Do-Gooders at the End of Aid

2021-07-22

in some respects the contrasts of christmas are what make it the most delightful time of the year it is a time of generosity kindness and peace on earth with broad permission to indulge in food drink and gifts on the other hand christmas has become a battleground for raging culture wars marred by debates about how it should be celebrated and acknowledged as a uniquely christian holiday this text argues that much of the animosity is based on a fundamental misunderstanding of the holiday s core character by tracing christmas s origins as a pagan celebration of the winter solstice and its development in europe s christianization this history explains that the true reason for the season has as much to do with the earth s movement around the sun as with the birth of christ chapters chronicle how christmas s magic and misrule link to the nativity and why the carnival side of the holiday appears so separated from traditional christian beliefs

Christmas Season, the Hb

2021-09-13

Tomten Saves Christmas - Tomten Räddar Julen

2019-10-24

when martin luther's protest began making an impact in scandinavia in the 1520s this region belonged to the religious and political periphery of europe a century later the nordic countries had become of paramount importance to european protestantism and it was the intervention of lutheran scandinavia in the thirty years war which helped secure the survival of european protestantism this volume describes how the nordic countries came to be solidly lutheran states by the early seventeenth century how the evangelical movements differed and succeeded and the different pace of reform and its institutionalisation it offers a revisionist view of the role of the catholic church in scandinavia and its attempts to halt the reformation and demonstrates the difficulties facing the new lutheran churches trying to convert a conservative peasant population to protestantism

christmas is not a holiday just for christians anymore if it ever was embedded in calendars around the world and long a lucrative merchandising opportunity christmas enters multicultural multi religious public spaces provoking both festivity and controversy hospitality and hostility the public work of christmas provides a comparative historical and ethnographic perspective on the politics of christmas in multicultural contexts ranging from a jewish museum in berlin to a shopping boulevard in singapore a seasonal celebration that is at once inclusive and assimilatory christmas offers a clarifying lens for considering the historical and ongoing intersections of multiculturalism christianity and the nationalizing and racializing of religion the essays gathered here examine how cathedrals banquets and carols serve as infrastructures of memory that hold up christmas as a civic yet unavoidably christian holiday at the same time the authors show how the public work of christmas depends on cultural forms that mark mask and resist the ongoing power of christianity in the lives of christians and non christians alike legislated into paid holidays and commodified into marketplaces christmas has arguably become more cultural than religious making ever wider both its audience and the pool of workers who make it happen every year the public work of christmas articulates a fresh reading of christmas as fantasy ethos consumable product site of memory and terrain for the revival of exclusionary visions of nation and whiteness at a time of renewed attention to the fragility of belonging in diverse societies contributors include herman bausinger tübingen marion bowman open juliane brauer mpi berlin simon coleman toronto yaniv feller wesleyan christian marchetti tübingen helen mo toronto katja rakow utrecht sophie reimers berlin tiina sepp tartu and isaac weiner ohio state

The Penguin Book of Christmas Stories

2019-10-03

this volume represents a unique study of contemporary politics and policy making in the five nation states and three home rule territories of the nordic region written in a lively and readable style by an expert in the field its approach is systematically thematic and comparative chapters deal with current political science issues such as nation building and state building party system change semi presidentialism and post corporatism as well as addressing intrinsically important regional questions such as whether or not there is a nordic model of government a distinctively scandinavian form of

parliamentarianism and a superior welfare system there is also detailed discussion of the nordic states in their strategic external environment focusing on the post war security configuration in northern europe and the impact of european integration on scandinavia

The Public Work of Christmas
