurai discoverer as part of gaining sovereign control the japanese government made all island inhabitants register as japanese subjects of the national family register the islanders were not literate in japanese and had little experience of japanese culture and limited knowledge of japanese society but by 1881 all were forced or coerced into becoming japanese subjects by the 1930s the islands were embroiled in the pacific war all inhabitants were evacuated to the japanese mainland until 1946 when only the descendants of the original settlers were allowed to return in the postwar period the islands fell under u s navy administration until they were reverted to full japanese sovereignty in 1968 many descendants of these original settlers still live on the islands with family names such as washington gonzales gilley savory and webb this book explores the social and cultural history of these islands and its inhabitants and provides a critical approach to understanding the many complex narratives that make up the bonin story

**The Islanders** 2022-05-17 between 1946 and 1958 the u s conducted some 66 nuclear bomb tests in the marshall islands in 1959 this scattering of coral atolls was again chosen as the testing site for a new generation of weapons long range missiles fired in the u s then in 1984 a missile fired from california was intercepted by one from kwajalein atoll sdi or star wars was declared a realizable dream as military researcher owen wilkes has noted if we could shut down the pacific missile range we could cut off half the momentum of the nuclear race this is the story of the preparations for war which every day impinge on tire lives of pacific islanders caught on the cutting edge of the nuclear arms race it is the story of a displaced people contaminated by nuclear fallout forcibly resettled as their own islands become uninhabitable and reduced to lives of poverty ill health and dependence it is also a stirring account of the marshall islanders themselves of their resilience and protest and of their attempts to seek redress in the courts it is a shocking and timely study

**The Islanders** 2011-04-30 featuring traditions records and lore this his lively detailed book explores the personalities events and facts every new york islanders fan should know whether you were there for each of the franchise s four stanley cups or are just diving in these are the 100 things every fan needs to know and do in their lifetime the athletic s arthur staple has collected every essential piece of isles knowledge as well as must do activities and ranks them all from 1 to 100 covering important dates behind the scenes tales memorable moments and outstanding achievements by the likes of denis potvin mike bossy bryan trottier and billy smith this is the ultimate resource guide for all islanders faithful

The Bonin Islanders, 1830 to the Present 2016-02-23 a tale of murder artistic rivalry and literary trickery a chinese puzzle of a novel where nothing is quite what it seems a narrator whose agenda is artful and subtle a narrative that pulls you in and plays an elegant game with you the dream archipelago is a vast network of islands the names of the islands are different depending on who you talk to their very locations seem to twist and shift some islands have been sculpted into vast musical instruments others are home to lethal creatures others the playground for high society hot winds blow across the archipelago and a war fought between two distant continents is played out across its waters the islanders serves both as an untrustworthy but enticing guide to the islands an intriguing multi layered tale of a murder and the suspect legacy of its appealing but definitely untrustworthy narrator it shows christopher priest at the height of his powers and illustrates why he has remained one of the country s most prized novelists christopher priest is a genre leading author of sff fiction his novel the prestige won a number of awards and was adapted into a critically acclaimed oscar nominated film directed by christopher nolan tenet inception starring hugh jackman the greatest showman x men christian bale the big short batman begins michael caine the italian job and scarlett johansson marriage story the avengers

*Day of Two Suns* 1998-04-21 falkland islanders were the first british people to come under enemy occupation since the channel islanders during the second world war this book tells how islanders warnings were ignored in london how their slim defenses gave way to a massive invasion and how they survived occupation while some established a cautiously pragmatic modus vivendi with the occupiers some islanders opted for active resistance using banned radios to transmit intelligence and confuse the argentinians others joined advancing british troops transporting ammunition and leading men to the battlefields they often came under argentine fire islanders leaders and trouble makers faced internal exile and whole settlements were imprisoned becoming virtual hostages those who remained in besieged stanley found themselves in the same dangerous situation as their enemy enduring british naval shelling artillery attacks and bombing raids

**100 Things Islanders Fans Should Know & Do Before They Die** 2021-11-09 originally published in 1922 this book was based upon fieldwork carried out in the andaman islands during the years 1906 to 1908

**The Islanders** 2011-09-22 one of my own favorite writers elin hilderbrand named a best beach read of summer by vulture purewow she reads and women com j courtney sullivan s maine meets the works of elin hilderbrand in this delicious summer read involving three strangers one island and a season packed with unexpected romance well meaning lies and damaging secrets anthony puckett was a rising literary star the son of an uber famous thriller writer anthony s debut novel spent two years on the bestseller list and won the adoration of critics but something went very wrong with his second work now anthony s borrowing an old college s friend s crumbling beach house on block island in the hopes that solitude will help him get back to the person he used to be joy sousa owns and runs block island s beloved whoopie pie café she came to this quiet space eleven years ago newly divorced and with a young daughter and built a life for them here to her customers and friends joy is a model of independence hard working and happy and mostly she is but this summer she s thrown off balance a food truck from a famous new york city brand is roving around the island selling goodies and threatening her business lu trusdale is spending the summer on her in laws dime living on block island with her two young sons while her surgeon husband commutes to the mainland hospital when lu s second son was born she and her husband made a deal he d work and she d quit her corporate law job to stay home with the boys but a few years ago lu quietly began working on a private project that has becoming increasingly demanding on her time torn between her work and home she s beginning to question that deal she made over the twelve short weeks of summer these three strangers will meet and grow close will share secrets and bury lies and as the promise of june turns into the chilly nights of august the truth will come out forcing each of them to decide what they value most and what they are willing to give up to keep it

