views from one of the most original cultural critics of the twentieth century walter benjamin

Illuminations

2011-06-30

the literary philosophical works of walter benjamin 1892-1940 rank among the most quietly influential of the post-war era though only since his death has benjamin achieved the fame and critical currency outside his native germany accorded him by a select few during his lifetime now he is widely held to have possessed one of the most acute and original minds of the central european culture decimated by the nazis illuminations contains his two most celebrated essays the work of art in the age of mechanical reproduction and theses on the philosophy of history as well as others on the art of translation kafka storytelling baudelaire brecht's epic theatre proust and an anatomy of his own obsession book collecting the essay is benjamin's domain those collected in this now legendary volume offer the best possible access to his singular and significant achievement in a stimulating introduction hannah arendt reveals how benjamin's life and work are a prism to his times and identifies him as possessing the rare ability to think poetically

Illuminations

1999

largely overlooked during his own lifetime walter benjamin is now widely held

to have possessed one of the most acute and original minds of the central european culture decimated by the nazis this book contains two of his most famous essays

Illuminations

1979

a beautiful collection of the legendary thinker s short stories the storyteller gathers for the first time the fiction of the legendary critic and philosopher walter benjamin best known for his groundbreaking studies of culture and literature including illuminations one way street and the arcades project his stories revel in the erotic tensions of city life cross the threshold between rational and hallucinatory realms celebrate the importance of games and delve into the peculiar relationship between gambling and fortune telling and explore the themes that defined benjamin the novellas fables histories aphorisms parables and riddles in this collection are brought to life by the playful imagery of the modernist artist and bauhaus figure paul klee

The Storyteller

2016-07-26

the towering twentieth century thinker delve into literature philosophy and his own life experience in this extraordinary collection publishers weekly a companion volume to illuminations the first collection of walter benjamin s writings reflections presents a further sampling of his wide ranging work here benjamin evolves a theory of language as the medium of all creation discusses theater and surrealism reminisces about berlin in the 1920s recalls conversations with bertolt brecht and provides travelogues of various cities including moscow under stalin benjamin moves seamlessly from literary criticism to autobiography to philosophical theological speculations cementing his reputation as one of the greatest and most versatile writers of the twentieth century this book is just that reflections of a highly polished mind that uncannily approximate the century s fragments of shattered traditions time

Reflections

2019-02-26

in september 1940 walter benjamin committed suicide in port bou on the spanish french border when it appeared that he and his travelling partners would be denied passage into spain in their attempt to escape the nazis in 2002 one of anthropology s and indeed today s most distinctive writers michael taussig visited benjamin s grave in port bou the result is walter benjamin s grave a moving essay about the cemetery eyewitness accounts of benjamin s border travails and the circumstances of his demise it is the most recent of eight revelatory essays collected in this volume of the same name looking over these essays written over the past decade writes taussig i think

what they share is a love of muted and defective storytelling as a form of analysis strange love indeed love of the wound love of the last gasp although thematically these essays run the gamut covering the monument and graveyard at port bou discussions of peasant poetry in colombia a pact with the devil the peculiarities of a shaman s body transgression the disappearance of the sea new york city cops and the relationship between flowers and violence each shares taussig s highly individual brand of storytelling one that depends on a deep appreciation of objects and things as a way to retrieve even deeper philosophical and anthropological meanings whether he finds himself in australia colombia manhattan or spain in the midst of a book or a beach whether talking to friends or staring at a monument taussig makes clear through these marvelous essays that materialist knowledge offers a crucial alternative to the increasingly abstract globalized homogenized and digitized world we inhabit pursuing an adventure that is part ethnography part autobiography and part cultural criticism refracted through the object that is walter benjamin s grave taussig with this collection provides his own literary memorial to the twentieth century s greatest cultural critic

Walter Benjamin's Grave

2010-04-13

i fully realize that my discussion of the mental climate of collecting will confirm many of you in your conviction that this passion is behind the times in your distrust of the collector type nothing is further from my mind than to shake either your conviction or your distrust walter benjamin was one of the great cultural critics of the twentieth century in unpacking my library he offers a strikingly personal meditation on his career as a book collector and on the strange relations that spring up between objects and their owners witty erudite and often moving this book will resonate with bibliophiles of all kinds eris gems make available in the form of beautifully produced saddle stitched booklets a series of outstanding short works of fiction and non fiction

