## ***Disenfranchising Democracy***

2018-10-25

it was a contest of titans john adams and thomas jefferson two heroes of the revolutionary era once intimate friends now icy antagonists locked in a fierce battle for the future of the united states the election of 1800 was a thunderous clash of a campaign that climaxed in a deadlock in the electoral college and led to a crisis in which the young republic teetered on the edge of collapse adams vs jefferson is the gripping account of a turning point in american history a dramatic struggle between two parties with profoundly different visions of how the nation should be governed the federalists led by adams were conservatives who favored a strong central government the republicans led by jefferson were more egalitarian and believed that the federalists had betrayed the revolution of 1776 and were backsliding toward monarchy the campaign itself was a barroom brawl every bit as ruthless as any modern contest with mud slinging scare tactics and backstabbing the low point came when alexander hamilton printed a devastating attack on adams the head of his own party in fifty four pages of unrelenting vilification the stalemate in the electoral college dragged on through dozens of ballots tensions ran so high that the republicans threatened civil war if the federalists denied jefferson the presidency finally a secret deal that changed a single vote gave jefferson the white house a devastated adams left washington before dawn on inauguration day too embittered even to shake his rival s hand with magisterial command ferling brings to life both the outsize personalities and the hotly contested political questions at stake he shows not just why this moment was a milestone in u s history but how strongly the issues and the passions of 1800 resonate with our own time

## **Thomas Jefferson**

2023-07-04

recounts the controversies during the washington and adams administrations

## **The Revolution of American Conservatism**

1965

examining the development of the process of presidential selection from the founding of the republic to the present day james ceaser contends that many of the major purposes of the selection system as it was formerly understood have been ignored by current reformers and modern scholars in an attempt to reverse this trend professor ceaser

discusses the theories of selection offered by leading american statesmen from the founders and thomas jefferson to martin van buren and woodrow wilson from these theories he identifies a set of criteria for a sound selection system that he then uses to analyze and evaluate the recent changes in the selection process five normative functions of a presidential selection system comprise the author s criteria it should minimize the harmful effects of ambitious contenders for the office promote responsible executive leadership and power help secure an able president ensure a legitimate accession and provide for an appropriate amount of choice and change professor ceaser finds that the present system is characterized by weak parties and candidate centered campaigns that lead to the problems of image politics and demagogic leadership appeals he therefore argues for a more republican selection system in which political parties would be strengthened to serve as a restraining force on popular authority public opinion and individual aspirations for executive power

## **Adams vs. Jefferson**

2004-09-03

when the civil war ended jefferson davis had fallen from the heights of popularity to the depths of despair in this fascinating new book donald e collins explores the resurrection of davis to heroic status in the hearts of white southerners culminating in one of the grandest funeral processions the nation had ever seen as schools closed and bells tolled along the thousand mile route southerners appeared en masse to bid a final farewell to the man who championed southern secession and ardently defended the confederacy

## **The Federalist Era, 1789-1801**

1963

the jefferson bible or the life and morals of jesus of nazareth as it is formally titled was a book constructed by thomas jefferson in the latter years of his life by cutting and pasting numerous sections from various bibles as extractions of the doctrine of jesus jefferson s composition excluded sections of the new testament containing supernatural aspects as well as perceived misinterpretations he believed had been added by the four evangelists in 1895 the smithsonian institution under the leadership of librarian cyrus adler purchased the original jefferson bible from jefferson s great granddaughter carolina randolph for 400 a conservation effort commencing in 2009 in partnership with the museum s political history department allowed for a public unveiling in an exhibit open from november 11 2011 through may 28 2012 at the national museum of american history