**Falkland Islanders at War** 2006-09-15 the nhl's new york islanders were struggling after winning four straight stanley cups in the early 1980s the islanders had suffered an embarrassing sweep by their geographic rivals the new york rangers in the first round of the 1994 playoffs hoping for a new start the islanders swapped out their distinctive logo which featured the letters ny and a map of long island for a cartoon fisherman wearing a rain slicker and gripping a hockey stick the new logo immediately drew comparisons to the mascot for gorton's frozen seafood and opposing fans taunted the team with chants of we want fish sticks during a rebranding process that lasted three torturous seasons the islanders unveiled a new mascot new uniforms new players a new coach and a new owner that were supposed to signal a return to championship glory instead the team and its fans endured a twenty eight month span more humiliating than what most franchises witness over twenty eight years the islanders thought they had traded for a star player to inaugurate the fisherman era but he initially refused to report and sulked until the general manager banished him fans beat up the new mascot in the stands the new coach shoved and spit at players the islanders were sold to a supposed billionaire who promised to buy elite players he turned out to be a con artist and was sent to prison we want fish sticks examines this era through period sources and interviews with the people who lived it

**The Andaman Islanders** 2013-11-14 englishman goes on emigrant ship to california in the gold rush days

**The Islanders** 2019-06-11 reactions of the torres strait islanders australia's other indigenous minority to colonialism and their position in australian society are compared with the aborigine experience

*We Want Fish Sticks* 2018 reproduction of the original time and its measurement by james arthur

Morning Light 1947 the solomon islands campaign of world war ii has been the subject of many published historical accounts most of these accounts present an outsider perspective with limited reference to the contribution of indigenous solomon islanders as coastwatchers scouts carriers and labourers under the royal australian navy and other allied military units where islanders are mentioned they are represented as loyal helpers the nature of local contributions in the war and their impact on islander perceptions are more complex than has been represented in these outsiders perspectives islander encounters with white american troops enabled self awareness of racial relationships and inequality under the colonial administration which sparked struggles towards recognition and political autonomy that emerged in parts of the british solomon islands protectorate in the postwar period exploitation of postwar military infrastructure by the colonial administration laid the foundation for later sociopolitical upheaval experienced by the country in the aftermath of the 1998 crisis the supposed unity and pride that prevailed among islanders during the war has been seen as an avenue whereby different ethnic identities can be unified this national unification process entailed the construction of the pride of our nation monument that aims to restore the pride and identity of solomon islanders

**Torres Strait Islanders** 1987 the only complete cruising guide to the islands of the pacific a must islands a trove of information for the cruiser planning to set sail for the pacific a very readable easy to follow guide santana the fifth edition of this sailing standard includes updated charts and text reflecting changes in regulations and facilities for most countries and specific ports of entry new appendices include procedures for entry to australia which are more exacting than most pacific landfalls and an extensive list of information sources cruising guidebooks important general tourist guides chart suppliers and key web sites for the countries covered by landfalls of paradise

**Time and Its Measurement** 2019-09-25 virginia thorndike maine's own version of studs terkel traveled to all the maine coast islands that still maintain a year round population and persuaded the islanders to talk openly about their lives the result is a compulsively readable unvarnished and appealing portrait much of it in the islanders own words the 15 islands not accessible by bridge that still have year round populations are isle au haut islesboro the cranberry isles near mt desert island eagle island long island frenchboro long island casco bay matinicus monhegan north haven swans

island vinalhaven peaks chebeague great diamond and cliff

**Solomon Islanders in World War II** 2017-12-18 contrary to what public history and popular literature might have led us to believe nantucket is historically an island of rich cultural diversity here author frances ruley karttunen introduces us to the original nantucketers the wampanoags as well as to african slaves pacific islanders irish refugees azoreans and cape verdeans who over the years have found a home on nantucket here too is a look at the island s connection to jamaica the middle east europe and asia all sources of people who have contributed to the island s economy and added dimensions to nantucket s culture back cover

**Littell's Living Age** 1860 when charlotte s brother branwell was given a set of 12 toy soldiers an entire new imaginary world opened before them the twelves or young men became a constant source of inspiration for the bront ë children spawning tales of swashbuckling adventure darkest intrigue doomed romance and malevolent spirits the four volumes of tales collected here make delightful reading while offering a unique insight into bront ë family life and charlotte s development as a writer

