**Cambridge BEC Vantage 2. Students Book with answers** 2009 digital transformation is not about technology it s about

change in the rapidly changing digital economy you can't succeed by merely tweaking management practices that led to past success and yet while many leaders and managers recognize the threat from digital and the potential opportunity they lack a common language and compelling framework to help them assess it and guide them in responding they don't know how to think about their digital business model in this concise practical book mit digital research leaders peter weill and stephanie woerner provide a powerful yet straightforward framework that has been field tested globally with dozens of senior management teams based on years of study at the mit center for information systems research cisir the authors find that digitization is moving companies business models on two dimensions from value chains to digital ecosystems and from a fuzzy understanding of the needs of end customers to a sharper one looking at these dimensions in combination results in four distinct business models each with different capabilities the book then sets out six driving questions in separate chapters that help managers and executives clarify where they are currently in an increasingly digital business landscape and highlight what's needed to move toward a higher value digital business model filled with straightforward self assessments motivating examples and sharp financial analyses of where profits are made this smart book will help you tackle the threats leverage the opportunities and create winning digital strategies

*Oswaal CAT 25 Years Solved Papers + 15 Mock Test Papers (Set of 2 books) For 2024 Exam* 2012-02-23 i'm a huge fan of alison green's ask a manager column this book is even better robert sutton author of the no asshole rule and the asshole survival guide ask a manager is the book i wish i'd had in my desk drawer when i was starting out or even let's be honest fifteen years in sarah knight new york times bestselling author of the life changing magic of not giving a f\*ck a witty practical guide to navigating 200 difficult professional conversations ten years as a workplace advice columnist has taught alison green that people avoid awkward conversations in the office because they don't know what to say thankfully alison does in this incredibly helpful book she takes on the tough discussions you may need to have during your career you'll learn what to say when colleagues push their work on you then take credit for it you accidentally trash talk someone in an email and hit reply all you're being micromanaged or not being managed at all your boss seems unhappy with your work you got too drunk at the christmas party with sharp sage advice and candid letters from real life readers ask a manager will help you successfully navigate the stormy seas of office life
