Fantasy League

2014-09-16

from the 1 bestselling author of heat travel team and million dollar throw comes a story of every football kid s dream come true 12 year old charlie is a fantasy football guru he may be just a bench warmer for his school s football team but when it comes to knowing and loving the game he s first string he even becomes a celebrity when his podcast gets noticed by a sports radio host who plays charlie s fantasy picks for all of los angeles to hear soon charlie befriends the elderly owner of the l a bulldogs a fictional nfl team and convinces him to take a chance on an aging quarterback after that watch out it s press conferences and national fame as charlie becomes a media curiosity and source of conflict for the bulldogs general manager whose job charlie seems to have taken it s all a bit much for a kid just trying to stay on top of his grades and maintain his friendship with his verbal sparring partner anna like the best disney film in book form like moneyball for kids fantasy league is every football kid s dream scenario praise for fantasy league this moneyball story with kids is on the money booklist starred review the feel good book of the year voya readers will be alternately cheering and reaching for a tissue

during the final playoff deciding game for the bulldogs this will be devoured by young football fans school library journal

New Zealand in the League of Nations

2011-11-08

when new zealand s prime minister william massey joined other heads of british empire countries in signing the 1919 treaty of versailles to end world war i and join the league of nations he did not regard the act as a declaration of independence on the contrary while canadian and south african leaders saw membership in the league as a rite of passage towards greater autonomy new zealand s leader viewed it as an unwelcome burden and a potential threat to the british empire this history of new zealand s relations with the league of nations from its inception in 1920 to its demise in 1946 follows the government s transformation in attitude from its initial hostility to detached acceptance and finally passionate support in the late 1930s by chronicling this complex movement the book traces new zealand s first tiny halting steps towards developing its own foreign policy

Investigation of Un-American Propaganda Activities in the United States

1988

roberta j newman and joel nathan rosen have written an authoritative social history of the negro leagues this book examines how the relationship between black baseball and black businesses functioned particularly in urban areas with significant african american populations chicago detroit indianapolis kansas city newark new york philadelphia and more inextricably bound together by circumstance these sports and business alliances faced destruction and upheaval once jackie robinson and a select handful of black baseball s elite gained acceptance in major league baseball and financial stability in the mainstream economy shock waves traveled throughout the black business world though the economic impact on negro league baseball is perhaps obvious due to its demise the impact on other black owned businesses and on segregated neighborhoods is often undervalued if not outright ignored in current accounts there have been many books written on great individual players who played in the negro leagues and or integrated the major leagues but newman and rosen move beyond hagiography to analyze what happens when a community has its economic footing undermined while simultaneously being called upon to celebrate a larger social progress in this regard black baseball black business moves beyond the diamond to explore baseball s desegregation narrative in a critical and wide ranging fashion

Printing Trade News

1911

the third volume in this exciting well researched history of america s pastime retraces some of the most important people and events in the game from jackie robinson s shattering of the race barrier to the labor unrest of the 1970s

African Americans in Sports

2015-03-26

pro baseball comes to the maine coast is a fictional baseball story about a newly formed low minor league baseball team that played in a beautiful region of maine known as penobscot bay the team joined a little known league made up of independent professional teams that did not have an affiliation with a major league team a local businessman and a successful small college

baseball coach joined together to make something that seemed to be impossible become a reality a team made up of undrafted small college players played their first season with determination they were a bunch of team oriented overachievers this feel good story of the first season is an example of how a sports team can be the bond that can bring an area of small towns together

The Treaty of Versailles

1998-09-13

tells the economic story of how in one decade the nfl transformed from having a modest following in the northeast to surpassing baseball as this country's most popular sport dust jacket flap

The Cultural Encyclopedia of Baseball, 2d ed.

2016-03-25

in spite of the general phobia of federalism there is a strong federalist trend within british political culture in three very different historical contexts federalism inspired the action of political movements such as the imperial federation league the round table and the federal union indeed it was regarded as the solution to problems arising from the first signs of the possible collapse of great britain and its empire the round table movement played a particularly interesting role in this regard attempting to reverse the rapid and inexorable decline of the british empire it was a political organisation with roots in all the major peripheries of the empire and almost unlimited financial resources this volume discusses the strategies and means employed by the group in order to maintain the british empire s global prominence the book s main argument is that we did not have a british century the nineteenth and an american century the twentieth but rather four centuries of anglo saxon supremacy which witnessed the affirmation of the national principle expression of the continental political tradition and its overcoming through its opposite the federal principle the expression of the insular political tradition

Sports around the World [4 volumes]

Black Baseball, Black Business

2014-03-03

the new york yankees were the strongest team in the majors from 1948 through 1960 capturing the american league pennant 10 times and winning seven world championships the average fan when asked who made the team so dominant will mention joe dimaggio yogi berra whitey ford or mickey mantle some will insist manager casey stengel was the key but pundits at the time and respected historians today consider the shy often taciturn george martin weiss the real genius behind the yankees success weiss loved baseball but lacked the ability to play he made up for it with the savvy to run a team better than his competitors he spent more than 50 years in the game including nearly 30 with the yankees before becoming their general manager

he created their superlative farm system that supplied the club with talented players when the yankees retired him at 67 the newly franchised new york mets immediately hired him to build their team this book is the first definitive biography of weiss a hall of famer hailed for contributing as much to baseball as any man the game could ever know

