In from the Cold 2008-01-11

over the last decade studies of the cold war have mushroomed globally unfortunately work on latin america has not been well represented in either theoretical or empirical discussions of the broader conflict with some notable exceptions studies have proceeded in rather conventional channels focusing on u s policy objectives and high profile leaders fidel castro and events the cuban missile crisis and drawing largely on u s government sources moreover only rarely have u s foreign relations scholars engaged productively with latin american historians who analyze how the international conflict transformed the region s political social and cultural life representing a collaboration among eleven north american latin american and european historians anthropologists and political scientists this volume attempts to facilitate such a cross fertilization in the process in from the cold shifts the focus of attention away from the bipolar conflict the preoccupation of much of the so called new cold war history in order to showcase research discussion and an array of new archival and oral sources centering on the grassroots where conflicts actually brewed the collection s contributors examine international and everyday contests over political power and cultural representation focusing on communities and groups above and underground on state houses and diplomatic board rooms manned by latin american and international governing elites on the relations among states regionally and less frequently on the dynamics between the two great superpowers themselves in addition to charting new directions for research on the latin american cold war in from the cold seeks to contribute more generally to an understanding of the conflict in the global south contributors ariel c armony steven j bachelor thomas s blanton seth fein piero gleijeses gilbert m joseph victoria langland carlota mcallister stephen pitti daniela spenser eric zolov

The Cold Book 2015-05-28

open hostilities in the korean war ended on the 27th of july 1953 the armistice that was signed at that time remains the poignant symbol of an incomplete conclusion of a war that retains a distinct possibility of resuming at short notice so what did australia contribute to the korean war from june 1950 to july 1953 what were the australians doing there how significant was the contribution and what difference did it make what has that meant for australia since then and what might that mean for australia into the future australians served at sea on land and in the air alongside their united nations partners during the war they fought with distinction from bitterly cold mountain tops to the frozen decks of aircraft carriers and in dogfights overhead this book includes the perspectives of leading academics practitioners and veterans contributing fresh ideas on the conduct and legacy of the korean war international perspectives from allies and adversaries provide contrasting counterpoints that help create a more nuanced understanding of australia s relatively small but nonetheless important contribution of forces in the korean war the book finishes with some reflections on implications that the korean war still carries for australia and the world to this day

In from the Cold 2020-03-05

a homeless mother and her teenage daughter live on the streets of a big city their lives are hard they look for food in garbage dumpsters bathe in donut shop washrooms and hide from the police the daughter is getting angry she doesn t want this awful new life she wants her other life back the life with her friends and school the mother keeps trying to do the right thing but everything is going so wrong

In from the Cold 2010-09-03

a lovely fascinating book which brings science to life alan lightman combining science history and adventure tom shachtman holds the reader s attention with the skill of a novelist as he chronicles the story of humans four centuries long quest to master the secrets of cold scientific american a disarming portrait of an exquisite ferocious world ending extreme absolute zero and the conquest of cold demonstrates how temperature science produced astonishing scientific insights and applications that have revolutionized civilization kirkus reviews it also illustrates how scientific advancement fueled by fortuitous discoveries and the efforts of determined individuals has allowed people to adapt to and change the environments in which they live and work shaping man s very understanding of and relationship with the world this truly wonderful book was adapted into an acclaimed documentary underwritten by the national science foundation and the alfred p sloan foundation directed by british emmy award winner david dugan and aired on the bbc and pbs s nova in 2008 library journal an absorbing account to chill out with booklist

Absolute Zero and the Conquest of Cold 2000-12-12

a claustrophobic high stakes thriller that will have you fearing what waits out in the cold it was supposed to be just one night in the cabin one night for lottie and her brand new stepsister jade to try to get along when a solar flare causes a massive blackout no power or cell signal lottie knows they ve got a long night ahead of them then in the dark someone else shows up at the cabin a stranger named alex claiming to be lost and needing shelter from the coming snowstorm but later that night lottie spies him in the driveway talking to two mysterious men in a pickup truck and she s sure he s lying about why he s here before lottie can find out more a fire forces her jade and alex out into the blizzard where they must rely on one another to get to safety wherever that is in the remote freezing tahoe wilderness they have to survive more than just the elements soon it becomes clear that alex s accomplices are hunting for all three of them in a scheme that s gone too far and taken a chilling deadly turn perfect for readers who love mysteries for teens snowy atmospheric thrillers fans of natasha preston natalie richards and karen mcmanus