## **Presidential Selection**

2020-07-21

a new york times book review notable book of 2017 from the great historian of the american revolution new york times bestselling and pulitzer winning gordon wood comes a majestic dual biography of two of america s most enduringly fascinating figures whose partnership helped birth a nation and whose subsequent falling out did much to fix its course thomas jefferson and john adams could scarcely have come from more different worlds or been more different in temperament jefferson the optimist with enough faith in the innate goodness of his fellow man to be democracy s champion was an aristocratic southern slaveowner while adams the overachiever from new england s rising middling classes painfully aware he was no aristocrat was a skeptic about popular rule and a defender of a

more elitist view of government they worked closely in the crucible of revolution crafting the declaration of independence and leading with franklin the diplomatic effort that brought france into the fight but ultimately their profound differences would lead to a fundamental crisis in their friendship and in the nation writ large as they became the figureheads of two entirely new forces the first american political parties it was a bitter breach lasting through the presidential administrations of both men and beyond but late in life something remarkable happened these two men were nudged into reconciliation what started as a grudging trickle of correspondence became a great flood and a friendship was rekindled over the course of hundreds of letters in their final years they were the last surviving founding fathers and cherished their role in this mighty young republic as it approached the half century mark in 1826 at last on the afternoon of july 4th 50 years to the day after the signing of the declaration adams let out a sigh and said at least jefferson still lives he died soon thereafter in fact a few hours earlier on that same day far to the south in his home in monticello jefferson died as well arguably no relationship in this country's history carries as much freight as that of john adams of massachusetts and thomas jefferson of virginia gordon wood has more than done justice to these entwined lives and their meaning he has written a magnificent new addition to america's collective story

## **The Death and Resurrection of Jefferson Davis**

2005

new york times bestseller named one of the best books of the year by the san francisco chronicle finalist for the george washington prize finalist for the library of virginia literary award a new york times book review editors choice selection an important book richly rewarding it is full of fascinating insights about jefferson gordon's wood new york review of books hailed by critics and embraced by readers most blessed of the patriarchs is one of the richest and most insightful accounts of thomas jefferson in a generation following her pulitzer prize winning the heminges of monticello annette gordon reed has teamed with peter sonuf to present a provocative and absorbing character study a fresh and layered analysis new york times book review that reveals our third president as a dynamic complex and oftentimes contradictory human being chicago tribune gordon reed and onuf fundamentally challenge much of what we thought we knew and through their painstaking research and vivid prose create a portrait of jefferson as he might have painted himself one comprised of equal parts sun and shadow jane kamensky

## **The Era of Expansion, 1800–1848**

1968

have vast industry experience leading major units of fortune 500 companies and start ups this book looks at how businesses especially csps can overcome the challenges and capture the multi billion dollar future home market by putting strategic emphasis on excellent customer experiences developing new business models and turning their organizations into competitively agile platform based innovators for business leaders in any sector relevant to the future home this book is an indispensable and value creating guide

## ***The Jefferson Bible***

2014-01-05

thomas jefferson read latin and greek authors throughout his life and wrote movingly about his love of the ancient texts which he thought should be at the core of america s curriculum yet at the same time jefferson warned his countrymen not to look to the ancient world for modern lessons and deplored many of the ways his peers used classical authors to address contemporary questions as a result the contribution of the ancient world to the thought of america s most classically educated founding father remains difficult to assess this volume brings together historians of political thought with classicists and historians of art and culture to find new approaches to the difficult questions raised by america s classical heritage the essays explore the classical contribution to different aspects of jefferson s thought and taste as well as examining the significance of the ancient world to america in a broader historical context the diverse interests and methodologies of the contributors suggest new ways of approaching one of the most prominent and contested of the traditions that helped create america s revolutionary republicanism contributors gordon s wood brown university peter s onuf university of virginia michael p zuckert university of notre dame caroline winterer stanford university richard guy wilson university of virginia maurie d mcinnis university of virginia nicholas p cole university of oxford peter thompson university of oxford eran shalev haifa university paul a rahe hillsdale college jennifer t roberts city university of new york graduate center andrew jackson o shaughnessy university of virginia

