unconscious but it's her mother's boyfriend the police are keen to trace as the hunt for Alesha gathers pace a second local girl is taken plunging another family into the depths of despair cutting short his holiday Di Nick Dixon races home to join the major investigation team but no sooner has he identified a network of local suspects than they begin to show up dead at odds with his superiors Dixon is convinced the child abductions are anything but random but nobody is prepared for the investigation to lead quite so close to home can Dixon and his team crack the case before all the suspects are silenced and will he find the missing girls before it's too late what's done in the dark will always come to light a hideous crime with many layers this one will either make her or break her after the dramatic conclusion of last month's missing girl case Detective Inspector Olivia Austin feels as though she's finally finding her feet with a strong budding friendship in Di Dean Lawrence and a team that finally believes she's fit for the job life with Newquay CID could only get better but the discovery of a deceased male on the ground beneath his balcony shakes a sleepy coastal community with injuries not quite adding up Olivia must work hard to unravel the mystery that surrounds his death with dark secrets rising to the surface she needs to find out did he fall or was he pushed the dead fall is book two in this new series of fast-paced crime thrillers you won't be able to put down Di Austin books so far 1 find the girl 2 the dead fall 3 kiss and hell some paths lead only to the grave Strangefields Farm is notorious for its sinister history ever since artist Jackson Temples lured young women there to model for disturbing works of art some of those girls never left the house alive now decades later Strangefields is to be transformed into a holiday village but the developer's hopes of its dark history being forgotten are dashed when a skull is found on the site and when a local florist is found murdered in an echo of Temples' crimes Di Wesley Peterson fears that a copy cat killer is at large especially when another brutal murder in a nearby village appears to be linked as Wesley's friend archaeologist Dr Neil Watson uncovers the secrets of Strangefields' grisly past it seems that an ancient tale of the dead returning to torment the living might not be as fantastical as it seems and Wesley must work fast to discover who's behind the recent murders before someone close to him is put in danger the latest gripping mystery in the Di Wesley has blown me away fast paced and tension filled i loved every second of this rollercoaster of a ride how soon can the next one be released cal turner reviews this book identifies a key figure in the family that reused the saite tomb of ankh hor tt 414 in the asasif kalutj nes khonsu examining the funerary assemblage revealed not only details of late dynastic and ptolemaic burial customs in thebes but also additional information on the priesthood of khonsu and of the sacred baboons in this era in ancient rome it was believed some humans were transformed into special empowered beings after death these deified dead known as the manes watched over and protected their surviving family members possibly even extending those relatives lives but unlike the greek hero cult the

worship of dead emperors or the christian saints the manes were incredibly inclusive enrolling even those without social clout such as women and the poor among rome's deities the roman afterlife promised posthumous power in the world of the living while the manes have often been glossed over in studies of roman religion this book brings their compelling story to the forefront exploring their myriad forms and how their worship played out in the context of roman religion's daily practice exploring the place of the manes in roman society charles king delves into roman beliefs about their powers to sustain life and bring death to individuals or armies examines the rituals the romans performed to honor them and reclaims the vital role the manes played in the ancient roman afterlife when three women are found headless and mutilated in a pit on a farm it's a return to a chilling case for dci savage and her team for the killings bear all the hallmarks of the candle cake killer a man who mutilated and killed his victims on consecutive midsummer's days leaving no clue apart from a piece of birthday cake the police were unable to catch him and for several years the candle cake killer lay dormant but now he's back and midsummer's day is fast approaching the yellow emperor's internal canon is the earliest extant tcm traditional chinese medicine theory book which has far reaching influence on the establishment of the later chinese medical theory according to the book it is the account of the yellow emperor and qi bo lei gong bo gao shao shi shao yu and many other ministers discussing medicine the yellow emperor's internal canon has accumulated rich medical experience obtained by the ancestors sublimated into rational understanding formed a systematic medical theory and further controlled medical practice established a clinical standard of chinese medicine and became a system for exploring the laws of life and its medical applications in traditional chinese health science in a terrifying trip into the darkest corners of psychology detectives murphy and rossi rush to catch a serial killer who is stalking a university in liverpool ingeniously murdering his victims in a series of deadly experiments detectives david murphy and laura rossi are charged with the investigation of the murder of a student at the city of liverpool university attached to her body is a letter from her killer which details a famous unethical psychological experiment an experiment that the killer had replicated on the victim resulting in her death convinced at first that the murderer is someone close to the victim murphy and rossi dismiss the letter as a bid to throw them off the scent until more bodies are found each with their own letter attached when it becomes apparent that each victim has ties to the university the detectives realize they're chasing a killer unlike any they've hunted before one who doesn't just want his victims' bodies but their minds as well as they rush to prevent any more deaths they are forced to delve into the darkest channels of psychological research in an attempt to understand the motives of the madman luke delaney takes the thriller genre to new heights with his debut crime novel cold killing an unforgettable and haunting duel between a seasoned detective and a brilliant serial killer detective inspector sean corrigan finds the body of a brutally murdered young man in his own south london flat corrigan takes the case and soon finds himself embroiled in a deadly cat and mouse game with a ruthless and clever serial killer who changes his modus operandi each time he kills leaving no useable forensic evidence behind former london murder squad detective luke delaney has created a cast of memorable and complex characters in this dark and psychological page turner we have a dead child and a crime scene that has been remarkably well kept for us a young child lies mummified in a barrel his hands cable tied appear to be locked in prayer as forensic officers remove the boy they are in for an even bigger shock he is not alone with his near fatal stabbing almost a memory di bob valentine is settling back into life on the force but he knows nothing will ever be the same haunted by unearthly visions that appear like waking dreams he soon understands he is being inducted into one of scotland's darkest
