Americans have lost touch with their history, and in this thought-provoking book, Professor James Loewen shows why. After surveying twelve leading high school American history texts, he has concluded that not one does a decent job of making history interesting or memorable. Welcome to American English File Teacher's Site. Here you'll find extra ideas and materials to work with American English File, Second Edition, and American English File in the Classroom. We'll be adding to these resources all the time, so it's always worth coming back to see what's new.
