both silver and black top 2 0 engines power achieved is approx 150bhp for a 1 8 130ps and 160bhp for the 2 0 however these are really the limit of the standard induction and further increases are not possible unlike their other kits this version was known as the silvertop for the colour of its rocker cover and it produced 85kw of power and 260nm of torque that doesn't sound much and to be honest it wasn't but the engine's ability to hang on combined with the gearing in the lower ratios of the patrol's transfer case gave it plenty of punch for off roading toyota 4age silvertop engine manual