**Outing and the Wheelman** 1896 the sequel to new york times bestselling author mary alice monroe s the islanders an exciting tender and absolutely wonderful kirkus reviews starred review story of friendship loss and the healing power of nature jake potter is back on dewees island for another summer with his beloved grandmother honey this time jake is excited that his dad will be there as he continues to recover from his injuries sustained in afghanistan but jake also knows they both need get used to a new normal which isn t easy jake also discovers that his two best friends macon and lovie are struggling as well macon is adjusting to being a big brother while lovie is navigating a new relationship with her dad who has long been absent in her life to cheer everyone up jake decides that the trio needs a new mission just like they had the previous summer in saving the turtles he discovers that his dad loved spending time in an old tree fort on the island and there is a special treasure box hidden somewhere nearby jake just knows if he can find it maybe his dad will be happy again and he knows macon and lovie are the perfect fellow treasure hunters their search leads them to discover there might be actual buried treasure somewhere on dewees all while they battle some unwelcome guests on the island of both the two and four legged kind on the three friends biggest quest yet they realize that the treasures they really want in life were with them all along

*Outing Magazine* 1896 incorporating research findings over the last twenty years first islanders examines the human prehistory of island southeast asia this fascinating story is explored from a broad swathe of multidisciplinary perspectives and pays close attention to migration in the period dating from 1.5 million years ago to the development of indic kingdoms late in the first millennium ce

**Landfalls of Paradise** 2006-04-30 native hawaiians arrived in the pacific northwest as early as 1787 some went out of curiosity many others were recruited as seamen or as workers in the fur trade by the end of the nineteenth century more than a thousand men and women had journeyed across the pacific but the stories of these extraordinary individuals have gone largely unrecorded in hawaiian or western sources through painstaking archival work in british columbia oregon california and hawaii jean barman and bruce watson pieced together what is known about these sailors laborers and settlers from 1787 to 1898 the year the hawaiian islands were annexed to the united states in addition the authors include descriptive biographical entries on some eight hundred native hawaiians a remarkable and invaluable complement to their narrative history kanakas as indigenous hawaiians were called formed the backbone of the fur trade along with french canadians and scots as the trade waned and most of their countrymen returned home several hundred men with indigenous wives raised families and formed settlements throughout the pacific northwest today their descendants remain proud of their distinctive heritage the resourcefulness of these pioneers in the face of harsh physical conditions and racism challenges the early western perception that native hawaiians were indolent and easily exploited scholars and others interested in a number of fields hawaiian history pacific islander studies western u s and western canadian history diaspora studies will find leaving

paradise an indispensable work

*Selections from the Records of the Collector of South Canara* 1898 the isolated islanders resistant of all newcomers have always governed by the teaching in the book which has been orally passed down for generations one day they find out from one who reads the real and astonishing story in the book **Islanders** 2005-09-25 at a time when thousands of refugees risk their lives undertaking perilous journeys by boat across the mediterranean this multidisciplinary volume could not be more pertinent it offers various contemporary case studies of boat migrations undertaken by asylum seekers and refugees around the globe and shows that boats not only move people and cultural capital between places but also fuel cultural fantasies dreams of adventure and hope along with fears of invasion and terrorism the ambiguous nature of memories media representations and popular culture productions are highlighted throughout in order to address negative stereotypes and conversely humanize the individuals involved

**The Islander** 1875 in this insightful compelling and highly readable work melanie lenart an award winning journalist and science writer who holds a phd in natural resources and global change examines global warming with the trained eye of a professional scientist and she presents the science in a clear straightforward manner why does the planet s warming produce stronger hurricanes rising seas and larger floods simple says lenart the earth is just doing what comes naturally just as humans produce sweat to cool off on a hot day the planet produces hurricanes floods wetlands and forests to cool itself off life in the hothouse incorporates lenart s extensive knowledge of climate science including the latest research in climate change and the most current scientific theories including gaia theory which holds that the earth has some degree of climate control built in as lenart points out scientists have been documenting stronger hurricanes and larger floods for many years there is a good reason for this she notes hurricanes help cool the ocean surface and clear the air of carbon dioxide the main greenhouse gas responsible for global warming from the perspective of gaia theory these responses are helping to slow the ongoing global warming and lenart expounds upon this in a clear and understandable fashion there is hope lenart writes if we help sustain earth s natural defense systems including wetlands and forests perhaps mother earth will no longer need to rely as much on the cooling effects of what we call natural disasters many of which carry a human fingerprint at a minimum she argues these systems can help us survive the heat

**The Other Islanders** 2005 fighters over the falklands captures daily life using pictures taken during the author s tours of duty on the islands from the first detachments of phantoms and rapiers operating from a rapidly upgraded raf stanley airfield to life at raf mount pleasant see life from the author s perspective as the commander of the tornado f3 flight defending the islands airspace front line fighter crews provided quick reaction alert during day to day flying operations working with the royal navy army and other air force units to defend a remote and sometimes forgotten theatre of operations it will also look at how the islanders interact with the forces based at mount pleasant and contrast high technology military operations with the lives of the original inhabitants namely the wildlife