Late Innings

2002-01-01

this volume investigates the way in which football supporters around the world express themselves as followers of teams whether they be professional amateur or national the diverse geographical and cultural array of contributions to this volume highlights not only the variety of how fans express themselves but their commonalities as well the collection brings together scholars of north and south america europe asia and africa to present a global picture of fan culture the collection shows that while every group of fans around the world has its own characteristics the role of a football fan is laced with commonalities irrespective of geography or culture this book was previously published as a special issue of soccer and society

Pro Baseball Comes to the Maine Coast

2020-05-14

billy hamilton whose major league career spanned 1888 1901 holds the all time record for runs scored in a season 196 in 129 games number of consecutive games scoring a run 24 and career runs scored per game 1 06 he shares records for most triples in a game 4 and sacrifices in a game 4 and his average of one steal every 1 74 games bests ricky henderson s despite these records and his 1961 induction into the hall of fame little has been written about him this biography covers hamilton s entire life including his major league career with the kansas city cowboys philadelphia phillies and boston nationals as well as his later career as a minor league player manager and bench manager team owner major league scout and plant foreman the author exclusively uses primary sources for all information dealing with hamilton s career and personal life

The Business of Sports

2004

as a player manager team captain umpire owner and league president hall of famer jim o rourke 1851 1918 spoke for the players in the emerging game of baseball o rourke s career paralleled the rise of the game from a regional sport with few strategies to the national pastime nicknamed orator for his booming voice and his championing of the rights of professional athletes he was a driving force in making the sport a profession bringing respectability to the role of professional baseball player from contemporary sources o rourke s own correspondence

and player files available through the national baseball library a rounded portrait of jim o rourke emerges quick to speak his mind the outfielder played on nine pennant winning teams but his playing career was overshadowed by his work in organizing baseball s first union after his playing days ended o rourke attempted to establish the connecticut league becoming the circuit s president secretary and treasury though the league failed to fully materialize his bridgeport victors did play several games and were one of the few racially integrated teams a fact emblematic of o rourke s efforts to change the national pastime in those efforts he attempted to wrest control of the game from the owners and empower the players a carefully researched account of o rourke s life and career this biography also provides a behind the scenes look at the growth of the national pastime from the civil war through the deadball era

Organized Professional Team Sports

1957

cap anson s plaque at the baseball hall of fame sums up his career with admirable simplicity the greatest hitter and greatest national league player manager of the 19th century anson helped make baseball the national pastime he hit over 300 in all but three of his major league seasons and upon his retirement in 1897 he held the all time records for games played times at bat hits runs scored doubles and runs batted in for much of his career he also served as manager of the national league s chicago white stockings now known as the cubs winning five pennants and finishing in the top half of the league in 15 of his 19 seasons anson s career coincided with baseball s rise to prominence as the sport s first superstar he was one of the best known and most widely admired men in the united states he took advantage of his fame starring in a broadway play and touring on the vaudeville circuit he toured england europe egypt and australia introducing baseball throughout the world regrettably he also vehemently opposed the presence of african americans in the game and played a significant role in its segregation in the 1880s from marshalltown iowa to superstar status this work traces the life and times of anson and the growth of the national pastime

Run to Glory and Profits

2013-10-01

it was no coincidence that the civil war occurred during an age of violent political upheaval in europe and the americas grounding the causes and philosophies of the civil war in an international context andre m fleche examines how questions of national self determination race class and labor the world over influenced american interpretations of the strains on the union and the growing differences between north and south setting familiar events in an international context fleche enlarges our understanding of nationalism in the nineteenth century with startling implications for our understanding of the civil war confederates argued that european nationalist movements provided models for their efforts to establish a new nation state while unionists stressed the role of the state in balancing order and liberty in a revolutionary age diplomats and politicians used such arguments to explain their causes to thinkers throughout the world fleche maintains that the fight over the future of republican government in america was also a battle over the meaning of revolution in the atlantic world and as such can be fully understood only as a part of the world historical context in which it was fought

The Round Table Movement and the Fall of the 'Second' British Empire (1909-1919)

2017-01-06

here is the first in depth account of the birth of black baseball and its dramatic passage from grass roots venture to commercial enterprise in the late nineteenth century resourceful black businessmen founded ball teams that became the negro leagues racial bias aside they faced vast odds from the need to court white sponsors to negotiating ball parks with no blacks in cities they barnstormed small towns to attract fans employing all manner of gimmickry to rouse attention drawing on major newspapers and obscure african american journals the author explores the diverse forces that shaped minority baseball he looks unflinchingly at prejudice in amateur and pro circles and constant inadequate press coverage he assesses the impact of urbanization migration and the rise of northern ghettos and he applauds those bold innovators who forged black baseball into a parallel club that appealed to whites yet nurtured a uniquely african american playing style this was black baseball s finest hour at once a source of great ethnic pride and a hard won pathway for integration into the mainstream

Economics of Strategy

2017-07-17

the scope of a game of inches is encyclopedic with nearly a thousand entries that illuminate the origins of items ranging from catchers masks to hook slides to intentional walks to cork center baseballs but this is much more than just a reference guide along the way award winning author peter morris has a sharp eye for the telling quote and the entertaining anecdote he explains the context that led each new feature of the game to emerge when it did and chronicles the often surprising responses to these innovations book jacket
