Called to Care 2021-07-20

nursing is a vocation a calling from god to care for others the role of the nurse originally grew out of a holistic christian understanding of humans as created in the image of god yet as nursing and healthcare continue to change the effects have proven disorienting to many now more than ever we need nurses who are committed both to a solid understanding of their profession and to caring well for patients and their families for over twenty years called to care has served as a unique and essential resource for nurses in this third edition judith allen shelly and arlene b miller now joined by coauthor kimberly h fenstermacher present a definition for nursing based on a historically and theologically grounded vision of the nurse s call nursing is a ministry of compassionate and restorative care for the whole person in response to god s grace which aims to promote and foster optimum health shalom and bring comfort in suffering and death for anyone in need focusing on the features of the nursing metaparadigm person health environment and nursing they provide a framework for understanding how the christian faith relates to the many aspects of a nurse s work from theory to everyday practice this new edition of called to care is thoroughly revised for today s nurses including updated examples and new content on topics such as cultural competency palliative care and the current state of healthcare and nursing education each chapter features learning objectives discussion questions case studies and theological reflections from scripture to help readers engage and apply the content for educators students and practitioners throughout the field of nursing this classic text continues to provide clarity and wisdom for living out their calling

Light for My Path for Nurses 2004

this book was created for nurses and healthcare workers it provides 31 days of scripture verses for nurses and healthcare workers to read at the start of their day there is a short prayer after each verse to guide healthcare workers as they invite god to help and direct their day additional scriptures are added for various situations both they and their patients may encounter topics include anxiety depression fear and faith the author quotes from different versions to aid understanding of each bible verse

31 Days of Prayer and Scripture Reading for Nurses and Healthcare Workers 2018-11-24

all 46 of the original volumes are included in this one volume there are two linked indexes in this volume a main index at the front of this volume that will take you to the beginning each of the books of the bible and another index at the beginning of each book there is a linked scripture index leading to the particular subject john calvin is considered as the first truly great scholar of the reformation indeed he has even been seen by some to be one of history s greatest christian biblical scholars he had an incredible command of the bible and his interpretations were not based on just one or two passages he combined pastoral insight with solid exegesis to form a strong interpretation of the scriptures however some of his views on the prophetic interpretation such as in the book of daniel are controversial he put forth a purist view and believed that the prophecies in the book of daniel applied solely to the history between the time of the prophet daniel 530 bc and jesus first coming 30 ad nevertheless john calvin was a force to be reckoned with and is considered to have a unique insight which enabled him to find the true meaning of the bible dutch theologian jacobus arminius after whom the anti calvinistic movement arminianism was named states that next to the study of the scriptures which i earnestly inculcate i exhort my pupils to peruse calvin s commentaries which i extol in loftier terms than helmich himself a dutch divine 1551 1608 for i affirm that he excels beyond comparison in the interpretation of scripture and that his commentaries ought to be more highly valued than all that is handed down to us by the library of the fathers so that i acknowledge him to have possessed above most others or rather above all other men what may be called an eminent spirit of prophecy his institutes ought to be studied after the heidelberg catechism as containing a fuller explanation but with discrimination like the writings of all men during his life calvin produced commentaries on 48 books of the bible a total of 45 published volumes he intended to

put out a complete commentary of the bible but his death prevented this the books of judges ruth 1 2 samuel 1 2 kings 1 2 chronicles ezra nehemiah esther job proverbs ecclesiastes song of solomon 2 3 john and revelation were unfortunately not completed he did however write a two volume commentary of the harmony of the gospels matthew mark and luke as well as a separate commentary for the gospel of john likewise he also wrote a two volume series on the harmony of the law exodus leviticus numbers and deuteronomy calvin s own exegesis of the original text allowed him to bring out a unique and pleasing interpretation he begins each section of scripture with his own translation of the text and then further expounds upon it point by point making it an excellent resource for ministers and teachers alike after more than 400 years calvin s commentaries are still a relevant and essential tool for christians

