alumni a valuable resource for anyone interested in the history of american education this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant excerpt from familiar sketches of the phillips exeter academy and surroundings a visit to some of the great schools of england one summer during my student days at exeter and a subsequent inquiry into their foundation endowment and discipline led me to study somewhat carefully the history of the school in which i was most interested that of the phillips exeter academy i was surprised to find how meagre were the sources of information the only available articles were professor hoyt s paper published in 1858 in the north american review and professor bowen s preface to the general catalogue issued by the academy in 1869

these although written in a far more scholarly style than i could hope to command were necessarily brief this institution i considered founded as it was in the days of washington of lafayette and of jefferson possessing as it does such glorious traditions and so many eminent alumni deserves beyond a doubt a written history it was suggested that i should write something but i at first hesitated about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works this volume considers many components of current crises and dilemmas in education through an analysis of one of the most celebrated secondary schools in the usa phillips exeter academy the text illustrates how styles and techniques at exeter have grown to eclipse educational content a stasis resulting from producers

education school mentality among the teaching establishment that adversely affects american instruction this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant this cd rom explores a master work by some of the most influential architects of the 20th century in exeter library we see far more than a design that meets a purpose and produces
