a sweet tooth is a powerful thing babies everywhere seem to smile when tasting sweetness for the first time a trait inherited perhaps from our ancestors who foraged for sweet foods that were generally safer to eat than their bitter counterparts but the science of sweet is only the beginning of a fascinating story because it is not basic human need or simple biological impulse that prompts us to decorate elaborate wedding cakes scoop ice cream into a cone or drop sugar cubes into coffee these are matters of culture and aesthetics of history and society and we might ask many other questions why do sweets feature so prominently in children s literature when was sugar called a spice and how did chocolate evolve from an ancient drink to a modern candy bar the oxford companion to sugar and sweets explores these questions and more through the collective knowledge of 265 expert contributors from food historians to chemists restaurateurs to cookbook writers neuroscientists to pastry chefs the companion takes readers around the globe and throughout time affording glimpses deep into the brain as well as stratospheric flights into the world of sugar crafted fantasies more than just a compendium of pastries candies ices preserves and confections this reference work reveals how the human proclivity for sweet has brought richness to our language our art and of course our gastronomy in nearly 600 entries beginning with à la mode and ending with the italian trifle known as zuppa inglese the companion traces sugar s journey from a rare luxury to a ubiquitous commodity in between readers will learn about numerous sweeteners as well known as agave nectar and as obscure as castoreum or beaver extract the evolution of the dessert course the production of chocolate and the neurological psychological and cultural responses to sweetness the companion also delves into the darker side of sugar from its ties to colonialism and slavery to its addictive qualities celebrating sugar while acknowledging its complex history the oxford companion to sugar and sweets is the definitive guide to one of humankind s greatest sources of pleasure like kids in a candy shop fans of sugar and aren t we all will enjoy perusing the wondrous variety to be found in this volume

The Oxford Companion to Sugar and Sweets

2015-04-01

the wines of tuscanly were famous long before leonardo da vinci described them as bottled sunshine and they are at the forefront of the remarkable renaissance of italian wine over the

past 30 years in this groundbreaking new book nicolas belfrage shares his insider s knowledge acquired as a specialist wine trader and writer mindful of the region s fascinating past belfrage brings its story up to date discussing such subjects as geology and geography grape varieties and the latest research into sangiovese the variety used in the top wines of chianti classico brunello di montalcino and vino nobile di montepulciano he also clarifies the regulatory framework and follows the recent controversial developments in viticulture and winemaking including the rise of the super tuscans and the ongoing brunello gate scandal that broke in 2008 at the heart of the book are in depth illustrated profiles of more than 90 of the most interesting producers large and small with insightful notes on the essential character of their finest wines the author also offers a comprehensive review of vintages and selects his top 100 wines in ten different categories while wines of special quality or value are indicated throughout

first collection of full length plays from british east asian playwrights playwrights yang mai ooi jeremy tiang lucy chai lai tuen amy ng stephen hoo joel tan and daniel york loh selected and edited cheryl robson dr amanda rogers and dr ashley thorpe with an introduction dr amanda rogers and dr ashley thorpe a landmark collection of contemporary full length plays by british east asian writers exploring subjects such as cultural identity the fragmentation of communities tradition invisibility and discrimination these plays are ideal to perform with an introduction by academics dr amanda rogers and dr ashley thorpe which sets the plays into context and explores the hidden history of theatre from bea theatre makers this is a timely collection being published within months of the opening of three plays by british east asian playwrights in the uk

and a growing awareness in the mainstream press that that east asians in british theatre are under represented as daniel york loh writes british east asians were effectively side lined in any debate on diversity in theatre where the general establishment view tends towards a binary black white which seems to exclude large swathes of the asian continent as kumiko mendl of yellow earth theatre writes there is an abundance of talent and experience to be found in the uk and it s time that the rest of britain woke up to the diversity of artists and practitioners around them those that know their kuan han ching as well as their shakespeare the seven plays in the anthology are bound feet blues by yang mai ooi the last days of limehouse by jeremy tiang conversations with my unknown mother by lucy chai lai tuen special occasions by amy ng jamaica boy by stephen hoo tango by joel tan the fu manchú complex by daniel york loh ooi has some unsettling examples of how even today in the west daintiness in a woman is often celebrated and a beauty is pain culture still exists the stage the last days of limehouse is a finely balanced well written and superbly acted play that s well worth seeing everything theatre a devilishly ironic spin on sax rohmer s classic novel that will leave you in hysterics wildly satirical and steeped in sexual innuendo the atmosphere created on stage is alluring the upcoming
