Arranging for the Concert Band

1999-11-27

arranging for the concert band and the separately available workbook are intended to introduce students to basic techniques of arranging for the concert band arranging can be divided into two separate processes the first deals with scoring and transcribing scoring is concerned with such things as voicing doubling balance and color the term scoring also means the actual writing of notes on the score paper transcribing is scoring music written for one kind of musical instrument or group say a piano or orchestra for a different kind of group this text deals with those matters the second part of arranging is the more creative process of writing introductions modulations endings background figures and so on
