Career 3.0: Career Planning Advice to Find Your Dream Job in Today's Digital World

2016-07-26

this book is a comprehensive collection of the latest strategies in career planning to reach and impress hiring managers at your desired employment destination highlights of this amazing book map out your job search using our career roadmap get a leg up on your competition by using the hidden network build a resume and cover letter combination that is customized to your dream job and gets noticed by company hr personnel and hiring managers master negotiation tactics to get you the highest possible offer make sure the first steps you take in your new job take you on the right path to career success in this book we have simplified the job search process and through research and experience have developed effective approaches to career planning from page one of the first chapter the roadmap to the final chapter on mastering your job you will not be able to put this book down the roadmap developed in chapter one provides logical step by step framework to reach your career dreamland you will think about your job search in a new way and reduce your job search time by many months as you journey through the book you will come across the chapter on effective job search weapons we consider this a must read because in many ways job hunting is a battle that favors people with grit my co author and i can attest to the many failures and frustrations we faced in our own job search one of the chapters we think most job seekers would find most beneficial is on the invisible or hidden job market i always knew that some jobs got filled before being publicly advertised but i was shocked to learn that 80 jobs are not publicly advertised the jobs that are not made public are what we call the invisible or hidden job market unfair i hear you say we agree and it is even worse than that of the remaining 20 hiring managers may already have someone in mind before they are advertised at this stage you are probably wondering when we would talk about resumes and cover letters after all this is supposed to be a career book the chapter on resumes and cover letters gets to the point and shows you how to customize your resumes and cover letters to achieve maximum impact in the ace the interview chapter we show you a powerful technique to prepare and answer interview questions the recommended star approach provides a framework that is both logical and easy to follow now that you have aced multiple interviews and received multiple job offers how do you choose between jobs how do you negotiate a fair salary we have you fully covered here as well you will learn about how to use the zopa zone of possible agreement and the reservation point to help you obtain the great salary you deserve your family employer and the world are waiting to see the best of you and we know you aspire to the same as well therefore unlike most career books we want you to reach beyond obtaining a job to mastering your job we aptly conclude the book with a roadmap on how to master your job we believe in you and

think you should become a master at your job no matter what it is your chances of fulfilling your dreams will increase and the world would be a much better place

What You Should Know When Looking for a Job in Today's Marketplace

2011-01

the hiring process yesterday versus today years ago it was fairly easy to find a new position search firms would call you with a position opening and you could take your time selecting between job offerings or friends contacted you with tips that a company down the road was hiring and needed people with your skills all that you needed to do was to update your resume from time to time and everything fell into place today we have a different situation the marketplace is crawling with competition for those jobs the time to sit back and think that a company will find you is no longer realistic you need to put together a well thought out action plan to seek the job you want this book will assist you in setting new goals and evaluating new career options it will help you manage your job transition and employment campaign in a realistic systematic and organized way what you should know when looking for a job in today s marketplace 2nd edition shares effective job search methods and a plan of action that will assist those that are out of work and seeking employment those anticipating a reduction in the workforce at their company and are out looking for other opportunities military personnel returning to civilian life and are seeking employment college students just graduating and ready to enter the world of work people dissatisfied in their current positions and want to move on more mature job candidates that are out of work and not ready for retirement those returning to the workplace after many years of absence the book will assist you in setting employment goals and evaluating new career opportunities it will help you manage your job transition and employment campaign in a systematic and organized way by providing you with the needed tools skills and knowledge that will ensure a successful outcome dr richard wittmeyer relies on his thirty years of experience in talent acquisition career and performance management human resources employment coaching and strategic organizational development in order to help others productively manage a job transition during these uncertain times job seekers will learn how to identify their personal strengths and job accomplishments design and implement a job search and networking strategy that works construct and present a resume and cover letter that sells target the job search through the use of solid letter writing and telephone campaigns realize the importance of networking and how to make it happen make a great impression during the interview develop an elevator speech that will identify you as a person of interest accept the position that you desire settle into your new job special feature land that new job right after college special feature develop an employment strategy for those over 50 and much more despite today s challenging times in the job market there are still success stories happening every day as companies continue to look for talented people the practical information and concrete examples included in this valuable field manual will help guide others to success by teaching a complete process that helps anyone take control of their employment future