## **On Democracy**

1946

who was the real thomas jefferson if this question has an answer it will probably not be revealed to anyone attempting to read the many accounts of his life for two centuries biographers have provided divergent perspectives on him as a man and conflicting appraisals of his accomplishments controversial in his own time jefferson s propensity to polarize continued in the years after his death as biographers battled to control the commanding heights of history to judge from their depictions there existed many different thomas jeffersons this book explores how individual biographers have shaped history as well as how the interests and preoccupations of the times in which they wrote helped to shape their portrayals of jefferson in different eras biographers presented the third president as a proponent of individual rights and majority rule as a unifier and a fierce partisan as well as a champion of american nationalism and global citizenship conscripted to serve whigs and democrats abolitionists and slaveholders unionists and secessionists populists and progressives and seemingly every side of just about every subsequent struggle the only constant was that jefferson s image remained a mirror of americans self conscious understanding of their nation s virtues and vices thomas jefferson s lives brings together leading scholars of jefferson and his era all of whom embrace the challenge to assess some of the most important and enduring accounts of jefferson s life

## WASHINGTON COMMUNITY

1966

in this original and illuminating book denise a spellberg reveals a little known but crucial dimension of the story of american religious freedom a drama in which islam played a surprising role in 1765 eleven years before composing the declaration of independence thomas jefferson bought a qur an this marked only the beginning of his lifelong interest in islam and he would go on to acquire numerous books on middle eastern languages history and travel taking extensive notes on islam as it relates to english common law jefferson sought to understand islam notwithstanding his personal disdain for the faith a sentiment prevalent among his protestant contemporaries in england and america but unlike most of them by 1776 jefferson could imagine muslims as future citizens of his new country based on groundbreaking research spellberg compellingly recounts how a handful of the founders jefferson foremost among them drew upon enlightenment ideas about the toleration of muslims then deemed the ultimate outsiders in western society to fashion out of what had been a purely speculative debate a practical foundation for governance in america in this way muslims who were not even known to exist in the colonies became the imaginary outer limit for an unprecedented uniquely american religious pluralism that would also encompass the actual despised minorities of jews and catholics the rancorous public dispute concerning the inclusion of muslims for which principle jefferson s political foes would vilify him to the end of his life thus became decisive in the founders ultimate judgment not to establish a protestant nation as they might well have done as popular suspicions about islam persist and the numbers of american muslim citizenry grow into the millions spellberg s revelatory understanding of this radical notion of the founders is more urgent than ever thomas jefferson s qur an is a timely look at the ideals that existed at our country s creation and their fundamental implications for our present and future

### *Friends Divided*

2017-10-24

since its publication in 1960 the jefferson image in the american mind has become a classic of historical scholarship in it merrill d peterson charts thomas jefferson s influence upon american thought and imagination since his death in 1826 peterson shows how the public attitude toward jefferson has always paralleled the political climate of the time the complexities of the man his thoughts and his deeds being viewed only in fragments by later generations he explains how the ideas of jefferson have been distorted defended pilloried or used by virtually every leading politician historian and intellectual through most of our history political parties have engaged in an ideological tug of war to see who would wear the mantle of jefferson

### *"Most Blessed of the Patriarchs": Thomas Jefferson and the Empire of the Imagination*

2016-04-13

how the new deal was a unique historical moment and what this reveals about u s politics economics and culture where does the new deal fit in the big picture of american history what does it mean for us today what happened to the economic equality it once engendered in the great exception jefferson cowie provides new answers to these important questions in the period between the great depression and the 1970s he argues the united states

government achieved a unique level of equality using its considerable resources on behalf of working americans in ways that it had not before and has not since if there is to be a comparable battle for collective economic rights today cowie argues it needs to build on an understanding of the unique political foundation for the new deal anyone who wants to come to terms with the politics of inequality in the united states will need to read the great exception