Coming In From the Cold 2014-02-03

a thorough examination of the cold war taken from interviews with leading participants on both sides of the iron curtain for a major ten part radio programme to be broadcast by the bbc world service and in abbreviated form by bbc radio four later in 1993 this major work will provide an insight into what the cold war was like for those who were involved in running it and for others who detested it

Don't Let In the Cold 2022-09-06

spies and sorcerers face off during the cold war with the fate of the world in balance in this print edition of a hugely popular serial novel from five award winning and critically acclaimed authors the cold war rages in back rooms and dark alleys of 1970s prague as spies and sorcerers battle for home and country the fate of the east and the west hangs in the balance right along the iron curtain and crackling beneath the surface is a vein of magic that is waiting to be tapped this novel was previously published serially at serialbox com serials coldwitch

The World that Came in from the Cold 1993

interprets the global dynamics of the late cold war in the 1970s from the perspective of a small state bulgaria and its cultural diplomacy in the balkans the west and the third world

The Witch Who Came in from the Cold 2017-06-13

first published in 1991 as the turn this is the gripping narrative of the passage of the united states and the soviet union from the cold war to a new era now this widely praised book is available in a new updated paperback edition that brings the narrative up to the dramatic collapse of the soviet union replete with historical personalities as riveting as a spy thriller this is an enthralling record of history in the making 34 photos

The Cold War from the Margins 2021

this book first published in 1961 is an analysis of the great struggle of the twentieth century the cold war it carefully examines the conflict's origins in the russian revolution of 1917 and follows the thread of antagonism between west and east all the way up to 1960 these were the key years of the cold war when it seemed that the prospect of nuclear confrontation was a real one and this book offers a close reading of the main events of those years this volume concentrates on the cold war in the east and volume one focuses on the european theatre

From the Cold War to a New Era 1998-05-29

seth is one of the few passengers to survive the train crash now he and his fellow survivors face a new world of snow ice and freezing fog where they will be hunted like prey in the ruins of great britain

The Cold War and its Origins, 1917-1960 2021-01-26

this study reveals the hidden story of the secret book distribution program to eastern europe financed by the cia during the cold war at its height between 1957 and 1970 the book program was one of the least known but most effective methods of penetrating the iron curtain reaching thousands of intellectuals and professionals in the soviet bloc reich conducted thorough research on the key personalities involved in the book program especially the two key figures s s walker who initiated the idea of a mailing project and g c minden who developed it into one of the most effective political and psychological tools of the cold war the book includes excellent chapters on the vagaries of censorship and interception of books by communist authorities based on personal letters and accounts from recipients of western material it will stand as a testimony in honor of the handful of imaginative determined and hard working individuals who helped to free half of europe from mental bondage and planted many of the seeds that germinated when communism collapsed and the soviet bloc disintegrated

In Cold Blood 2019-07-22

named in the new york times book review's 100 notable books of 2014 ullmann's characters are complex and paradoxical neither fully guilty nor fully innocent siri brodal a chef and restaurant owner is married to jon dreyer a famous novelist plagued by writer's block siri and jon have two daughters and together they spend their summers on the coast of norway in a mansion belonging to jenny brodal siri's stylish and unforgiving mother siri and jon's marriage is loving but difficult and troubled by painful secrets they have a strained relationship with their elder daughter alma who struggles to find her place in the family constellation when milla is hired as a nanny to allow siri to work her long hours at the restaurant and jon to supposedly meet the deadline on his book life in the idyllic summer community takes a dire turn one rainy july night milla disappears without a trace after her remains are discovered and a suspect is identified everyone who had any connection with her feels implicated in her tragedy and haunted by what they could have done to prevent it the cold song is a story about telling stories and about how life is continually invented and reinvented

The Cold 2013-02-05

a third edition of a classic work on cold climate ecosystems updated with a new chapter on mammals and birds