Unpacking My Library

one of the most important works of cultural theory ever written walter benjamin s groundbreaking essay explores how the age of mass media means audiences can listen to or see a work of art repeatedly and what the troubling social and political implications of this are throughout history some books have changed the world they have transformed the way we see ourselves and each other they have inspired debate dissent war and revolution they have enlightened outraged provoked and comforted they have enriched lives and destroyed them now penguin brings you the works of the great thinkers pioneers radicals and visionaries whose ideas shook civilization and helped make us who we are

The Work of Art in the Age of Mechanical Reproduction

2008-08-07

margaret cohen's encounter with walter benjamin one of the twentieth century's most influential cultural and literary critics has produced a radically new reading of surrealist thought and practice cohen analyzes the links between breton's surrealist fusion of psychoanalysis and marxism and benjamin's post enlightenment challenge to marxist theory she argues that breton's surrealist marxism played a formative role in shaping postwar french intellectual life and is of continued relevance to the contemporary intellectual scene

Profane Illumination

1995-03-06

drawing upon a wide range of biographies of literary subjects from shakespeare and wordsworth to william golding and v s naipaul this book develops a poetics of literary biography based on the triangular relationships of lives works and times and how narrative operates in holding them together biography is seen as a hybrid genre in which historical and fictional elements are imaginatively combined it considers the roles of story telling factual data in the art of life writing and the literariness of its language it includes a case study of the biography of ellen terry discussion of the controversial relationship between a subject's life and works biographical criticism and through the issue of gender the social and cultural changes biographies reflect it frames a poetics on the basis of its strategy and tactics and demonstrates how the literal truth of verifiable data and the poetic truth of what is narrated are interdependent

Towards a Poetics of Literary Biography

2015-09-07

walter benjamin philosopher essayist literary and cultural theorist was one of the most original writers and thinkers of the twentieth century this new selection brings together benjamin's major works including one way street his dreamlike aphoristic observations of urban life in weimar germany unpacking my library a delightful meditation on book collecting the confessional hashish in marseille and the work of art in the age of mechanical reproduction his seminal essay on how technology changes the way we appreciate art also including writings on subjects ranging from proust to kafka violence to surrealism this is the essential volume on one of the most prescient critical voices of the modern age contains unpacking my library one way street the work of art in the age of mechanical reproduction brief history of photography hashish in marseille on the critique of violence the job of the translator surrealism franz kafka and picturing proust

One-Way Street and Other Writings

2009-10-29

a classic collection of walter benjamin s essays including some of his most celebrated writing walter benjamin is one of the most fascinating and enigmatic intellectual figures of this century not only was he a thinker who made an enormous impact with his critical and philosophical writings he shattered disciplinary and stylistic conventions this collection introduced by susan sontag contains the most representative and illuminating selection of his work over a twenty year period and thus does full justice to the richness and the multi dimensional nature of his thought included in these pages are aphorisms and townscapes esoteric meditation and reminiscences of childhood and reflections on language psychology aesthetics and politics

Walter Benjamin

2020-05-05

on the concept of history is a politics social sciences essay written by german philosopher and social science critic walter benjamin on the concept of history is one of walter benjamin s best known and most controversial works the politics social sciences essay is composed of twenty numbered paragraphs in which benjamin uses poetic and scientific analogies to present a critique of historicism walter benjamin wrote the brief essay shortly before attempting to escape from vichy france where french collaborationist government officials were handing over jewish refugees like walter benjamin to the nazi gestapo walter benjamin completed on the concept of history before fleeing to spain where he unfortunately committed suicide benjamin s work is often required textbook reading in various subjects such as humanities philosophy and politics social sciences

On the Concept of History

2016-08-21

jameson's first full length engagement with walter benjamin's work the benjamin files offers a comprehensive new reading of all of benjamin's major works and a great number of his shorter book reviews notes and letters its premise is that benjamin was an anti philosophical anti systematic thinker whose conceptual interests also felt the gravitational pull of his vocation as a writer what resulted was a coexistence or variety of language fields and thematic codes which overlapped and often seemed to contradict each other a view which will allow us to clarify the much debated tension in his works between the mystical or theological side of benjamin and his political or historical inclination the three way tug of war over his heritage between adherents of his friends scholem adorno and brecht can also be better grasped from this position which gives the brechtian standpoint more due than most influential academic studies benjamin's corpus is an anticipation of contemporary theory in the priority it gives language and representation over philosophical or conceptual unity and its political motivations are clarified by attention to the omnipresence of history throughout his writing from the shortest articles to the most ambitious projects his explicit program to transfer the crisis into the heart of language or in other words to detect class struggle at work in the most minute literary phenomena requires the reader to translate the linguistic or representational literary issues that concerned him back into the omnipresent but often only implicitly political ones but the latter are those of another era to which we must gain access to use one of benjamin's favorite expressions

