## **Several Short Sentences About Writing 2012-08-07**

most of what you think you know about writing is useless it's the harmful  
debris of your education a mixture of half truths myths and false assumptions  
that prevents you from writing well drawing on years of experience as a  
writer and teacher of writing verlyn klinkenborg offers an approach to  
writing that will change the way you work and think there is no gospel no  
orthodoxy no dogma in this book what you'll find here isn't the way to write  
instead you'll find a way to clear your mind of illusions about writing and  
discover how you write several short sentences about writing is a book of  
first steps and experiments they will revolutionize the way you think and  
perceive and they will change forever the sense of your own authority as a  
writer this is a book full of learning but it's also a book full of  
unlearning a way to recover the vivid rhythmic poetic sense of language you  
once possessed an indispensable and unique book that will give you a clear  
understanding of how to think about what you do when you write and how to  
improve the quality of your writing

## ***The Heart and Other Monsters 2020-07-07***

impossible to put down it haunts me still alex marzano lesnevich author of the fact of a body a murder and a memoir a riveting deeply personal exploration of the opioid crisis an empathic memoir infused with hints of true crime in november 2013 rose andersen s younger sister sarah died of an overdose in the bathroom of her boyfriend s home in a small town with one of the highest rates of opioid use in the state like too many of her generation she had become addicted to heroin sarah was 24 years old to imagine her way into sarah s life rose revisits their volatile childhood marked by their stepfather s omnipresent rage and their father s pathological lying as the dysfunction comes into focus so does a broader picture of the opioid crisis and the drug rehabilitation industry in small towns across america and when

rose learns from the coroner that sarah s cause of death was a methamphetamine overdose the story takes a wildly unexpected turn as andersen sifts through her sister s last days we come to recognize the contours of grief and its aftermath the psychic shattering which can turn to anger the pursuit of an ever elusive verdict and the intensely personal rites of imagination and art needed to actually move on reminiscent of alex marzano lesnevich s the fact of a body maggie nelson s jane a murder and lacy m johnson s the other side andersen s debut is a potent profoundly original journey into and out of loss

## The Prince and the Nun (Large Print 16pt)

### 2015-02-01

reviews i wouldn t hesitate to recommend this book you will need to keep an open mind when reading this story about a group of nuns who become prostitutes this book is one of the more controversial erotic novels i ve read recently the prince and the nun offers another outlook on the oldest profession with a twist although at times prince mefist and his sister wanda are blase about what is forced on these nuns i still found this story kept me interested to discover the fate of these women it was well written and it displayed emotional depth and character development as well as the differing viewpoints of the various characters the author does not intentionally set out to titillate her readers the prince and the nun is interesting and there are some very hot moments in the book with some very tasteful scenes the premise offered here is that this may be a situation borne out of the

necessity of war these women simply have no other choice aggie tsirikas  
justeroticromancereviews com the prince and the nun is the finest thing i  
have read combining history characterization erotica believable erotica in  
decades the characters are fine the plot is excellent the good guys  
believable without being insipid the bad guys abominable without being  
demonic the story line gives insight into aspects of the period i had never  
known before and hardly suspected higher praise i don t think i could find  
for a literary work jane gallion literary editor renaissance ebooks wow talk  
about breaking some taboos i found the story to be engaging the characters  
well rounded and the dialogue believable i was pleasantly surprised to find  
that there was honest humor in these pages as well as sex scenes that are  
just the right touch of spice that i enjoy it was fascinating to view these  
experiences from the eyes of therese and the other nuns i especially enjoyed  
the character of captain prince franz mefist the adjutant of the army brigade  
that occupies the castle it is he who gives therese the ultimatum and he who  
supervises the nuns training as the officers girls he is aristocratic with an  
air of privilege that brooks no compromise yet is kind and sympathetic to  
their plight even as he gives them no room to refuse as the nuns enter their  
new profession they learn several things there are many wonderful scenes  
involving their enlightenment but i won t spoil the fun by divulging  
everything here suffice to say that i recommend that you go read the book  
jacqueline has done a bang up job and i hope you all enjoy it

## **Great North Road 2013-01-01**

named one of the best books of the year by publishers weekly new york times bestselling author peter f hamilton's riveting new thriller combines the nail biting suspense of a serial killer investigation with clear eyed scientific and social extrapolation to create a future that seems not merely plausible but inevitable a century from now thanks to a technology allowing instantaneous travel across light years humanity has solved its energy shortages cleaned up the environment and created far flung colony worlds the keys to this empire belong to the powerful north family composed of successive generations of clones yet these clones are not identical for one thing genetic errors have crept in with each generation for another the original three clone brothers have gone their separate ways and the branches of the family are now friendly rivals more than allies or maybe not so friendly at least that's what the murder of a north clone in the english city of newcastle suggests to detective sidney hurst sid is a solid investigator who'd like nothing better than to hand off this hot potato of a case the way he figures it whether he solves the crime or not he'll make enough enemies to

ruin his career yet sid s case is about to take an unexpected turn because the circumstances of the murder bear an uncanny resemblance to a killing that took place years ago on the planet st libra where a north clone and his entire household were slaughtered in cold blood the convicted slayer angela tramelo has always claimed her innocence and now it seems she may have been right because only the st libra killer could have committed the newcastle crime problem is angela also claims that the murderer was an alien monster now sid must navigate through a byzantine minefield of competing interests within the police department and the world s political and economic elite all the while hunting down a brutal killer poised to strike again and on st libra angela newly released from prison joins a mission to hunt down the elusive alien only to learn that the line between hunter and hunted is a thin one bonus this edition includes an excerpt from peter f hamilton s the abyss beyond dreams praise for great north road a mesmerizing page turner publishers weekly starred review a gripping saga that blends wilderness survival police procedural political and social intrigue and dynastic sf into a mammoth tale featuring believable characters and exceptionally skilled storytelling library journal starred review a perfect introduction to hamilton s gifts for character design dialogue and sheer big idea driven storytelling booklist starred review compelling and original an awesome novel with plenty of action sfrevu one very compelling and entertaining science fiction novel sf site simply brilliant an astonishing achievement tor com

## **Why do We Write as We Write? Paradigms, Power, Poetics, Praxis 2019-01-04**

this volume was first published by inter disciplinary press in 2013 why what is motivating us what are the outcomes of our writing experiences how to improve them how to enable and empower young writers students or independent artists to write more and better what are the challenges the activity of writing has been observed in this ebook from mainly two different perspectives writing self and discovery on a predominantly institutional level and writing as craft with focus on text and writing practice the division seems simple but the variety of articles cover a wide range of subjects within the topic creating interesting overviews writing starts with writing instruction progresses to discovery of the text and this stage progresses frequently as shown in the articles as journeys of discovery and self discovery
