what would be the content of a christianity 101 class in other words what is elementary christianity to avoid pet doctrines and the inevitable differences of opinion we should see what the bible itself describes as the elementary doctrines or the foundational principles of the faith these are enumerated in hebrews 6 1 2 as repentance from sin faith toward god baptisms plural the laying on of hands the resurrection of the dead and eternal judgment listening to the amount of heated discussion in the body of christ on these topics we soon realize that as a whole the body of christ doesn t even have a good handle on the elementary doctrines yet the bible says much on these doctrines that is often overlooked by those doing only a casual study this book looks at the scriptures pertaining to these six topics in great detail and then speculates on what it might mean to go beyond these foundational teachings as hebrews 6 1 encourages us to do
