when the great gatsby was first published in 1925 reviews were mixed h l mencken called it no more than a glorified anecdote l p hartley author of the go between thought fitzgerald deserved a good shaking the great gatsby is evidently not a satire but one would like to think that mr fitzgerald s heart is not in it that it is a piece of mere naughtiness yet gradually the book came to be seen as one of the greatest if not the greatest of american novels why what is it that makes this story of a petty hoodlum so compelling why has a novel so intimately rooted in its own time lasted into ours what is it that posterity eight decades later finds so fascinating in this chronicle of the long gone jazz age flappers speakeasies and wild parties it is after all scarcely a novel at all more a long short story but it has a power out of all proportion to its length it is beautifully written making it feel even shorter than it is and is full of haunting imagery it is also perhaps the most vivid literary evocation of the great american dream about which it is profoundly sceptical as it is about dreams generally in the end however as d h lawrence would put it it is on the side of life gatsby s dream may be impossible so much so that the book can end in no other way than with his death but up to a point he is redeemed by it and by the tenacity with which he clings to it it is this that makes the novel so moving and so haunting