Hot Books in the Cold War 2014-04-08

publisher description

The Cold Song 2000-10-03

1843 its principles theory and practice with ample directions for its self application and a full account of the wonderful cures performed with it on 7 000 patients of all nations

Life in the Cold 2004-05-17

the end of the cold war should have been an occasion to reassess its origins history significance and consequences yet most commentators have restated positions already developed during the cold war they have taken the break up of the soviet union the shift toward capitalism and electoral politics in eastern europe and countries formerly in the ussr as evidence of a moral and political victory for the united states that needs no further elaboration this collection of essays offers a more complex and nuanced analysis of cold war history it challenges the prevailing perspective which editor allen hunter terms vindicationism writing from different disciplinary and conceptual vantage points the contributors to the collection invite a rethinking of what the cold war was how fully it defined the decades after world war ii what forces sustained it and what forces led to its demise by exploring a wide range of central themes of the era rethinking the cold war widens the discussion of the cold war s place in post war history and intellectual life

The United States and Germany in the Era of the Cold War, 1945-1990 1996-09

drawing on analyses of the socio cultural context of east and central europe focusing on the czech cultural dynamics of the cold war and its aftermath this book examines the making and breaking of centrally controlled book production and reception

The Cold Water Cure 1998

this detailed two volume set tells the story of the cold war the dominant international event of the second half of the 20th century through a diverse selection of primary source documents one of the most extensive to date this set of primary source documents studies the cold war comprehensively from its beginning with the emergence of the world s first communist government in russia in late 1917 to its end in 1991 all of the key events including the berlin blockade the korean war the cuban missile crisis the vietnam war and the nuclear arms race are discussed in detail the primary sources provide insight into the thinking of all participants drawing on western soviet asian and latin american perspectives in the cold war interpreting conflict through primary documents primary documents are organized chronologically allowing readers to appreciate the ramifications of the cold war within a clear time frame extensive interpretive commentary provides in depth background and context for each document this work is an indispensable reference for all readers seeking to become deeply knowledgeable about the cold war

Rethinking the Cold War 2010-11-19

cold has long been a fixture of russian identity both within and beyond the borders of russia and the soviet union even as the ongoing effects of climate change complicate its meaning and cultural salience the russian cold assembles fascinating new contributions from a variety of scholarly traditions offering new perspectives on how to understand this mainstay of russian culture and history in chapters encompassing such diverse topics as polar exploration the eastern front in world war ii and the iconography of hockey it explores the multiplicity and ambiguity of cold in the russian context and demonstrates the value of environmental historical research for enriching national and imperial histories

Cold War Books in the 'Other' Europe and What Came After 2018-12-07

the unexpected end of the protracted conflict has been a sobering experience for scholars no theory had anticipated how the cold war would be terminated and none should also be relied upon to explicate its legacy but instead of relying on preconceived formulas to project past developments taking a historical perspective to explain their causes and consequences allows one to better understand trends and their long term significance the present book takes such perspective focusing on the evolution of security its substance as well as its perception the concurrent development of alliances and other cooperative structures for security and their effectiveness in managing conflicts in the legacy of the cold war vojtech mastny and zhu liqun bring together scholars to examine the worldwide effects of the cold war on international security focusing on regions where the cold war made the most enduring impact the euro atlantic area and east asia historians political scientists and international relations scholars explore alliances and other security measures during the cold war and how they carry over into the twenty first century

