To Mr. Tate Howard, you are quite possibly the most infuriating, annoying, and grumpy man I've ever met in my life. I know you think that you're God's gift to women, but I have a secret to let you in on: you're not. You're God's gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy League education doesn't mean you're the smartest man in the world. In fact, I'm not even sure if you would have gotten in if you didn't have rich parents. Yes, I went there every woman doesn't want to sleep with you, and I'm sure you're not even good in bed, and I'm someone that would know from your secret not admirer.

***Miss Julia Delivers the Goods* 2009-04-16**

The newest sizzling romance from Audrey Carlan, the #1 New York Times bestselling author of the *Calendar Girl* series. Twice my life changed in a single day. The first was when I lost my parents; hand in hand, I walked with my big sister up the steps of Kerrighan House, a foster home for girls. We were lucky to be met with open arms and a house filled with children just like us. Children who'd lost everything from that day forward. We were raised as one big family. Our bonds of sisterhood were strengthened through shared experience, pain, sacrifice, and love. Sisters, not by blood but by choice. Soul sisters. The second day my life changed was on the worst day of my adult life. My boyfriend broke up with me via text. My sleazy boss hit on me, forcing me to quit a job I desperately needed. And the cherry on top was getting pulled over by an FBI agent. Little did I know, he'd also save my life that night. From the moment we met, Agent Fontaine wouldn't dare let me out of his sight. And between his alpha ways, kind brown eyes, and heroism, I was lost to the man who hid behind his job. But this agent had a rule: never fall for a woman you've saved. Yet I wasn't just any woman. I was known among my sisters for taking risks and dreaming big. I was the wild child of the group we were raised to appreciate every day as the gift it was and not let anything stand in our way. The more I got to know the brooding, serious FBI man, the more I realized maybe it was my duty to save him.
