about a tin soldier s adventure and his love for a ballerina retold with a twist with her signature warmth and lyricism newbery winner cynthia rylant has crafted a new version of the classic hans christian andersen fairy tale about a tin soldier who falls in love with a ballerina as in the original story the tin soldier s love for the beautiful ballerina is thwarted by a goblin the tin soldier is separated from the other toys and washed down a sewer where he encounters a rat and gets swallowed by a fish but somehow against all odds he manages to end up back home only to be cast into the nursery fire rylant adds her own twist to the end of the tale however for in this version the tin soldier and the ballerina are melded to each other rather than melted in the heat of the fire so they ll never be parted again rylant s expert storytelling paired with corace s stunning illustrations create a beautiful unforgettable tale of everlasting love praise for the steadfast tin soldier gracefully written the book s large format gives plenty of scope for corace s distinctive illustrations precise ink drawings brightened with watercolor gouache and acrylic paints sometimes brilliantly colorful and sometimes more subdued the scenes can be crowded with dozens of toys or other visual elements but they show up well from a distance the subtle depictions of the goblin and his shadow are particularly fine a softened vision of the literary fairy tale booklist text and illustrations weave seamlessly to create an involving fast paced update of a much loved tale rylant s retelling is of all you as far as the education of children is concerned states natalia ginzburg in this collection of her finest and best known short essays i think they should be taught not the little virtues but the great ones not thrift but generosity and an indifference to money not caution but courage and a contempt for danger not shrewdness but frankness and a love of truth not tact but a love of one s neighbor and self denial not a desire for success but a desire to be and to know whether she writes of the loss of a friend cesare pavese or what is inexpugnable of world war ii or the abruzzis where she and her first husband lived in forced residence under fascist rule or the importance of silence in our society or her vocation as a writer or even a pair of worn out shoes ginzburg brings to her reflections the wisdom of a survivor and the spare wry and poetically resonant style her readers have come to recognize a glowing light of modern italian literature ginzburg s magic is the utter simplicity of her prose suddenly illuminated by one word that makes a lightning streak of a plain phrase as direct and clean as if it were carved in stone it yet speaks thoughts of the heart the new
