the indexing of sonoma county newspapers was undertaken to help fill in the gaps in some of the early records in sonoma county the first volume which covers the period from 1854 through 1875 was published early in 2001 ten additional volumes have been published covering the period through 1918 the present volume contains an index of surnames found in those papers published in sonoma county between 1919 and 1921 and

contains more than 13 900 entries some of the entries include residents from the surrounding counties of marin napa solano lake and mendocino

## **Climatological Data 2011-10-20**

photography possesses a powerful ability to bear witness aid remembrance shape and even alter recollection in beyond memory soviet nonconformist photography and photo related works of art the general editor diane neumaier and twenty three contributors offer a rigorous examination of the medium s role in late soviet unofficial art focusing on the period between the mid 1950s and the late 1980s they explore artists unusually inventive and resourceful uses of photography within a highly developed soviet dissident culture during this time lack of high quality photographic materials complimented by tremendous creative impulses prompted artists to explore experimental photo processes such as camera and darkroom manipulations photomontage and hand coloring photography also took on a provocative array of forms including photo installation artist made samizdat self published books photo realist painting and many other surprising applications of the flexible medium beyond memory shows how innovative conceptual moves and approaches to form and content echoes of soviet society s coded communication and a russian sense of absurdity were common in the soviet cultural underground collectively the works in this anthology demonstrate how late soviet artists employed irony and invention to make positive use of difficult circumstances in the process the volume illuminates the multiple characters of photography itself and highlights the leading role that the medium has come to play in the international art world today beyond memory stands on its own as a rigorous

examination of photography s place in late soviet unofficial art while also serving as a supplement to the traveling exhibition of the same title
