i decompiled the game and looked at the math behind unrest

Sep 08 2022

militech getting impacted by unrest even in the 0 2 range is a big one something to look out for
when you re powering up your ground armies i know that the ai especially servants is very happy
to burn the us down with spoils and unrest missions when hf wanted to coup and so even though
pulling unrest down to below 2 is good enough for research and investment you need to go all
the way