Calvin's Complete Commentary on the Bible 2010-11-01

calvin produced commentaries on most of the books of the bible his commentaries cover the larger part of the old testament and all of the new excepting second and third john and the apocalypse his commentaries and lectures stand in the front rank of biblical interpretation all who take delight in the holy scriptures are familiarly acquainted with the writings of the prophet isaiah every variety of taste finds in them its appropriate gratification lofty conceptions illustrated by splendid imagery and clothed in language usually copious and flowing some times abrupt but always graceful leave no room for hesitation to pronounce him with bishop lowth to be the most sublime and elegant of the prophets of the old testament he is regarded with peculiar veneration as an honest fearless and able messenger of the most high god boldly reproving nobles and monarchs denouncing the judgments of heaven against all transgressors and asserting the claims of the divine law and government above all human authority in his prophecies he takes a wide range surveys those nations which power or wealth or learning or commerce had raised to the highest celebrity in those remote times and describes their rise and fall and wonderful revolutions so eagerly traced lay us in the page of history as the execution of jehovah s counsels and the arrangements of unerring wisdom but chiefly does he pour out rich instruction concerning the messiah whose life and sufferings and death and glorious reign he delineates so faithfully and with such thrilling interest that he has obtained the appellation of the evangelical prophet

John Calvin's Bible Commentaries On Isaiah 49- 66 2024

a spiritual home explores congregational life inside british and american reformed churches between 1830 and 1915 at a time when scholars have become interested in the day to day experience of local congregations this book reaches back into the nineteenth century a critically formative period in anglo american religious life to examine the historical roots of congregational life taking the perspective of the laity cashdollar ranges widely from worship and music to fund raising and administration from pastoral care to social work from prayer meetings to strawberry festivals from the sanctuary to the kitchen firmly rooted in broader currents of gender class notions of middle class respectability increasing expectations for personal privacy and patterns of professionalization he finds that there was a gradual shift in emphasis during these years from piety to fellowship based on records publications and memorabilia from about 150 congregations representing eight denominations a spiritual home gives us a comprehensive composite portrait of religious life in victorian britain and america

Spiritual Home 2018-08-07

this book shows how middle class women both white and black harnessed the nineteenth century culture of sentiment to generate political action in the progressive era sentimentalism marched right alongside women s step into the public sphere of political action the concerns over infant mortality and the fall of young women interconnected with sentimentalism to elicit public action in the formation of the american welfare state elements of the associational state were built by the voluntary and paid work of female reformers working in the late nineteenth and early twentieth century women saw a need filled it and cobbled together a network of voluntary organizations that tapped state funding and support when available their work

provided safeguards for women and children and created a network of female oriented programs that policed and aided women of child bearing age at the turn of the twentieth century this book demonstrates the strength of the connection between the nineteenth century sentimental culture and female political action defined as government support for infant and maternal welfare in the twentieth century

The Sentimental State 1936

this book explores the events people and writings surrounding the early jesus movement the essays are divided into four groups the movement s formation production of its early gospels description of the jesus movement itself and the jewish mission and its literature

Christian Origins and the Establishment of the Early Jesus Movement 1948

this innovative book challenges many of the widely held assumptions about the place of religion in victorian society and in london the world s first great industrial and commercial metropolis against the background of victorian london it explores the religiosity of londoners as expressed through the dynamic renewal of traditional faith communities including judaism and the historic churches as well as fresh expressions of religion including the salvation army mormons spiritualism and the occult it shows how laypeople especially the rich and women were mobilised in the service of their faith and their fellow citizens drawing on research in social economic oral cultural and women s history jacob argues that religious motivations lay behind concerns that subsequently preoccupied people in the twentieth and twenty first centuries these include the changing place of women in society an active concern for social justice the sexual exploitation of women and children and provision of education for all classes and all ages by examining religion broadly in its social and cultural context and looking beyond conventional approaches to religious history religious vitality in victorian london illustrates the dynamic significance of religion in society influencing even the expression of secularism