## The Future Home in the 5G Era

2020-04-03

in thomas jefferson s time white americans were bedeviled by a moral dilemma unyielding to reason and sentiment what to do about the presence of black slaves and free indians that jefferson himself was caught between his own soaring rhetoric and private behavior toward blacks has long been known but the tortured duality of his attitude toward indians is only now being unearthed in this landmark history anthony wallace takes us on a tour of discovery to unexplored regions of jefferson s mind there the bookish enlightenment scholar collector of indian vocabularies excavator of ancient burial mounds chronicler of the eloquence of america s native peoples and mourner of their tragic fate sits uncomfortably close to jefferson the imperialist and architect of indian removal impelled by the necessity of expanding his agrarian republic he became adept at putting a philosophical gloss on his policy of encroachment threats of war and forced land cessions a policy that led eventually to cultural genocide in this compelling narrative we see how jefferson s close relationships with frontier fighters and indian agents land speculators and intrepid explorers european travelers missionary scholars and the chiefs of many indian nations all complicated his views of the rights and claims of the first americans lavishly illustrated with scenes and portraits from the period jefferson and the indians adds a troubled dimension to one of the most enigmatic figures of american history and to one of its most shameful legacies

## *Thomas Jefferson, the Classical World, and Early America*

2011-10-19

old world new world america and europe in the age of jefferson grew out of workshops in salzburg and charlottesville sponsored by monticello s international center for jefferson studies and revisits a question of long standing interest to american historians the nature of the relationship between america and europe during the age of revolution study of the american european relationship in recent years has been moved forward by the notion of atlantic history and the study of the atlantic world the present volume makes a fresh contribution by refocusing attention on the question of the interdependence of europe and america old world new world addresses topics that are timely given contemporary public events but that are also of interest to early modern and modern historians by turning attention from the atlantic world in general to the relationship between america and europe as well as using thomas jefferson as a lens to examine this relationship this book carves out its own niche in the history of the atlantic world in the age of revolution

## *Thomas Jefferson's Lives*

2019

this unit on the federalist era of u s history examines some of the issues that have endured from the earliest days of the nation to the present free speech the right to rebel foreign policy the balance of federal and state authority and

the relative importance of various constituencies student understanding of such issues develops through examination of the issues as faced by president washington and two of his closest advisors alexander hamilton and thomas jefferson at some points the text calls upon students to act as advocates elsewhere as critics in working with the material students must think through the issues organize their thoughts and express those thoughts orally and on paper some of the chapter topics are the new nation an introduction to the unit s major issues paying the national debt neutrality and the jay treaty and jeffersonians in office the document includes a foreword an introduction an explanation of sources and suggested student readings sg

## Thomas Jefferson's Qur'an

2013-10-01

when annette gordon reed s groundbreaking study was first published rumors of thomas jefferson s sexual involvement with his slave sally hemings had circulated for two centuries among all aspects of jefferson s renowned life it was perhaps the most hotly contested topic the publication of thomas jefferson and sally hemings intensified this debate by identifying glaring inconsistencies in many noted scholars evaluations of the existing evidence in this study gordon reed assembles a fascinating and convincing argument not that the alleged thirty eight year liaison necessarily took place but rather that the evidence for its taking place has been denied a fair hearing friends of jefferson sought to debunk the hemings story as early as 1800 and most subsequent historians and biographers followed suit finding the affair unthinkable based upon their view of jefferson s life character and beliefs gordon reed responds to these critics by pointing out numerous errors and prejudices in their writings ranging from inaccurate citations to impossible time lines to virtual exclusions of evidence especially evidence concerning the hemings family she demonstrates how these scholars may have been misguided by their own biases and may even have tailored evidence to serve and preserve their opinions of jefferson this updated edition of the book also includes an afterword in which the author comments on the dna study that provided further evidence of a jefferson and hemings liaison 00 possessing both a layperson s unfettered curiosity and a lawyer s logical mind annette gordon reed writes with a style and compassion that are irresistible each chapter revolves around a key figure in the hemings drama and the resulting portraits are engrossing and very personal gordon reed also brings a keen intuitive sense of the psychological complexities of human relationships relationships that in the real world often develop regardless of status or race the most compelling element of all however is her extensive and careful research which often allows the evidence to speak for itself thomas jefferson and sally hemings an american controversy is the definitive look at a centuries old question that should fascinate general readers and historians alike
