## **NetWeaver for EMDS User Guide**

### **(version 1.1) 1999**

treehouses have always been a symbol of imagination and adventure but despite the traditional stereotype treehouses are not just for children and children s stories well built and in the right spot they can add real value to your home and lifestyle beloved for centuries as ramshackle palaces of backyard escape and fun the modern day treehouse has

evolved from more traditional structures in the process morphing and expanding its agenda to capture the heart and soul of a new breed of acolytes versatile and endlessly adapting it gives us a unique opportunity for creative expression and an individualistic challenge it enables us to build on unbuildable plots create unusual business models and even use it as a form for art installations using high end interiors landscape and lifestyle photography and styling in the specially commissioned images photographed in all seasons and weather conditions the book includes 35 treehouses with different budgets and styles from the rustic that seem to disappear into the foliage to the futuristic made out of contemporary materials embracing a world wide approach the seeds of inspiration in this book come from far and wide from contemporary minimalist treehouses recycled urban structures in backyards bespoke welsh hideaways and glass walls in the african wilderness to cabins perched on trees in the scented lavender fields of southern italy creativity and vision definitely anchor each and every one of them firmly to the ground the accompanying narrative for each of these projects will give information about the location the owners and their inspiration as well as style notes