The Benjamin Files

2022-03-22

in a lucid brilliant work of nonfiction as close to an autobiography as his readers are likely to get larry mcmurtry has written a family portrait that also serves as a larger portrait of texas itself as it was and as it has become using as a springboard an essay by the german literary critic walter benjamin that he first read in archer city's dairy queen mcmurtry examines the small town way of life that big oil and big ranching have nearly destroyed he praises the virtues of everything from a lime dr pepper to the lost art of oral storytelling and describes the brutal effect of the sheer vastness and emptiness of the texas landscape on texans the decline of the cowboy and the reality and the myth of the frontier mcmurtry writes frankly and with deep feeling about his own experiences as a writer a parent and a heart patient and he deftly lays bare the raw material that helped shape his life's work the creation of a vast ambitious fictional panorama of texas in the past and the present throughout mcmurtry leaves his readers with constant reminders of his all encompassing boundless love of literature and books

Walter Benjamin at the Dairy Queen

2010-06-01

a comprehensive study of education in the writings of walter benjamin walter benjamin s antifascist education is the first comprehensive analysis of educational themes across the entirety of the critical theorist s diverse writings starting with benjamin s early reflections on teaching and learning tyson e lewis argues that the aesthetic and cultural forms to which benjamin so often turned namely radio broadcasts children s theatrical productions collections cityscapes public cinemas and word games swell with educational potentialities what emerges from lewis s reading is a constellational curriculum composed of minor practices such as poor teaching absentminded learning and nondurational studying this curriculum carries political significance offering an antidote to past and present forms of fascist manipulation hardness and coldness walter benjamin s antifascist education is a testimony to benjamin s belief that everyone is an educator and everyone needs to be educated and everything is education taking up the multifaceted benjaminian conception of educational life a life of studious straying and self reflection at once critical and mimetic and following its untoward trajectory in object areas as diverse as slapstick film riddles cityscapes and children s theater this subtle imaginative and comprehensive analysis speaks directly to the moral and spiritual crisis of the present howard eiland massachusetts institute of technology

Walter Benjamin's Antifascist Education

2020-02-01

drawing upon a wealth of journal writings and personal correspondence esther leslie presents a uniquely intimate portrait of one of the intellectual giants of the twentieth century walter benjamin she sets his life in the context of his middle class upbringing explores the social political and economic upheaval in germany during and after world war i and recounts benjamin s eccentric love of toys trick books travel and ships from the frankfurt school and his influential friendships with theodore adorno gershom scholem and bertolt brecht to his travels across europe walter benjamin traces out the roots of benjamin s groundbreaking writings and their far reaching impact in his own time leslie argues that benjamin s life challenges the stereotypical narrative of the tragic and lonely intellectual figure instead positioning him as a man who relished the fierce combat of competing theories and ideas closing with his death at the spanish french border in a desperate flight from the nazis and stalin walter benjamin is a concise and concentrated account of a capacious intellect trapped by hostile circumstances

Walter Benjamin

2008-01-15

a new translation of philosopher walter benjamin s work as it pertains to his

famous essay the storyteller this collection includes short stories book reviews parables and as a selection of writings by other authors who had an influence on benjamin s work the storyteller is one of walter benjamin s most important essays a beautiful and suggestive meditation on the relation between narrative form social life and individual existence and the product of at least a decade s work what might be called the story of the storyteller essays starts in 1926 with a piece benjamin wrote about the german romantic johann peter hebel it continues in a series of short essays book reviews short stories parables and even radio shows for children this collection brings them all together to give readers a new appreciation of how benjamin s thinking changed and ripened over time while including several key readings of his own texts by his contemporaries ernst bloch and georg lukács by paul valéry and by herodotus and montaigne finally to bring things around there are three short stories by the incomparable hebel with whom the whole intellectual adventure began

The Storyteller Essays

2019-07-23

this book analyzes the development of walter benjamin s concept of experience in his early writings showing that it emerges from an engagement with visual experience and in particular the experience of colour it represents benjamin as primarily a thinker of the visual field

Walter Benjamin

2020-10-07

this book shows how extraordinarily substantial were the theoretical footholds which walter benjamin supplied and included are essays on benjamin and the sources of judaism feminism and cultural analysis and other writings

