*Witchcraft* 2019-08-28 can you live 28 years without discovering you re a witch lauren is downtown chicago s youngest elite realtor she s also a witch she must be the fetching spell for witches chat isn t supposed to make mistakes so says the woman who coded the spell at least the tall dark and handsome guy sent to assess her is a witch too and no that doesn t end the way you might think what he finds in lauren will change lives mess with a perfectly good career and require lots of ice cream therapy *A Modern Witch* 2013-07-07 an exploration of the traditional witchcraft coven its organization and rituals including initiations rites of passage magical and social practices the truth is old gerald b gardner had little interest in how the traditional witchcraft coven had been organized and structured so apart from an example of how it should not be done he passed on little information about how it was meant to be organized that knowledge of how best to organize and structure a modern coven has had to be reclaimed from the old records and by trial and error so too the social rites of passage those of birth marriage and death that were all long since appropriated by the religious authorities have likewise needed to be restored as too the traditional forms of coven magic and healings whilst still keeping witchcraft ever the religion of dance fun and mirth after all who said that religion is not to be enjoyed a witches canon part 1 provides a fact based referenced guide for those wishing to further explore the religion and celebratory rituals of traditional wicca a witches canon part 2 has been written to provide a practical referenced guide to the social aspects of traditional wicca of coven organization initiations rites and rituals a witches canon part 3 is a fact based referenced guide to the practice of magical witchcraft both nice and naughty if it isn t fun then it ain t worth doing

**A Witches' Canon Part 2** 2023-01-27 between 1645 7 john stearne led the most significant outbreak of witch hunting in england as accusations of witchcraft spread across east anglia stearne and matthew hopkins were enlisted by villagers to identify and eradicate witches after the trials finally subsided in 1648 stearne wrote his only publication a confirmation and discovery of witchcraft but it had a limited readership consequently stearne and his work fell into obscurity until the 1800s and were greatly overshadowed by hopkins and his text this book is the first study which analyses stearne s publication and contextualises his ideas within early modern intellectual cultures of religion demonology gender science and print in order to better understand the witch finder s beliefs and motives the book argues that stearne was a key player in the trials that he was not a mainstream puritan and that his witch finding availed from contemporary science it traces a confirmation s reception history from 1648 to modern day and argues that the lack of research focusing on stearne has resulted in misrepresentations of the witch finder in the historiography of witchcraft this book redresses the imbalance and seeks to provide an alternative reading of the east anglian witch hunt and of england s premier witch hunter john stearne
