Ranjesh's Current Job Interview Questions and Answers for All Job Interviewers & Interviewees 2020-06-28 updated and revised with more
 examples and expanded discussions this second edition continues the aim of providing teachers with a solid understanding of the use and
 function of grammatical structures in american english the book avoids jargon and presents essential grammatical structures clearly and
 concisely dr decapua approaches grammar from a descriptive rather than a prescriptive standpoint discussing differences between formal
 and informal language and spoken and written english the text draws examples from a wide variety of authentic materials to illustrate
 grammatical concepts the many activities throughout the book engage users in exploring the different elements of grammar and in
 considering how these elements work together to form meaning users are encouraged to tap into their own often subconscious knowledge of
 grammar to consciously apply their knowledge to their own varied teaching settings the text also emphasizes the importance of
 understanding grammar from the perspective of english language learners an approach that allows teachers to better appreciate the
 difficulties these learners face specific areas of difficulties for learners of english are highlighted throughout
