fun this absolute must have book is the ideal gift for young people keen to know about everything and anything glamour camping is about the juxtaposition of rugged and really pretty grit and glam diesel and absolutely darling the new york times glamping unleashing your inner wild while wearing a pair of fishing lure earrings is for every woman or man who ever had a get away from it all fantasy with a few frilly embellishments thrown in learn about the never fail campfire cooking with cast iron how to change a flat and much much more like the infamous calamity jane who said i figure if a girl wants to be a legend she should go ahead and be one maryjane butters coined the term glamping years ago when she founded her unusual idaho canvas wall tent bed breakfast which was featured in the new york times magazine and travel leisure as the place to be legend status achieved maryjane lives in moscow idaho where she runs her many businesses which include a successful organic farm product lines a bed breakfast and maryjanesfarm magazine this is her fourth book one busy hectic afternoon in my

house i sat down to take a quick peek at glamping over two hours later i was still reading blissfully lost in maryjane's beautiful world i'm dying over this book i absolutely positively love it ree drummond new york times bestselling author of the pioneer woman cooks relocation newcomer schools guide to san diego county california updated annually school rankings crime stats city descriptions weather history demographics hospital and day care directories fun and games and more xml schema 1.1 has gone from strong data typing to positively stalwart so powerful it can enforce database level constraints and business rules so your data transfer code won't have to this book covers the 1.1 changes and more in its 500 revisions to priscilla walmsley's 10 year best selling classic it's the guide you need to navigate xml schema's complexity and master its power charles f goldfarb for ten years the world's favorite guide to xml schema now extensively revised for version 1.1 and today's best practices to leverage xml's full power organizations need shared vocabularies based on xml schema for a full decade definitive xml schema has been the most practical accessible and usable guide to working with xml schema now author priscilla walmsley has thoroughly updated her classic to fully reflect xml schema 1.1 and to present new best practices for designing successful schemas priscilla helped create xml schema as a member of the w3c xml schema working group so she is well qualified to explain the w3c recommendation with insight and clarity her book teaches practical techniques for writing schemas to support any application including many new use cases you'll discover how xml schema 1.1 provides a rigorous complete specification for modeling xml document structure content and datatypes and walk through the many aspects of designing and applying schemas including composition instance validation documentation and namespaces then building on the fundamentals priscilla introduces powerful advanced techniques ranging from type derivation to identity constraints this edition's extensive new coverage includes many new design hints tips and tricks plus a full chapter on creating an enterprise strategy for schema development and maintenance design considerations in creating schemas for relational and object oriented models narrative content and services an all new chapter on assertions coverage of new 1.1 features including overrides conditional type assignment open content and more modernized rules for naming and design substantially updated coverage of extensibility reuse and versioning and much more if you're an xml developer architect or content specialist with this second edition you can join the tens of thousands who rely on definitive xml schema for practical insights deeper understanding and solutions that work it is the opinion of professor loyal of the university of that the average american to put it bluntly knows little or nothing about uncle sam's foreign service he is also of the opinion that the time is at hand when the aforesaid average american must know more about it owing to the growth in importance of our foreign relations both politically and commercially an excerpt this novel uncle sam abroad by je conner is an analysis of the american foreign policy in the late 1800s and early 1900s this novel raises many important questions about american colonialism at one point during our lunch the famous sonny bono asked so in other words we've reached a point where a rescuer can't say screw the rules and just do the right thing not in other words sonny those are the perfect words immutable law 2 saving lives is not our priority following our policies is our priority protecting ourselves comes next avoiding lawsuits comes third you come somewhere after that i was not even out of school before i witnessed my first doctor commit murder it would not be my last lord no but i can recall that night as vividly as though it happened last week few medics forget their first physician homicide the ugly truth is some of the most macho medics on the planet turn into complete lollipops in the presence of an arrogant incompetent physician no matter how you parse it that is professional cowardice k patrick mcdonald is a graduate of uc sd la jolla school of medicine original advanced field medicine program he was appointed the first ems supervisor for the city of san diego under mayor and then governor pete wilson's administration he created one of the nation's first star special trauma rescue teams and co authored the san diego city disaster preparedness plan he was a co author of the national waterpark lifeguard training manual he has acted as consultant to the u.s secret service in presidential protection matters he writes after 30 years of occasionally saving lives i learned that by writing and speaking i can do more good for more citizens while tolerating far fewer medical political snollygosters for more on this fascinating subject visit paramedicheretic.com a new century new superpowers a new breed of homeland security bypassing all safeguards terrorists enter fort stephens the newest high tech army base and detonate a truck full of powerful explosives within hours other bases are hit under attack the army calls in net force to help teaming up with army intelligence and the national guard net force's own crack troops struggle to track down who is behind the deadly attacks but they are countered at every move by a cunning opponent who thinks just like

one of their own kat a gifted fine arts student is horrified to learn that her grandfather is accused of war crimes and threatened with deportation from canada follow two abolitionists who fought one of the most shockingly persistent evils of the world human trafficking and sexual exploitation of slaves told in alternating chapters from perspectives spanning more than a century apart read the riveting 19th century first hand account of harriet jacobs and the modern day eyewitness account of timothy ballard harriet jacobs was an african american born into slavery in north carolina in 1813 she thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother s house for seven years before escaping north to freedom she published an autobiography of her life incidents in the life of a slave girl which was one of the first open discussions about sexual abuse endured by slave women she was an active abolitionist associated with frederick douglass and during the civil war used her celebrity to raise money for black refugees after the war she worked to improve the conditions of newly freed slaves as a former special agent for the department of homeland security who has seen the horrors and carnage of war timothy ballard founded a modern day underground railroad which has rescued hundreds of children from being fully enslaved abused or trafficked in third world countries his story includes the rescue and his eventual adoption of two young siblings mia and marky who were born in haiti section 2 features the lives of five abolitionists a mix of heroes from past to present who call us to action and teach us life lessons based on their own experiences harriet tubman the conductor abraham lincoln the great emancipator little mia the sister who saved her little brother guesno mardy the haitian father who lost his son to slave traders and harriet jacobs a teacher for us all presents islamic stories that offer a background in islamic traditions folk tales and mystical verse a collection of superb landscape photographs by magnum photographers compounded with the emergence of information technology information services have become more complex in order to break the bottleneck in providing information services the information behavior of the user community must be studied and library staff must be effectively trained to identify adapt and satisfy the information needs of every type of information seeker innovations in the designing and marketing of information services provides emerging research exploring the theoretical and practical aspects of improving and expanding information resources and services in a cost effective way and enables librarians to plan and present information services for the betterment of civil society featuring coverage on a broad range of topics such as e resources knowledge ethics and user friendly technology this book is ideally designed for librarians information scientists behavioral scientists information technologists marketers marketing executives academicians researchers and students a guide to creating ever cool entertainment an asset to entertainment executives or anyone aiming to create the next big hit this book offers guidelines for developing concepts and marketing blockbusters whether it is a best selling novel a video game or a high tech toy blockbusters play a big part in american society despite the prominence of these breakthrough hits most entertainment ventures do not survive in today s competitive market this guide identifies the key principles that will ensure lasting success life is too sweet to live unhealthy
