Which Degree Guide 2003

what happens in congress affects all of our lives and extends into every corner of the economy because so much is at stake there businesses and other interest groups spend billions of dollars each year trying to influence legislation yet most of these efforts are doomed to futility from the outset only a small percentage of the bills introduced in congress actually become law and most interested parties do not fully understand why those few bills succeed more importantly how to get congress to do what they want remains a mystery to them this book will help you understand congress written from the perspective of one who has helped put a lot of bills on the president s desk and helped stop a lot more this book explains in everyday terms why congress behaves as it does then it shows you how you can best deploy whatever resources you have to move congress in your direction because you have limited time this book sticks to the basics and its chapters are short so that it can be digested rapidly

Persuading Congress: A Practical Guide to Parlaying an Understanding of Congressional Folkways and Dynamics into Successful Advocacy on Capitol Hill: How to Spend Less and Get More from Congress: Candid Advice for Executives 2010-12-01

includes regular and extra sessions
