The Sound System Design Primer

2019-02-21

the sound system design primer is an introduction to the many topics technologies and sub disciplines that make up contemporary sound systems design written in clear conversational language for those who do not have an engineering background or who think more in language than in numbers the sound system design primer provides a solid foundation in this expanding discipline for students early mid career system designers creative and content designers seeking a better grasp on the technical side of things and non sound professionals who want or need to be able to speak intelligently with sound system designers

Commerce Business Daily

1997-12-31

pop music production delves into academic depths around the culture the business the songwriting and most importantly the pop music production process phil harding balances autobiographical discussion of events and relationships with academic analysis to offer poignant points on the value of pure popular music particularly in relation to boybands and how creative pop production and songwriting teams function included here are practical resources such as recording studio equipment lists producer business deal examples and a 12 step mixing technique where harding expands upon previously released material to explain how stay another day by east 17 changed his approach to mixing forever however it is important to note that harding almost downplays his involvement in his career at no point is he center stage he humbly discusses his position within the greater scheme of events pop music production offers cutting edge analysis of a genre rarely afforded academic attention this book is aimed at lecturers and students in the subject fields of music production audio engineering music technology popular songwriting studies and popular music culture it is suitable for all levels of study from fe students through to phd researchers pop music production is also designed as a follow up to harding s first book pwl from the factory floor 2010 cherry red books a memoir of his time working with 1980s pop production and songwriting powerhouse stock aitken waterman at pwl studios

Electronic Musician