The Actuality of Walter Benjamin

1998

walter benjamin discusses whether art is diminished by the modern culture of mass replication arriving at the conclusion that the aura or soul of an artwork is indeed removed by duplication in an essay critical of modern fashion and manufacture benjamin decries how new technology affects art the notion of fine arts is threatened by an absence of scarcity an affair which diminishes the authenticity and essence of the artist s work though the process of art replication dates to classical antiquity only the modern era allows for a mass quantity of prints or mass production given that the unique aura of an artist s work and the reaction it provokes in those who see it is diminished benjamin posits that artwork is much more political in significance the style of modern propaganda of the use of art for the purpose of generating raw emotion or arousing belief is likely to become more prevalent versus the old fashioned production of simpler beauty or meaning in a cultural or religious context

The Work of Art in the Age of Mechanical Reproduction: An Influential Essay of Cultural Criticism; The History and Theory of Art (Hardcover)

2018-08-24

marking the centenary of walter benjamin's immensely influential essay toward the critique of violence this critical edition presents readers with an altogether new fully annotated translation of a work that is widely recognized as a classic of modern political theory the volume includes twenty one notes and fragments by benjamin along with passages from all of the contemporaneous texts to which his essay refers readers thus encounter for the first time in english provocative arguments about law and violence advanced by hermann cohen kurt hiller erich unger and emil lederer a new translation of selections from georges sorel's reflections on violence further illuminates benjamin's critical program the volume also includes for the first time in any language a bibliography benjamin drafted for the expansion of the essay and the development of a corresponding philosophy of law an extensive introduction and afterword provide additional context with its challenging argument concerning violence law and justice which addresses such topical matters as police violence the death penalty and the ambiguous force of religion benjamin's work is as important today as it was upon its publication in weimar germany a century ago

Toward the Critique of Violence

2021-06-22

walter benjamin's most famous and influential essay remains the work of art in the age of mechanical reproduction walter benjamin and the work of art is the first book to provide a broad and dedicated analysis of this canonical work and its effect upon core contemporary concerns in the visual arts aesthetics and the history of philosophy the book is structured around three distinct areas the extension of benjamin's work the question of historical connection the importance of the essay in the development of criticism of both the visual arts and literature contributors to the volume include major benjamin commentators whose work has very much defined the reception of the essay and leading philosophers historians and aestheticians whose approaches open up new areas of interest and relevance

Walter Benjamin and Art

2005-02-01

an extraordinary book of real passionate research edmund de waal in 1945 ezra pound was due to stand trial for treason for his broadcasts in fascist italy during the second world war but before the trial could take place pound was pronounced insane escaping a potential death sentence he was shipped off to

st elizabeths hospital near washington dc where he was held for over a decade at the hospital pound was at his most contradictory and most controversial a genius writer the most important living poet in the english language according to t s eliot but also a traitor and now seemingly a madman but he remained a magnetic figure eliot elizabeth bishop robert lowell and john berryman all went to visit him at what was perhaps the world s most unorthodox literary salon convened by a fascist and held in a lunatic asylum told through the eyes of his illustrious visitors the bughouse captures the essence of pound the artistic flair the profound human flaws whilst telling the grand story of politics and art in the twentieth century

The Bughouse

2017-02-16

seven decades after his death german jewish writer philosopher and literary critic walter benjamin 1892 1940 continues to fascinate and influence here uwe steiner offers a comprehensive and sophisticated introduction to the oeuvre of this intriguing theorist acknowledged only by a small circle of intellectuals during his lifetime benjamin is now a major figure whose work is essential to an understanding of modernity steiner traces the development of benjamin s thought chronologically through his writings on philosophy literature history politics the media art photography cinema technology and theology walter benjamin reveals the essential coherence of its subject s thinking while also analyzing the controversial or puzzling facets of benjamin s work that coherence steiner contends can best be appreciated by placing benjamin in his proper context as a member of the german philosophical tradition and a participant in contemporary intellectual debates as benjamin s writing attracts more and more readers in the english speaking world walter benjamin will be a valuable guide to this fascinating body of work

Walter Benjamin

2012-08-15

the relationship between philosopher critic walter benjamin and playwright poet bertolt brecht was both a lasting friendship and a powerful intellectual partnership having met in the late 1920s in germany benjamin and brecht both independently minded marxists with a deep understanding of and passionate commitment to the emancipatory potential of cultural practices continued to discuss argue and correspond on topics as varied as fascism and the work of franz kafka faced by the onset of the midnight of the century with the nazi subversion of the weimar republic in germany and the stalinist degeneration of the revolution in russia both men in their own way strove to keep alive the tradition of dialectical critique of the existing order and radical intervention in the world to transform it in understanding brecht we find collected together benjamin s most sensitive and probing writing on the dramatic and poetic work of his friend and tutor stimulated by brecht s oeuvre and theorising his particular dramatic techniques such as the famous estrangement effect benjamin developed his own ideas about the role of art

