succumb to one churchman's apocalyptic vision in this prophetic tale
by the radical nobel laureate and author of lord of the flies william
golding recorded by benedict cumberbatch as an audiobook there
were three sorts of people those who ran those who stayed and those
who were built in dean jocelin has a vision that god has chosen him to
erect a great spire his master builder fearfully advises against it for the
old cathedral was miraculously built without foundations but jocelin is
obsessed with fashioning his prayer in stone as his halo of hair grows
wilder and his dark angel darker the spire rises octagon upon octagon
pinnacle by pinnacle watched over by the gargoyles until the stone
pillars shriek the earth beneath creeps and the spire's shadow falls like
an axe on the medieval world below astounding so recklessly

beautiful so sad and so strange holds such a place in my soul that it is more or less a sacred text sarah perry a kind of miracle genius guardian quite simply a marvel nyrb superb a classic rebecca west a master fabulist an iconoclast john fowles a visionary his masterwork of faith folly and desperate desire golding at his best benjamin myers

in the past culture was a kind of vital consciousness that constantly rejuvenated and revived everyday reality now it is largely a mechanism of distraction and entertainment notes on the death of culture is an examination and indictment of this transformation

penned by none other than the nobel winner mario vargas llosa who is not only one of our finest novelists but one of the keenest social critics at work today taking his cues from t s eliot whose treatise notes towards the definition of culture is a touchstone precisely because the culture eliot aimed to describe has since vanished vargas llosa traces a decline whose ill effects have only just begun to be felt he mourns in particular the figure of the intellectual for most of the twentieth century men and women of letters drove political aesthetic and moral conversations today they have all but disappeared from public debate but vargas llosa stubbornly refuses to fade into the background he is not content to merely sign a petition he will not bite his tongue a necessary provocateur here vividly translated by john king provides an impassioned and essential critique of our time and culture

anyone who has read j d salinger s new yorker stories particularly a perfect day for bananafish uncle wiggily in connecticut the laughing man and for esme with love and squalor will not be surprised by the fact that his first novel is full of children the hero narrator of the catcher in the rye is an ancient child of sixteen a native new yorker named holden caulfield through circumstances that tend to preclude adult secondhand description he leaves his prep school in pennsylvania and goes underground in new york city for three days the boy himself is at once too simple and too complex for us to make any final comment about him or his story perhaps the safest thing we can say about holden is that he was born in the world not just strongly attracted to beauty but almost hopelessly impaled on it there are many voices in this novel children s voices adult voices underground voices but holden s voice is the most eloquent of all transcending his own

vernacular yet remaining marvelously faithful to it he issues a perfectly articulated cry of mixed pain and pleasure however like most lovers and clowns and poets of the higher orders he keeps most of the pain to and for himself the pleasure he gives away or sets aside with all his heart it is there for the reader who can handle it to keep
