the final book of the bible revelation prophesies the ultimate judgement of mankind in a series of allegorical visions grisly images and numerological predictions according to these empires will fall the beast will be destroyed and christ will rule a new jerusalem with an introduction by will self he was a survivor is a historical and human drama of the first order centered around the ethos of an ordinary person robert crew due to the fact that he was at pearl harbor on december 7 1941 crew is propelled out of a basic existence and onto the forefront of a national veterans organization the pearl harbor survivors crew who physically survived the attack on pearl harbor and the second world war like so many veterans in a mental in a spiritual sense he does not the shadows of the war come up from the past and overtake him he was a survivor adheres to the strict no nonsense historical line little known aspects of the united states navy of the nineteen twenties and thirties are incorporated into the story obscure realities about what took place prior to and during the attack appear here for the first time most of the individuals who have made this story possible have passed away and many of the geographic areas no longer exist it took more than a quarter century to research and formulate this story hence it would be impossible to write he was a survivor today he was a president wasn't he is the story of eleven of america's lesser known presidents written in a new refreshing style it's sure to make you laugh and learn in equal parts about these eleven presidents enjoy stories of those lesser known presidents like adams tyler taylor arthur and harding prepare to giggle and be engrossed because this isn't your father's history book author bio william p hild was born in minnesota in 1966 and grew up in south dakota where he still lives today always fascinated by american history william used that knowledge in his eighteen years as a radio broadcaster to engage in on air discussions with everyone from authors to politicians about a wide range of subjects after leaving radio william continues to deepen his knowledge of american history with a special emphasis on united states presidents the american civil war and 20th century american naval history in yiddish a mentch is a person who is kind compassionate loving and caring in a small town that really isn't a town but a gathering of homes summer cottages a post office a restaurant a gas station and a highway that goes somewhere but no one ever knows where lived a man named sol dombeck he was a doctor but first he was a mentch he was a general practitioner psychiatrist friend and a father figure to everyone who knew him angel matirino resendez is one of history's most notorious serial killers found guilty of nine horrific murders his seemingly random methods shocked the world striking fear into the hearts of thousands who lived along the railroad that the twisted killer travelled in search of blood for the first time this is his amazing true story described by most who knew him as a quiet polite softly spoken man a loving husband and father to a baby daughter nobody would have suspected the monster that lay within this seemingly normal human in this classic of true crime writing bestselling author wensley clarkson delves deep into the mind of a horrifying murder case to uncover the stunning truth about one of the most grisly episodes in criminal history this book will shock and intrigue in equal measure a must for any true crime fan george orwell set out to make political writing into an art and to a wide extent this aim shaped the future of english literature his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism while 1984 and animal farm are amongst the most popular classic novels in the english language this new series of orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership in why i write the first in the orwell's essays series orwell describes his journey to becoming a writer and his movement from writing poems to short stories to the essays fiction and non fiction we remember him for he also discusses what he sees as the four great motives for writing sheer egoism aesthetic enthusiasm historical impulse and political purpose and considers the importance of keeping these in balance why i write is a unique opportunity to look into orwell's mind and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre a writer who can and must be rediscovered with every age irish times from ceo to daddy on january 21 2015 a pro isis twitter account reported that john maguire a 23 year old university drop out from the ottawa valley town of kemptville had been killed fighting kurds in the syrian city of kobani a few weeks before maguire had starred in a youtube video threatening canada for bombing isis forces in iraq he is one of the dozens of young canadians who have chosen to fight in a vicious conflict that really had little to do with them and with canada why would young people choose to fight in other people's wars especially one as bloody and cruel as this one why has isis become so good at attracting foreign fighters this book examines the lure of this radical islamist movement its religious beliefs sophisticated propaganda and vast social media networks isis is now a go to cause for alienated young people in the islamic world and the west does it offer answers to troubled young people are isis's crimes slavery murder rape repression and the destruction of heritage sites an attraction in and of themselves what do we do about the people who take up isis's cause but stay in their home country what do we do with the isis recruits who come home the killing game examines what draws young men and women to join violent social political movements it looks at the psychology of young men and women today and the propaganda used by all sides in the middle east conflicts as well as the security laws and the political initiatives that have been designed to stop canadians from being radicalized from the irresistible lure of marxist leninism of the 1930s through the 60s and 70s and including the appeal of nazism to young germans in the 1930s this book also investigates what it is that draws young people to join and fight for causes as different as the spanish civil war of the 1930s and the red brigades of the 1970s but with an emphasis on the attraction of isis and radical islam in our own time