The Cold War [2 volumes] [2 volumes] 2021-08-13

an extremely useful and much needed survey over eleven chapters authors from eight countries cover the complex history of migration from the perspective of central and eastern europe between 1945 and 1993 following in the footsteps of klaus bade s encyclopedia of european migrations the authors make extensive use of sources in national languages while providing an extensive overview of population movements in the region between the baltic black and adriatic seas the individual chapters shed light on phenomena overlooked in other volumes including individual state reactions to various migratory phenomenon and the political economic and ideological consequences of human movement the chapters of this volume are uniform not only in their informative nature but also in suggesting new pathways for in depth research adam walaszek jagiellonian university kraków poland eastern europe is an emblematic space of mobility and its cold war history cannot be told without considering migration from and into the countries of the region this volume comes at a timely moment and provides a uniquely comprehensive account full with useful information for further research it will be a must read both for migration studies scholars and for area specialists ulf brunnbauer leibniz institute for east and southeast european studies regensburg germany the handbook is a gift to students of migration on three counts it gathers the expertise of scholars fluent in the languages and familiar with the archives of eastern and central europe thus it brings the multi layered and complex histories of movement beyond the flat descriptor of soviet bloc or eastern european migrations the handbook is both rich and lucid presenting in depth materials on the european twentieth century on one hand and organizing each chapter in a similar way offering the reader transparently comparable histories from estonia south to albania and from the ussr west to the gdr each chapter elucidates a complex migration history distinguished by national politics ethnic composition and economics moving from the cataclysmic impacts of world war ii to the international migrations and politics of cold war movement as well as the politics of cold war emigrants themselves each chapter ends with an epilogue on post 1989 international migrations and a valuable addendum on published and archival sources finally the handbook models the kind of high quality work produced by international scholarly cooperation at its best leslie page moch michigan state university table of contents introduction anna mazurkiewicz albania agata domachowska baltic states estonia latvia and lithuania pauli heikkilä bulgaria detelina dineva czechoslovakia michael cude and ellen paul germany bethany hicks

The Russian Cold 2013-12-16

what would you do if strange letters began appearing in your mail box read them when the unnamed narrator of this novel opens misdirected letters he enters the harsh disturbing world of farrel gorden gorden an assistant manager in a sporting goods store near new hampshire hates his new korean american boss and is on the verge of losing control of his hatred as we watch the narrator reconstruct the recent events in gorden s life including an affair with his boss wife and the wrenching consequences that follow the paths of these two disparate characters letter reader and letter writer converge violently as each intrudes on the life of the other this is a story that blurs the distinction between the real and the imaginary the violent and the mundane and negotiates the exterior world and interior workings of a vengeful mind chang narrates his passionate downbeat tale with naturalistic distance and an authentic even microscopic grasp of the dead end world farrel gorden inhabits chang is an exceptionally talented writer kirkus reviews

The Legacy of the Cold War 2019-05-06

conventional wisdom holds that comic books of the post world war ii era are poorly drawn and poorly written publications notable only for the furor they raised contributors to this thoughtful collection however demonstrate that these comics constitute complex cultural documents that create a dialogue between mainstream values and alternative beliefs that question or complicate the grand narratives of the era close analysis of individual titles including ec comics superman romance comics and other more obscure works reveals the ways cold war culture from atomic anxieties and the nuclear family to communist hysteria and social inequalities manifests itself in the comic books of the era by illuminating the complexities of mid century graphic novels this study demonstrates that postwar popular culture was far from monolithic in its representation of american values and beliefs

East Central European Migrations During the Cold War 2009-07

a murder mystery in the finest tradition of english detective novels john le carré s a murder of quality is an ingenious puzzle featuring his best loved character george smiley stella rode has twice disturbed the ancient cloisters of carne school firstly by being the wrong sort with her doilies and china ducks and secondly by being murdered george smiley who has his own connection with the school is asked by an old service friend to investigate smiley knows that stella feared her husband would murder her but as he probes further beneath carne s respectable veneer he uncovers far more than a simple crime of passion in his second george smiley novel le carré moves outside the world of espionage to reveal the secrets at the heart of another particularly english institution the result is a pitch perfect murder mystery with smiley as master detective if you enjoyed a murder of quality you might like le carré s call for the dead also available in penguin modern classics beautifully intelligent satiric and witty daily telegraph

Dispatches from the Cold 2012-02-15

this book tells the story of how madness came to play a prominent part in america s political and cultural debates it argues that metaphors of madness rise to unprecedented popularity amidst the domestic struggles of the early cold war and become a pre eminent way of understanding the relationship between politics and culture in the united states in linking the individual psyche to society psychopathology contributes to issues central to post world war ii society a dramatic extension of state power the fate of the individual in bureaucratic society the political function of emotions and the limits to admissible dissent such vocabulary may accuse

opponents of being crazy yet at stake is a fundamental error of judgment for which madness provides welcome metaphors across us diplomacy and psychiatry social movements and criticism literature and film in the process major parties and whole historical eras literary movements and social groups are declared insane reacting against violence at home and war abroad countercultural authors oppose a sane madness to irrational reason romanticizing the wisdom of the schizophrenic and paranoia s superior insight as the sixties give way to a plurality of lifestyles an alternative vision arrives of a madness now become so widespread and ordinary that it may finally escape pathology