and the artist in crisis ridden society this volume contains benjamin s introductions to brecht s theory or epic theatre and close textual analyses of twelve poems by brecht printed in translation here which exemplify benjamin s insistence that literary form and content are indivisible elsewhere benjamin discusses the plays the mother terror and misery of the third reich and the threepenny opera digressing for some general remarks on marx and satire here we also find benjamin s masterful essay the author as producer as well as an extract from his diaries that records the intense conversations held in the late 1930s in denmark brecht s place of exile between the two most important cultural theorists of this century in these discussions the two men talked of subjects as diverse as the work of franz kafka the unfolding soviet trials and the problems of literary work on the edge of international war

Understanding Brecht

2020-05-05

not an autobiography in the customary sense benjamin s recollection of his childhood in an upper middle class jewish home in berlin s west end at the turn of the century is translated into english for the first time in book form

Berlin Childhood Around 1900

2006

on hashish is walter benjamin s posthumous collection of writings providing a unique and intimate portrait of the man himself of his experiences of hashish and also of his views on the weimar republic

On Hashish

2006

Walter Benjamin

2013

anthropology has long been associated with an ethos of engagement the field s

core methods and practices involve long term interpersonal contact between researchers and their study participants giving major research topics in the field a distinctively human face the fact that these interactions frequently cross social parameters including class race ethnicity and gender raises important questions can research findings be authentic and objective are anthropologists able to use their data to aid the participants of their study and is that aid always welcome in this book authors bring together an international array of scholars who have been embedded in some of the most conflict ridden and dangerous zones in the world to reflect on the role and responsibility of anthropological inquiry they explore issues of truth and objectivity the role of the academic the politics of memory and the impact of race gender and social position on the research process through ethnographic case studies they offer models for conducting engaged research and illustrate the contradictions and challenges of doing so bookjacket

Engaged Observer

2006

focusing on the arcades of 19th century paris glass roofed rows of shops that were early centers of consumerism benjamin presents a montage of quotations from and reflections on hundreds of published sources 46 illustrations

The Arcades Project

1999

the work of the great literary and cultural critic walter benjamin is an audacious plotting of history art and thought a reservoir of texts commentaries scraps and fragments of everyday life art and dreams throughout his life benjamin gathered together all kinds of artifacts assortments of images texts and signs themselves representing experiences ideas and hopes each of which was enthusiastically logged systematized and analyzed by their author in this way benjamin laid the groundwork for the salvaging of his own legacy intricate and intimate walter benjamin s archive leads readers to the heart of his intellectual world yielding a rich and detailed portrait of its author

Walter Benjamin's Archive

2015-09-15

walter benjamin was perhaps the twentieth century s most elusive intellectual his writings defy categorization and his improvised existence has proven irresistible to mythologizers in a major new biography howard eiland and michael jennings present a comprehensive portrait of the man and his times as well as extensive commentary on his work

Walter Benjamin

2014-01-20

walter benjamin s magnum opus was a book he did not live to write in the dialectics of seeing susan buck morss offers an inventive reconstruction of the passagen werk or arcades project as it might have taken form working with benjamin s vast files of citations and commentary which contain a myriad of historical details from the dawn of consumer culture buck morss makes visible the conceptual structure that gives these fragments philosophical coherence she uses images throughout the book to demonstrate that benjamin took the debris of mass culture seriously as the source of philosophical truth the paris arcades that so fascinated benjamin as they did the surrealists whose materialist metaphysics he admired were the prototype the 19th century ur form of the modern shopping mall benjamin s dialectics of seeing demonstrate how to read these consumer dream houses and so many other material objects of the time from air balloons to women s fashions from baudelaire s poetry to grandville s cartoons as anticipations of social utopia and simultaneously as clues for a radical political critique buck morss plots benjamin s intellectual orientation on axes running east and west north and south moscow paris berlin naples and shows how such thinking in coordinates can explain his understanding of dialectics at a standstill she argues for the continuing relevance of benjamin s insights but then allows a set of afterimages to have the last word

The Dialectics of Seeing

1991-07-01

the surviving correspondence between walter benjamin and theodor w adorno this is the first time all of the surviving correspondence between adorno and benjamin has appeared in english provides a key to the personalities and projects of these two major intellectual figures offers a compelling insight into the cultural politics of the period at a time of social and political upheaval an invaluable resource for all students of the work of adorno and especially of benjamin extensively annotated and cross referenced
