Japrock sampler 2016-05-19 of the advent of our lord the time of the advent or coming of our lord into this world is hallowed in holy church the time of four weeks in betokening of four divers comings the first was when he came and appeared in human nature and flesh the second is in the heart and conscience the third is at death the fourth is at the last judgment the last week may unneth be accomplished for the glory of the saints which shall be given at the last coming shall never end nor finish and to this significance the first response of the first week of advent hath four verses to reckon gloria patri et filio for one to the report of the four weeks and how it be that there be four comings of our lord yet the church maketh mention in especial but of twain that is to wit of that he came in human nature to the world and of that he cometh to the judgment and doom as it appeareth in the office of the church of this time and therefore

the fastings that be in this time be of gladness and of joy in one part and that other part is in bitterness of heart because of the coming of our lord in our nature human they be of joy and gladness and because of the coming at the day of judgment they be of bitterness and heaviness as touching the coming of our lord in our bodily flesh we may consider three things of this coming that is to wit the opportunity the necessity and the utility the opportunity of coming is taken by the reason of the man that first was vanquished in the law of nature of the default of the knowledge of god by which he fell into evil errors and therefore he was constrained to cry to god illumina oculos meos that is to say lord give light to mine eyes after came the law of god which hath given commandment in which he hath been overcome of impuissance as first he hath cried there is none that fulfillleth but that commandeth for there he is only taught but not delivered from sin be holden by grace and therefore he was constrained to cry there lacketh none to command but there is none that accomplished the commandment then came the son of god in time when man was vanquished of ignorance and impuissance to that if he had so come tofore peradventure man might say that by his own merits he might have been saved and thus he had not been bound to yield thanks to god the second thing that is shown us of this coming is the necessity by reason of the time of which the apostle paul speaketh ad galatas the fourth chapter at ubi venit plenitudo temporis when the plenitude or full time of the grace of god was ordained then he sent his son that was god and son of the virgin and wife which was made subject to the law to that that they be subject to the law he bought them again and were received sons of god by grace of adoption now saith s austin that many demand why he came not rather he answered that it was because that the plenitude of time was not come which should come by him that all things were ordained and made and after when this plenitude of time came he came that of time past hath delivered us to that we shall be delivered of time we shall come to him whereas no time passeth but is perpetuity the third thing that is showed to us of this coming is the utility and profit that cometh for the cause of the hurt and sickness general for since the malady was general the medicine must be general whereof saith s austin that then came the great medicine when the great malady was through all the world whereof the holy church remembereth in the seven anthems that be sung before the nativity of our lord where the malady is showed in divers manners and for each demandeth remedy of his malady of prisoner out of the prison that sitteth in darkness and shadow of death for they that have been long in prison and dark places may not see clearly but have their eyes dim