Comic Books and the Cold War, 1946-1962 2011-05-26

this book offers the first account of the foundation organisation and activities of the nato information service natis during the cold war during the cold war natis was pivotal in bringing national delegations together to discuss their security information and intelligence concerns and when appropriate or possible to devise a common response to the communist threat at the same time natis liaised with bodies like the atlantic institute and the bilderberg group in the attempt to promote a coordinated western response the nato archive material also shows that natis carried out its own information and intelligence activities propaganda and intelligence in the cold war provides the first sustained study of the history of natis throughout the cold war examining the role of natis as a forum for the exchange of ideas and techniques about how to develop and run propaganda programmes this book presents a sophisticated understanding of the extent to which national information agencies collaborated by focusing on the degree of cooperation on cultural and information activities this analysis of natis also contributes to the history of nato as a political alliance and reminds us that nato was and still is primarily a political organisation this book will be of much interest to students of nato cold war studies intelligence studies and ir in general

A Murder of Quality 2016-08-19

the cold war contains a selection of official and unofficial documents which provide a truly multi faceted account of the entire cold war era the final selection of documents illustrates the global impact of the cold war to the present day and establishes links between the cold war and the events of 11th september 2001

Madness in Cold War America 2014-01-10

in the genteel environs of corduroy mansions pimlico strange doings are afoot mostly in the name of love lonely william french and his faithful canine freddie are recruited to the service of mi6 by a beguiling lady operative william s neighbour caroline finds her suitor james mysteriously lacking and barbara ragg is tempted to the highlands by blossoming romance meanwhile sage psychiatrist berthea snark under normal circumstances the voice of reason finds herself called away to protect her brother from a band of scheming new age fraudsters seeking to insert themselves into the bosom of the family hilarious and affectionate the dog who came in from the cold rejoins alexander mccall smith s delightful london tribe of loveable misfits and hopefuls in a new set of adventures in life love and philosophy

Propaganda and Intelligence in the Cold War 2004

neil dalton s foundation is already cracking grief guilt and ptsd have ruled his life since a terrible crime tore his world apart last year and he s dreading a holiday visit with the family he simultaneously needs and resents then someone from his past shows up and rattles that shaky foundation right out from under him first a war nearly destroyed jeremy kelly then his family threw him out when he needed them the most now he s barely holding on emotionally he spends his last dollar to get to chicago and prays his former best friend won t leave him out in the cold neil and jeremy spend the holidays with neil s family in their hometown of omaha they

struggle to deal with families flashbacks and feelings that haven't even begun to fade since their last failed attempt at more than friends as they try to repair their fractured psyches and rebuild damaged bridges they rely on each other more than ever but they can't deny the mutual attraction that's existed since before they were both emotionally battered and scarred if they couldn't make it work back then how in the world can they pull it off now

The Cold War 2011-04-07

corduroy mansions book 1 in the corduroy mansions series of novels set in london's hip pimlico neighborhood we meet a cast of charming eccentrics including perhaps the world's most clever terrier who make their home in a handsome though slightly dilapidated apartment block corduroy mansions is the affectionate nickname given to a genteel crumbling mansion block in london's vibrant pimlico neighborhood and the home turf of a captivating collection of quirky and altogether mccall smithian characters there's the middle aged wine merchant william who's trying to convince his reluctant twenty four year old son eddie to leave the nest and marcia the boutique caterer who has her sights set on william there's also the justifiably much loathed member of parliament oedipus snark his mother berthia who's writing his biography and hating every minute of it and his long suffering girlfriend barbara a literary agent who would like to be his wife but then she'd like to be almost anyone's wife there's the vitamin evangelist the psychoanalyst the art student with a puzzling boyfriend and freddie de la hay the pimlico terrier who insists on wearing a seat belt and is almost certainly the only avowed vegetarian canine in london filled with the ins and outs of neighborliness in all its unexpected variations corduroy mansions showcases the life laughter and humanity that have become the hallmarks of alexander mccall smith's work
