Reassessing the Park Chung Hee Era, 1961-1979 2011-12-01

the republic of korea achieved a double revolution in the second half of the twentieth century in just over three decades south korea transformed itself from an underdeveloped agrarian country into an affluent industrialized one at the same time democracy replaced a long series of military authoritarian regimes these historic changes began under president park chung hee who seized power through a military coup in 1961 and ruled south korea until his assassination on october 26 1979 while the state s dominant role in south korea s rapid industrialization is widely accepted the degree to which park was personally responsible for changing the national

character remains hotly debated this book examines the rationale and ideals behind park s philosophy of national development in order to evaluate the degree to which the national character and moral values were reconstructed

The Battle for Merger 2014

the berlin wall german berliner mauer was a barrier constructed by the german democratic republic gdr east germany starting on 13 august 1961 that completely cut off by land west berlin from surrounding east germany and from east berlin the barrier included guard towers placed along large concrete walls which circumscribed a wide area later known as the death strip that contained anti vehicle trenches fakir beds and other defenses the eastern bloc claimed that the wall was erected to protect its population from fascist elements conspiring to prevent the will of the people in building a socialist state in east germany in practice the wall served to prevent the massive emigration and defection that marked germany and the communist eastern bloc during the post world war ii period wikipedia

The Berlin Crisis of 1961 1973-02

the crowded bustling squatter kampongs so familiar across southeast asia have long since disappeared from singapore leaving few visible traces of their historical influence on the life in the city state in one such settlement located in an area known as bukit ho swee a great fire in 1961 destroyed the kampong and left 16 000 people homeless creating a national emergency that led to the first big public housing project of the new housing and development board hdb hdb flats now house more than four fifths of the singapore population making the aftermath of the bukit ho swee fire a seminal event in modern singapore loh kah seng grew up in one room rental flats in the hdb estate built after the fire drawing on oral history interviews official records and media reports he describes daily life in squatter communities and how people coped with the hazard posed by fires his examination of the catastrophic events of 25 may 1961 and the steps taken by the new government of the people s action party in response to the disaster show the immediate consequences of the fire and how relocation to public housing changed the people s lives through a narrative that is both vivid and subtle the book explores the nature of memory and probes beneath the hard surfaces of modern singapore to understand the everyday life of the people who live in the city
