History of McMullan and Allied Families 1971 includes subject area sections that describe all pertinent census data products available i e business trade and services geography transportation etc

Leadership Communication 2013-12-16 if the turn of the twenty first century was characterised by the history wars in which bitter internecine battles raged between different historical schools jonathan steinberg was noteworthy for his methodological pluralism his own historical worked spanned diplomatic history military history the social history of war biography social history banking history political culture and genocide studies he often employed a comparative historical approach which teased out deep historical explanations by examining personalities nations and traditions simultaneously this book offers a critical appreciation of his contribution to modern historical practice with contributions by former students and colleagues whose own interests are as diverse as those of steinberg himself

New American Paintings 1999 this book provides an introduction to the major findings challenges and debates regarding disgust as a moral emotion and brings together scholarship from multiple disciplines such as philosophy psychology anthropology and law

A Vision of the Future 1998-04 this interdisciplinary collection by historians cultural critics and literary scholars examines a variety of the political social and cultural forces at work during the english renaissance and beyond forces that contributed to creating a wealth of artistic literary and historical impressions of elizabeth her court and the time period named after her the elizabethan age articles in the collection discuss elizabeths relationships investigate the advice given her explore connections between her court and the arts and consider the role of elizabeth s court in the political life of the nation some of the ways elizabeth was understood and represented demonstrate society s fears and ambivalence about early modern women in power while others celebrate her successes as england s first and only unmarried queen regnant this volume will be of interest to scholars and students in a wide range of disciplines including literary cultural historical and women s studies as well as those interested in the life and times of elizabeth i

The Washington Post 1979 annual supplement to the dictionary catalog of the teachers college library columbia university and its 1st 3rd supplements

The Arts in Healing 1995 the first edition of leadership communication was well received by students and instructors and the second edition builds on that momentum it continues to help current and potential managers become effective leaders by being better communicators it brings together managerial communication and concepts of emotional intelligence to create a new model of communication skills and strategies for corporate leaders it begins with chapters on the core communication skills of

developing strategy analyzing an audience writing in all types of business genres and designing and delivering effective powerpoint presentations all from a leadership perspective then it takes students through chapters on emotional intelligence cultural literacy meeting management and team leadership before concluding with chapters on internal and external organizational communication

Bureau of the Census Catalog 1984 why do states often refuse to yield to military threats from a more powerful actor such as the united states why do they frequently prefer war to compliance international relations scholars generally employ the rational choice logic of consequences or the constructivist logic of appropriateness to explain this puzzling behavior max weber however suggested a third logic of choice in his magnum opus economy and society human decision making can also be motivated by emotions drawing on weber and more recent scholarship in sociology and psychology robin markwica introduces the logic of affect or emotional choice theory into the field of international relations the logic of affect posits that actors behavior is shaped by the dynamic interplay among their norms identities and five key emotions fear anger hope pride and humiliation markwica puts forward a series of propositions that specify the affective conditions under which leaders are likely to accept or reject a coercer s demands to infer emotions and to examine their influence on decision making he develops a methodological strategy combining sentiment analysis and an interpretive form of process tracing he then applies the logic of affect to nikita khrushchev s behavior during the cuban missile crisis in 1962 and saddam hussein s decision making in the gulf conflict in 1990 1 offering a novel explanation for why u s coercive diplomacy succeeded in one case but not in the other
